

Millie Marottas Tropical Wonderland Postcard Book 30 Beautiful Cards For Colouring In Colouring Books

From the internationally bestselling creator of *Wreck This Journal* comes an imaginative new project: fifty postcards that send you on a quest to reanimate everyday life... Leave notes in public for strangers, dream up a tiny imaginary world, summon magic powers, draw a portrait of yourself as a hero, create your own treasure map, or access a secret portal whenever you wish. Don't you just love getting something unexpected in the mail? With *Everything Is Connected*, your mission is to reimagine your world—and the worlds of everyone around you—one postcard at a time. Creative, collaborative, and winkingly subversive, this postcard set is a manifesto, a mission, a game, and an invitation in one convenient package.

Millie Marotta's art celebrates the natural world, with remarkable animals, plants, and landscapes. In response, colorists everywhere have devised dazzling palettes, inventive techniques, and imaginative ideas to bring her illustrations to life. This special collection honors that creative community, gathering the drawings from Millie's five previous coloring books that inspired them most. From a mighty African elephant to the tiny field mouse, every image here will encourage beautiful new interpretations.

The new book by the author of the *Sunday Times* bestseller, *Millie Marotta's Animal Kingdom*. Enter Millie's wonderful world of treetop treasures and discover the birds nesting and flying high up in the treetops, and the myriad creatures found among the branches. The enchanting illustrations to colour in range from birds such as Major Mitchell's cockatoo and rose robins, to the magnolia warbler, silver-eared mesia and whiskered treeswift. As well as the beautiful birds of the world, Millie's intricate designs show the more unusual creatures residing in the treetops, such as the Amazonian milk frog, the sugar glider or the tree-kangaroo. Millie's inimitable style is treasured by thousands around the world and in this new, exciting book there are all sorts of creatures and fauna waiting to be coloured in, from tiny insects to winged beasts and scaled reptiles to buds and blossoms. The world's rainforests, woodlands and thickets are teeming with life and this book guarantees hours of relaxation and colouring fun. A stylish hardback notebook from the bestselling illustrator Millie Marotta, complete with elastic closer. The notebook features 15 full page illustrations of wild animals, birds and insects from Millie Marotta's *Wild Savannah* for colouring in. This handy narrow-ruled journal is perfect for fans of Millie Marotta's illustrations as well as those looking to relax and get creative with their coloured pencils.

Arranged in chronological order from the early Greek mathematicians, Euclid and Archimedes through to present-day Nobel Prize winners, *100 Science Discoveries That Changed the World* charts the great breakthroughs in scientific understanding. Each entry describes the story of the research, the significance of the science and its impact on the scientific world. There is also a resume of each scientist's career along with their other achievements, sometimes – in the case of Isaac Newton – in a completely unrelated field (laws of motion and the component parts of light). The book covers all branches of science: geometry, number theory, cosmology, the laws of motion, particle physics, electricity, magnetism, the laws of gasses, optical theory, cell biology, conservation of energy, natural selection, radiation, quantum theory, special relativity, superconductivity, thermodynamics, genomes, plate tectonics, and the uncertainty principal. Scientists include: Albert Einstein, Alessandro Volta, Alexander Fleming, Amedeo Avogadro, Andre Geim, Antoine Lavoisier, Antony van Leeuwenhoek, Archimedes, Benoit Mandelbrot, Carl Friedrich Gauss, Charles Darwin, Christian Doppler, Copernicus, Crick and Watson, Dmitri Mendeleev, Edwin Hubble, Enrico Fermi, Ernest Rutherford, Erwin Schrodinger, Euclid, Fermat, Frederick Sanger, Galileo Galilei, Georg Ohm, Georges Lemaitre, Heike Kamerlingh, Isaac Newton, Jacques Charles, James Clerk Maxwell, James Prescott

Lose yourself in a riot of beauty and mindful drawing. Millie Marotta's intricately designed tropical world beckons would-be artists to enter and make their mark. Add brilliant colors to exotic blooms or a parrot's feathers. Complete a rainforest scene, add fine lines to palm trees, or personalize the illustrations. It's a wonderful way to fire up your imagination and relieve stress.

Colour it in psychedelic colours, in tasteful tones, in all shades of orange! But just colour it! Recapture the purest sense of creativity by colouring in the most beautiful figurative designs – flowers, birds, butterflies – provided by a leading textile designer. By adding the key ingredient of colour you add your own spark of creativity to great designs. The design team, who work closely with Tate Modern in London, provide 24 postcards with six different designs to choose from. You can experiment with the colour combinations, using crayons, pencils, felt/fibre tip pens, and even paint on these uncoated postcards. A brief introduction gives some tips on using colours and suggests colour combinations to use on the specific designs, but you are encouraged to let your own creativity get to work! Great fun for all those looking for a burst of creative expression and useful for designers of all types who want to experiment with colour. The cards can be kept together in the book or detached, framed or posted to a friend.

Step inside The Magical City. . . Open your mind to the hidden wonder of urban landscapes across the world with this beautifully intricate colouring book.
