This official Minecraft novel is a journey into the unknown! Max and Alison are proof that differences don't stand in the way of friendship. Max is always on the lookout for a new adventure—even if it means getting into trouble—while Alison prefers to follow the rules. But both of them are fascinated by the beat-up old journal Max finds and the strange gate its secretive author, the Enchanter, describes: a portal to an otherworldly realm of danger called the Nether. After they use the journal's instructions to craft the portal, Max and Alison squabble over whether to remain safe in the Overworld or to journey into the Nether to find the Enchanter . . . until a fateful accident makes the decision for them. Trapped in a scary new world, Max and Alison find an ally in Freya, a fierce warrior who has been living in the Nether with her beloved wolf, Bunny Biter. With Freya's help, and with the clues that lie in the pages of the mysterious journal, Max and Alison embark on a quest to find the Enchanter, even as the Nether pushes their skills—and their friendship—to the limit. NEW YORK TIMES BESTSELLER • This official Minecraft novel is an action-packed thriller! When a new virtual-reality version of the game brings her dreams—and doubts—to life, one player must face her fears. Bianca has never been good at following the plan. She's more of an act-now, deal-with-the-consequences-later kind of person. But consequences can't be put off forever, as Bianca learns when she and her best friend, Lonnie, are in a terrible car crash. Waking up in the hospital, almost paralyzed by her injuries, Bianca is faced with questions she's not equipped to answer. She chooses instead to try a new virtual-reality version of Minecraft that responds to her every wish, giving her control over a world at the very moment she thought she'd lost it. As she explores this new realm, she encounters a mute, glitching avatar she believes to be Lonnie. Bianca teams up with Esme and Anton, two kids who are also playing on the hospital server, to save her friend. But the road to recovery isn't without its own dangers. The kids are swarmed by mobs seemingly generated by their fears and insecurities, and now Bianca must deal with the uncertainties that have been plaguing her: Is Lonnie really in the game? And can Bianca help him return to reality? When humans enter the End, a pair of endermen must decide which side they're really on. For as long as they can remember, the twin endermen Fin and Mo have lived in the mysterious land of the End. On the outskirts of the great enderman city of Telos, they explore ancient ruins under the watchful gaze of the mighty ender dragon. They have everything they need in the end ship they call home, and know everything there is to know about their world—or so they think until the strangers from another dimension arrive. The invaders are called humans, and they've come to steal artifacts and slay the ender dragon. Fin and Mo are ready to protect their home from the trespassers, but when they come face-to-face with the humans, they discover that they aren't as prepared for battle as they'd

thought. Caught off guard, the twins are trapped in the middle of a war between the endermen and the humans, with the future of their home at stake. A Guide to playing Minecraft Survival games in single player or multiplayer from easy to hard difficulty on friendly or competitive worlds and realms in Minecraft Bedrock Edition. May be used as an essential guide for players of any age including parents that want to help their children understand how to play the survival mode of the game or set up realms.*New in 2019*Streams to supplement book content (not brilliant quality since I'm learning this now but at least you'll have more confidence in buying the book and applying the strategies this way) at: https://www.youtube.com/channel/UCjCA8tu_qJhLbOYold4qOlw or search 'noob 1884'<https://mixer.com/noob1884>occasional live streams on Twitch at https://www.twitch.tv/noob_1884*Discord room for book discussion, a chance to hangout with some of the players and notification of new streams by the community.*Please note that streams are quite long and are generally only available for viewing for about one month after broadcast.Minecraft has changed a lot over the last year and more people are trying out the survival version for a challenge. Some are even using it as a battleground. Grievers roam the lands and the community has evolved to allow them an existence - the PvP and anarchy realms where anything goes except cheating of course!Learn secrets and

strategies that will make you better than the average player and an advisor to some of the better players. Assumes some very basic knowledge of the game. 84 pages (varies by device) including 20 pages of screenshots from actual gameplay to show strategy and features in action. Learn how to set up safe realms and spot people abusing your hospitality on public realms. Covers latest and future content including the December 2018 Cats and Pandas Update (Bedrock 1.8.0). Please note that commentary on features not yet included (Illagers and Pillagers) may not be 100% accurate as there may be some slight changes to gameplay before they are actually unleashed on players (rumoured 1.11.0 - boocraft streams use the latest stable experimental features).Also includes pointers to valuable information sources that will fill out your knowledge to make you an all-round player. Age 8-50yrs+. Please note that the paperback contains a little more information than the ebook since it seems to cost quite a lot to print and deliver a real book.This book should be used as an essential strategy guide and roadmap for playing Survival Mode. It does NOT replace the comprehensive guides produced by Mojang themselves, it compliments them. For example, this book may refer to using a particular tool but not go into much depth on it, therefore, Mojang's set of books should be part of your reference collection.About Minecraft BedrockBedrock Edition covers Android, VR, Xbox,

Windows, IOS, Nintendo Switch and Kindle and allows players from any of those platforms amongst others to play together in the same Minecraft game using a feature called crossplay. Crossplay in Minecraft is seamless. You wouldn't know that someone was using a different type of device unless they told you. PlayStation and Java Edition versions of Minecraft will operate slightly different to Bedrock so it is important to check with the sites and sources that are mentioned to adapt your gameplay to make sure things work as you want them to if you do use this book on those platforms.

The launch of an exciting, hilarious new series narrated by an underdog every

Minecrafter can relate to. Gerald Creeper Jr. is a self-proclaimed pacifist (which, by the way, has nothing to do with a pacifier), but he finds himself in the war zone when he starts his first year at Mob Middle School. At his new school, every monster in the Overworld is jockeying for power, and the skeletons seem to have it out for him. Armed with a 30-day plan (he can thank his mom's self-help obsession for that), Gerald makes it his mission to use his brains—instead of his blasts—to survive the school year. It all starts with: Day 1: Come up with a nickname. (Gerald is not gonna cut it.) Day 2: Keep a low profile. (Not easy when your new best friend is a super bouncy slime!) Day 3: Avoid being target practice for skeletons, and somehow get in with super-popular Eddy Enderman. (Easier said than done.) The first book in this laugh-out-loud funny, heavily illustrated, diary format series for Minecrafters follows the most misunderstood hostile mob in the Overworld. It's not easy being green . . . or explosive!

Discover new and exciting Minecraft builds made easy, broken down into manageable pieces—written in official partnership with the experts at game-creator Mojang. Learn how to design, build and customize 20 mini-projects in Minecraft, from firefighter planes and deep-sea submarines to hidden bunkers and mini arcade games. There's even a superhero flying school! Each build is accompanied by exploded views and step-by-step, fully-illustrated guides and

detailed instructions to show you how to complete each build from start to finish. Informative text will help you with your construction understanding and encourage you to use your new knowledge to create your very own builds.
