Offers a tutorial exploring the updated features of Adobe InDesign CS, explaining how to create and manipulate type, photographs, layers, and Web graphics in a professional environment.

Emma Alexander has been living in San Diego the past eight years building her career. She's only been home once during that time. When she rushes home to deal with a family tragedy, she discovers small towns have long memories. Circumstances force her to deal with the reason she stayed away so long. Now she must decide between the life she left behind and the one she's secretly yearned for. Jack McElroy has been in love with Emma since they met their freshman year of college. The last four years of living in San Francisco have been torturous for him, being away from her. When her promotion moves her north, fear of ruining their friendship tempers his desire to show her how he truly feels. Will he be able to profess his love for her or will her ex-fiancé beat him to the punch?

Killian knows all about vampires and aliens. They're not real. But when a handsome swimmer climbs into her storm-tossed boat an hour from her summer destination, the worlds of fantasy and reality suddenly collide... Cuttlelea Island has no mall, no social scene, and no action. But it does have a mysterious stone tower, ageless islanders, and a secret as astonishing as a mermaid's tale... Before the summer is through, Killian will find the truth of her family's past...and the role she is destined to play in a centuries-old curse.

A guide to the features of Adobe InDesign covers such topics as building pages, entering and importing text, character settings, images and graphic frames, working with color, managing and editing text, printing and exporting, and adding interactivity.

This innovative product from Adobe Press and video2brain combines interactive video and a full-color printed reference to teach the fundamentals of InDesign CS6. Experienced instructor Kelly McCathran presents 9 hours of high quality HD video, complete with lesson files, assessment quizzes and review materials. The video is wrapped in a unique interface that allows the viewer to jump to any topic and also bookmark individual sections for later review. The unique Watch-and-Work mode shrinks the video into a small window to allow the student to work alongside in InDesign. Project files used in the lessons are included on the disc so viewers can practice what they've learned, and interactive review questions help reinforce freshly gained knowledge. The DVD-ROM is bundled with a printed book that provides supplemental material to enhance the video training.

An insidious parasite is working its way through the suburbs of Washington, D.C. NITS follows the trail of a virulent outbreak of head lice as it wreaks havoc on the lives of a social climbing mother of a scholarship student, a buff young Latin teacher and a controlling do-gooder who is so consumed with exterminating the pest, people start calling her the "Lice Nazi." A social satire with bite, NITS explores the themes of class, ambition, and the unavoidable interconnectedness of modern life.

Step by step - through theory and tutorials - you will learn to create a small three folded brochure and at the same time the basic features and functions of Adobe InDesign. On October 28th 1890 the great wall of the Barsdon Dam gave way, and the Eagle Star reservoir buried the small Arizona town of Jackson Hope under forty feet of water. Men, women and children perished in the devastating flood, nobody survived. For over a hundred years the town lay forgotten at the bottom of a vast lake, but it has been a particularly harsh summer in Arizona, and the town is starting to emerge. Experts will come and survey the land, hoping to prospect for a bright and lucrative new project, but they will get more than they bargained for. Bit by bit they will uncover the truth behind the disaster which wiped a small farming community off the map, and as they do they will learn with devastating consequences that some secrets should stay buried forever.

This workbook contains a variety of exercises and activities designed to help young learners advance the fine motor skills that are essential to the handwriting process, beginning by tracing lines and curves, and then gently introducing some letter-writing practice. Several mazes are also included in the book as a fun way to promote visual motor skills, eye-hand coordination, and problem-solving skills. Young students are introduced to the letters of the alphabet in exercises that have them trace Lowercase Alphabet and then practice writing them on their own. Numbers are also presented in an engaging way, with a lesson in phonetics as well as exercises for tracing and writing numerals. A section of connect-the-dot games provides more motor skills development along with helping children learn the order of alphabet, while fill-in-the-blank games reinforce alphabet learning in a different way and provide more practice in writing the missing letters. My BIG Book of Writing! is a versatile tool that can help children who are struggling with writing skills to work at a comfortable level, as well as assisting those for whom writing comes more easily to experience the multitrack learning their developing minds are hungry to absorb. Whatever level a child is at, the activities and exercises in this workbook will stimulate the learning process and prepare him or her for reading and other learning challenges ahead.

This book will allow you to experience, as you read, what it was like for this woman of God, as she graciously started ministry at just 18 1/2 years old. Elder, Evangelist, Della Clark, has been called, chosen, and appointed by God to go into all the world to preach the Gospel of Jesus Christ. She is equipped and anointed to finish the work that He has called her to do. This book is a great read, and as you peel back each page, you will begin to see, that, on her journey, she has made full proof of the ministry by the power of the Holy Spirit. Elder, Evangelist, Della Clark, boldly confesses with conviction that "No devil in hell can

The book you're reading about right now was created with Adobe InDesign CC. And that's the case no matter which reading format you prefer--whether it's the physical book made of plant fiber and ink, or the digital version made of electrons in an e-reader. In fact, most of the books, magazines, posters, and brochures you see were likely made with InDesign as well. It's all around you. Adobe InDesign CC: A Complete Course and Compendium of Features is your guide to building publications great or small in this ubiquitous page layout application. First, with a complete Course that includes a set of projects and lessons derived from the curriculum of award-winning and Adobe Certified Instructor Steve Laskevitch, you will learn the procedures needed to use InDesign professionally. Dozens of lessons are included that can be applied to any document you have in mind: engineering proposals, marketing collateral, spec sheets, magazines, newsletters, books, and more. Through these step-by-step lessons, you'll be exposed to all of InDesign's features in practical contexts and its best practices for publishing workflows. To complete the Course, we'll supply lesson documents and their assets to download. These can even serve as starting points for your own projects. Then, for greater depth of knowledge and subsequent reference, you'll use the Compendium to uncover more of the "how" and "why" of InDesign and publishing tech in general. With each topic easy to access, you can find and explore all of InDesign's key features and concepts in depth. With cross references between the Course and Compendium, the two parts of the book complement each other perfectly. Best of all, when the lessons in the Course are done, the Compendium will continue to serve for months and years to come. Learn step by step how to: - Create documents from postcards and posters to large books - Take control of typography and more with styles - Combine images with text for compelling layouts - Use color with predictable results - Prepare documents for both print and electronic output - And much more! "I've known Steve for over 20 years, and have always admired his empathy and passion for generously sharing his knowledge with others. He leverages his deep understanding of InDesign and takes the time to share what he hears from users to advocate on their behalf directly to the InDesign team to make the product better. This book will definitely help you become a more efficient InDesign user." -- Michael Ninness Formerly InDesign Product Manager Now Adobe's Senior Director "Steve's long relationship with Adobe InDesign and the people who actually built it make him the ideal person to guide any designer through the rich toolset that is Adobe InDesign. While his smouldering good looks and James Bond-like sophistication will not be of any value to the reader, his in-depth knowledge, years of delivering training, patience and good humour almost certainly will." -- Chris Kitchener Ex Group Product Manager for Adobe InDesign and Adobe Illustrator
