He spends twelve hours a day in front of his computer, rarely leaving the seclusion of his beach-front property, where he's come to finish his latest thriller--that is, until free-spirited Leanna Bray nearly drowns in the ocean trying to save her dog. Kurt's best-laid plans are shot to hell when he comes to their rescue. Kurt's as irritated as he is intrigued by the sexy, hot mess of a woman who lives life on a whim, forgets everything, and doesn't even know the definition of the word organized. Leanna's come to the Cape hoping to find a fulfilling career in the jam-making business, and until she figures out her own life, a man is not on the menu. But Leanna can't get the six-two, deliciously muscled and tragically neat Kurt out of her mind. She tells herself she's just stopping by to say thank you, but the steamy afternoon sparks a wild and sexy ride as Kurt and Leanna test the powers of Chemistry 101: Opposites Attract. language teaching. In this research-based approach to learning language, the development of communicative language skills is the central goal, with formal grammar presentation and practice at the service of communication. To this end, the grammar explanations and exercises on the blue pages at the end of each chapter are designed for quick reference and ease of study. Additionally, cultural content is integrated throughout each chapter. The new Conozca section on each chapter opener gives an introduction of the country or region of focus, including information about holidays, foods, famous people, and important cities. Ventanas culturales readings focus on community, customs, and daily life while Ventanas al pasado readings focus on aspects of the social, cultural, or political history of the Spanish-speaking world. The Enlace readings explore literature, music, and cinema, and the Lecturas present topics such as sports and leisure activities. Dos mundos is available with CENTRO a portal learning management system through which various digital components, including Quia™ Workbooks and Laboratory Manuals and interactive e-books can be purchased.
