This verse translation of Yvain; or, The Knight with the Lion brings to life a fast-paced yet remarkably subtle work often considered to be the masterpiece of the twelfth-century French writer Chrétien de Troyes. The creator of the Arthurian romance as a genre, Chrétien is revealed in this work as a witty, versatile writer who mastered both the soaring flight of emotion and the devastating aside and was as skillful a debater of the finer points of love as he was a describer of battles.

The world's most beloved beagle shares his philosophy on life in this beautifully produced gift book for all generations. In his inimitable style, Snoopy spends his days extolling the virtues of dancing, hanging out with his best bird friend Woodstock, pursuing a full supper dish, and giving his owner -- our favorite lovable loser, Charlie Brown -- the run-around. For the millions of faithful Charles Schulz fans, and those who fondly remember the joyful dog with the wild imagination, this is the second in a new series to cherish that will see the beguiling Peanuts gang share their sentiments on everything from food to friendship.

A collection of the year's best essays, selected by award-winning journalist and New Yorker staff writer Kathryn Schulz "The world is abundant even in bad times," guest editor Kathryn Schulz writes in her introduction, "it is lush with interestingness, and always, somewhere, offering up consolation or beauty or humor or happiness, or at least the hope of future happiness." The essays Schulz selected are a powerful time capsule of 2020, showcasing that even if our lives as we knew them stopped, the beauty to be found in them flourished. From an intimate account of nursing a loved one in the early days of the pandemic, to a masterful portrait of grieving the loss of a husband as the country grieved the loss of George Floyd, this collection brilliantly shapes the grief, hardship, and hope of a singular year. The Best American Essays 2021 includes ELIZABETH ALEXANDER - HILTON ALS - GABRIELLE HAMILTON - RUCHIR JOSHI - PATRICIA LOCKWOOD- CLAIRE MESSUD - WESLEY MORRIS - BETH NGUYEN - JESMYN WARD and others

The Anti-Counterfeiting Trade Agreement (ACTA) is the most important effort undertaken to lay down a plurilateral legal framework for the enforcement of intellectual property rights. With the view to learn more about the origins of this treaty, the process leading to its conclusion and its implications for law making in this field, The ACTA and the Plurilateral Enforcement Agenda: Genesis and Aftermath analyses in great depth both the context and the content of the agreements. In order to attain this objective, a large and diverse group of experts - renowned scholars, policy makers, civil society and industry actors - who represent different perspectives on the necessary balance between intellectual property enforcement and other economic and social interests have been gathered together. This book is the most comprehensive analysis of ACTA, and of its relation with ongoing initiatives to improve enforcement of intellectual property and norms pertaining to a range of international legal regimes, conducted so far.

Written by Charles M. Schulz, this work presents his wry observations and advice, filtered through his lovable cast of characters. It contains sections under headings, such as: people skills, life's little quirks, and wisdom and self-confidence.

The multimillion-copy New York Times bestselling author B.A. Paris returns to her heartland of gripping psychological suspense in *The Therapist*—a powerful tale of a house that holds a shocking secret. When Alice and Leo move into a newly renovated house in *The Circle*, a gated community of exclusive houses, it is everything they've dreamed of. But appearances can be deceptive... As Alice is getting to know her neighbours, she discovers a devastating secret about her new home, and begins to feel a strong connection with Nina, the therapist who lived there before. Alice becomes obsessed with trying to piece together what happened two years before. But no one wants to talk about it. Her neighbors are keeping secrets and things are not as perfect as they seem...

It had never been done before. Not in 2,000 years of Japanese recorded history had anyone followed the Cherry Blossom Front from one end of the country to the other. Nor had anyone hitchhiked the length of Japan. But, heady on sakura and sake, Will Ferguson bet he could do both. The resulting travelogue is one of the funniest and most illuminating books ever written about Japan. And, as Ferguson learns, it illustrates that to travel is better than to arrive.

An all-new collection of summer-themed mysteries from the master of the genre, just in time for the holiday season.

Shocked by the fall of France in 1940, panicked US leaders rushed to back the Vichy government—a fateful decision that nearly destroyed the Anglo–American alliance. According to US Secretary of War Henry Stimson, the “most shocking single event” of World War II was not the Japanese attack on Pearl Harbor, but rather the fall of France in spring 1940. Michael Neiberg offers a dramatic history of the American response—a policy marked by panic and moral ineptitude, which placed the United States in league with fascism and nearly ruined the alliance with Britain. The successful Nazi invasion of France destabilized American planners’ strategic assumptions. At home, the result was huge increases in defense spending, the advent of peacetime military conscription, and domestic spying to weed out potential fifth columnists. Abroad, the United States decided to work with Vichy France despite its pro-Nazi tendencies. The US–Vichy partnership, intended to buy time and temper the flames of war in Europe, severely strained Anglo–American relations. American leaders naively believed that they could woo men like Philippe Pétain, preventing France from becoming a formal German ally. The British, however, understood that Vichy was subservient to Nazi Germany and instead supported resistance figures such as Charles de Gaulle. After the war, the choice to back Vichy tainted US–French relations for decades. Our collective memory of World War II as a period of American strength overlooks the desperation and faulty decision making that drove US policy from 1940 to 1943. Tracing the key diplomatic and strategic moves of these formative years, *When France Fell* gives us a more nuanced and complete understanding of the war and of the global position the United States would occupy afterward.

Fantastic Beasts and Where to Find Them takes fans to a new era in J.K. Rowling's *Wizarding World*, decades before Harry Potter and half a world away. A haunting, magical story of a cursed gem and the people who suffer in its wake, set in seventeenth-century London. Most men of stature wouldn't marry their betrothed after she'd been kidnapped and forced into sexual slavery in the harem of the Great Turk, but Paul Pindar, wealthy merchant and former ambassador to Constantinople, is not most men. When Paul and Celia, finally reunited, return to London in 1611, his house at Bishopsgate has stood empty for nearly a decade. A phalanx of carpenters, upholsterers, and gardeners have been summoned to restore it to its former glory. But all is not as it seems. Celia is frail, and their marriage, despite her longing, is childless. Traumatized by her experiences, she is unprepared for English society and the duties of managing a house with a full staff. Paul arranges for Celia's old friend, Annetta, to join them in England as Celia's companion, but Annetta arrives to find that another woman, the widow Frances Sydenham, has insinuated herself into the Pindar household. Lady Sydenham seems to have a mysterious hold over Celia and, Annetta suspects, increasingly over Paul. Who is this woman, and what are her motives? Like everyone else, including members of the royal family and Pindar's greedy brother Rafe, she is fascinated by the Sultan Blue, the legendary diamond Pindar has brought back from the Middle East. All of London wants to get their hands on the jewel, despite the dark magic properties that are said to surround it, but Paul Pindar might be the only merchant who doesn't have a price.
