Udder Madness! "Get married and I kill you." This was the letter sent to Kimihito, an ordinary guy living with a houseful of extraordinary beauties, by a mysterious writer known only as "D." Now it's up to Interspecies Coordinator Smith, Kimihito, and his ever-increasing menagerie of monster girls to find out who is behind the threatening letter before it's too late. The game plan? Use Kimihito as bait by sending him on a series of dates with monster girls. Along the way, several possible suspects emerge, each of whom has a "D" connection of one kind or another. Meanwhile, Kimihito's potential brides each begin acting strangely. Are they taking the fake dates too seriously--or is something (or someone) far more sinister at work?

After all, this is no ordinary farm--all the other farm workers are sexy, buxom monster girls...and the livestock isn't the only thing that needs milking. "

" When the members of the MON get suspended for accidentally zombifying a young girl (with an assist from Lala), Kimihito tries to console them by spending a full day on a date with each individual member. Not surprisingly, every date ends in its own unique flavor of disaster. From dodging ghost marriages to picnics gone wrong, Kimihito will be very glad indeed when MON's suspension is over!

Meanwhile, Draco learns a lesson in humility while trying to win back Miia's favor. It's more chaos and comedy in this MON-focused volume of everybody's favorite monster girl series! "

What do world governments do when they learn that fantastical beings are not merely fiction, but flesh and blood--not to mention feather, hoof, and fang? Why, they create new regulations, of course, like the Interspecies Cultural Exchange Accord! When twenty-something Kurusu Kimihito becomes an involuntary "volunteer" in the government homestay program for monster girls, his world is turned upside down. A lamia named Miia is sent to live with him, and it's Kimihito's job to make sure the sexy snake girl integrates into everyday life. While cold-blooded Miia is hot for Kimihito, the penalties for interspecies breeding are dire. Even worse, when a buxom centaur girl, and a scantily-clad harpy move into Kimihito's house, what's a full-blooded young man with raging hormones to do?

Tohru the dragon has gotten very comfortable in her role as Miss Kobayashi's maid. But when Elma--the new dragon in town-- enters the picture, Tohru's jealousy overflows! Box lunch battles and noisy neighbours are nothing Tohru can't handle when the affections of her dear Miss Kobayashi are on the line!

Monster MILFs Kimihito's eyes are about to pop. The mothers of not one, not two, but three of the monster girls who live with him are coming for a visit. It doesn't help that this trio of mothers is every bit of sexy as their daughters—and just as dangerous to Kimihito's mental and physical well-being. Stuck in the middle between the mothers and their daughters, Kimihito learns more than he ever wanted to know about the mating habits of lamia, harpies, and centaurs, while repeatedly facing the possibility of an ecstatically painful death. Fur, feathers and scales are about to fly, as Kimihito's hide hangs in the balance!

" As the primary doctor for Lindworm's monster population, Glenn Litbeit has seen his share of bizarre cases. But nothing can prepare him for the rumors of doppelgangers suddenly plaguing the town. Will Glenn be able to determine the cause of this phenomenon before it overruns Lindworm? Or will his penchant for working himself sick finally get the best of him? "

A whole new group of sexy monster girls are chasing after Kimihito, and they're all hungry for his blood! While he goes undercover to try and find the third "rogue liminal," Kimihito soon finds himself at the mercy of their voracious blood-sucking appetites. Can Miia, Papi, and the rest of Kimihito's menagerie find him before he's drained completely dry...or meets a fate worse than death? This romantic harem comedy is sure to get your heart pumping!

In a shocking twist (okay, maybe not so shocking...), Kimihito learns that he's been playing host to a princess! Mero the mermaid is actually the daughter of the king and queen of the sea, and now her royal mother is summoning her back home. Kimihito, along with the other monster girls living in his household, go to visit the mermaid queen in the hopes of changing her mind. Along the way, they uncover a tangled scheme that involves kidnapping, royal intrigue, tragedy, and, of course, naughty tentacles. If this intrepid group can manage to stay un-molested long enough to solve the mystery, they could transform the entire mermaid kingdom! But for once, Kimihito isn't the only one risking his life in the name of interspecies relations.

It's bad enough that Kimihito is stuck hosting not one, not two, but three sexy Monster Girls - and is forbidden by law to touch any of them, no matter how much they come on to him - but now, he's going to have to marry one of them! Which will it be: the sensuous, serpentine Miia; Papi the Harpy, who has boundless enthusiasm and absolutely no personal boundaries; or the noble (and extremely busty) centaur, Centorea? Kimihito decides to get to know each one of these unearthly beauties a little better before he makes his choice - with disastrous results!

Half an Inch from the Edge: Teacher Education, Teaching, and Student Learning for Social Transformation is a book about the tensions and opportunities reflected in today's public school classrooms in the U.S. Through detailed case studies of four classrooms, the authors explore socially transformative pedagogy in action. The result is a narrative that intertwines a critical social analysis of our educational system with real-life examples from K-12 classrooms. The four teachers highlighted in the book are new, urban, socially-conscious educators of Color who strive to make their classrooms something new and something different—spaces where youth can learn about and express their own cultural identities as a part of the curriculum. These stories are told through the creation, implementation, analysis, and assessment of teachers' action research projects as they complete their Masters degrees and begin their first years as full-time teachers. Central to each of the case studies—which span multiple grade levels and content areas—is a focus on self-reflection, a deep desire to build meaningful relationships with students, and a quest to make learning relevant to students' lived experiences. Also painfully clear is the role of failure, and the tremendous creativity, ingenuity, and persistence of these new teachers, as they learn alongside their students and together fight the injustices inherent in their schools, districts, and the national system of education. Ultimately, the portraits of these teachers show that amidst all of the forces working against them and their students, there is hope—hope that the great experiment of American public education can transform into a system that serves all students.
