Monstress Book One Image Comics

Bridging the gap between the fifth and sixth arc (which resumes in January 2021), *MONSTRESS* returns with *TALK-STORIES*, a two-part limited series that invites you to eat dumplings beside the fire and listen as Kippa recounts a defining moment from her childhood.

An epistolary novel of historical fiction that imagines the life of Katharine Wright and her relationship with her famous brothers, Wilbur and Orville Wright. On December 17, 1903, Orville and Wilbur Wright flew the world's first airplane at Kitty Hawk, North Carolina, establishing the Wright Brothers as world-renowned pioneers of flight. Known to far fewer people was their whip-smart and well-educated sister Katharine, a suffragette and early feminist. After Wilbur passed away, Katharine lived with and took care of her increasingly reclusive brother Orville, who often turned to his more confident and supportive sister to help him through fame and fortune. But when Katharine became engaged to their mutual friend, Harry Haskell, Orville felt abandoned and betrayed. He smashed a pitcher of flowers against a wall and refused to attend the

wedding or speak to Katharine or Harry. As the years went on, the siblings grew further and further apart. In *The Wright Sister*, Patty Dann wonderfully imagines the blossoming of Katharine, revealed in her "Marriage Diary"—in which she emerges as a frank, vibrant, intellectually and socially engaged, sexually active woman coming into her own—and her one-sided correspondence with her estranged brother as she hopes to repair their fractured relationship. Even though she pictures "Orv" throwing her letters away, Katharine cannot contain her *joie de vivre*, her love of married life, her strong advocacy of the suffragette cause, or her abiding affection for her stubborn sibling as she fondly recalls their shared life. An inspiring and poignant chronicle of feminism, family, and forgiveness, *The Wright Sister* is an unforgettable portrait of a woman, a sister of inventors, who found a way to reinvent herself.

Buffy Summers—the Slayer, the Chosen One meant to save the world from the literal evil forces of hell—must save her friend Xander before he dies...and returns as a vampire. As Giles and Willow each take drastic measures to find a cure, Buffy faces off against a new enemy. Eisner Award-nominated writer Jordie Bellaire (*Redlands*) and artist David López (*Captain Marvel*) present the next chapter of the fearless pop culture reimagining that generated headlines worldwide. Collects *Buffy the Vampire Slayer #5-8*.

Hugo Award-winning *MONSTRESS* returns with a new arc and an oversized issue! Maika has spent most of her life learning how to fight, but how will she fare when the only way to save her life is to make friends?

Collects *X-23 (2010) #10-16*. X-23 thought she had walked away from her past, but after her brutal discoveries in Madripoor, she realizes there are some crimes--of the heart and body--that cannot be so easily forgotten. But as memories begin to spin her out of control, an old mentor and maybe a new enemy come back into her life: Wolverine...and the vampire, Jubilee. Then, when X-23's kill-list is resurrected, she may now be forced to take the lives of the people she once spared. But with a vampire as her uneasy ally, is restraint even an option? Plus: a seemingly unstoppable cosmic force is tearing apart New York, and targeting X-23 and the Future Foundation's Sue Richards and Spider-Man. What strange connection do these three heroes share, and is it the key to saving the city and the world--or will it get them killed?

When the bond Maxine Kiss shares with the demons tattooed on her skin is deliberately severed, the demon hunter is left vulnerable and unprotected. For the first time in ten thousand years, the demons have a taste of freedom. And as the little demons grow more violent and unpredictable, Maxine starts to fear they will lose their minds without her. Reuniting won't be easy, since a greater temptation waits for these hellions: a chance to return to their lives as Reaper Kings, and unleash hell on Earth.

Who will win this crucial first battle between the Federation and Arcanics? And whose side is Maika on, anyway?

Maika must put aside personal betrayals and private revelations to defend the walled Arcanic city of Ravenna, the first major target of the Federation of Man. As the battle heats up, Maika and her friends each face difficult decision, forced to choose justice or mercy, security or freedom, family or society - and live with the consequences

Reunited with family and old friends turned enemies will Maika still choose to stand alone or join the wolves?

Set in an alternate matriarchal 1900's Asia, in a richly imagined world of art deco-inflected steampunk, *MONSTRESS* tells the story of a teenage girl who is struggling to survive the trauma of war, and who shares a mysterious psychic link with a monster of tremendous power, a connection that will transform them both. *Entertainment Weekly* praised *MONSTRESS* as one of "Image Comics" most imaginative and daring new series and dubbed it the "Best New Original Series" in their year-end "Best Comics of 2015" list.
