

Moon River Sheet Music Music For Piano And More

(Fake Book). The Real Books are the best-selling jazz books of all time. Since the 1970s, musicians have trusted these volumes to get them through every gig, night after night. The problem is that the books were illegally produced and distributed without any copyrights or royalties paid to the master composers who created these musical canons. Hal Leonard is very proud to present the first legitimate and legal editions of these books ever produced. You won't even notice the difference...the covers look the same, the engravings look the same, the songlist is nearly identical, and the price remains fair even on a musician's salary! But every conscientious musician will appreciate that these books are now produced legally and ethically, benefitting the songwriters that we owe for some of the greatest music ever written! 400 songs, including: Air Mail Special * Birdland * Bye Bye Blackbird * Caravan * Doxy * Fly Me to the Moon (In Other Words) * Georgia * Girl Talk * I Remember You * I Thought About You * In Walked Bud * The Jodi Grind * Just the Way You Are * Killer Joe * Little Sunflower * Mercy, Mercy, Mercy * Moanin' * The Nearness of You * Now's the Time * Old Devil Moon * Phase Dance * St. Thomas * Speak Low * Stardust * Tangerine * Tenor Madness * Watch What Happens * Whisper Not * Willow Weep for Me * Yardbird Suite * and more.

A remarkable memoir by one of the most popular and beloved entertainers of the twentieth century When in the mid-1950s Andy Williams reached a low point in his career, singing in dives to ever-smaller audiences, the young man from Wall Lake, Iowa, had no inkling of the success he would one day achieve. Before being declared a national treasure by President Ronald Reagan, Williams would chart eighteen gold and three platinum albums, headline at Caesars Palace in Las Vegas for more than twenty years, and host an enormously popular weekly television variety show whose Christmas specials still occupy a tender spot in every baby boomer's heart. Williams knew everybody who was anybody during his seven remarkable decades in show business (including Judy Garland, John Huston, Jack Lemmon,

John Lennon, Elton John, Frank Sinatra, Elvis, and Barbra Streisand, among others) and was a close friend of Bobby Kennedy for many years, and he shares memories of them all in *Moon River and Me*. In music, while coaching groups of adults in ensemble settings and teaching them in the independent studio is a longstanding tradition, most tertiary-level music courses do not address the specific issues associated with teaching adults. The Adult Music Student addresses this gap, equipping music educators and professional musicians with the skills to provide optimal learning environments for adult music-makers, and exploring the process of learning and making music across the entire adult lifespan. In chapters rooted in research and real-world experience, adult learning theory, assumptions and philosophy are presented within the context of musical situations. The author also addresses adult motivation, teacher attributes that facilitate learning, and specific strategies to engage adults at different psychosocial or developmental stages. Providing practitioners with both an understanding of how adults learn, and practical approaches that can be used immediately in various music settings, this book offers an essential guide for any instructor working with adult music students.
