**Moray Coast Railways** Rosemary Burgess, Robert Kinghorn, 1990-01-01

**Scottish Highland Railways** David Tucker, 2021-01-25 Scottish Highland Railways describes eight great journeys by rail through northern Scotland, detailing the history of the lines while travelling along their modern-day routes. In addition, the landscapes, regional history, stations and services available are all described. With over 100 present-day and archive photographs and maps, this book provides the histories of the railways of the east coast, the Grampian region, the highland main line and the Far North, West Highland and Oban, Mallaig and Kyle of Lochalsh lines. A railway company 'family tree' is given and a timeline documenting the many mergers and changes over time. The recent history of these railways in the 20th and 21st centuries is given along with a list of operational stations in 2020 together with passenger usage statistics. There are also details of rail organizations and regulations in Scotland.

*Moray Coast Trail* Sandra Bardwell, 2011-03 'This book describes two contrasting routes in northeast Scotland: the Moray Coast Trail from Forres to Cullen, and the Dava Way, an inland route from Grantown to Forres. The Moray Coast Trail consists of 44 miles of beach walking, coastal paths, quiet roads and old railways. The Dava Way extends for 23 miles inland with vistas of mountain, moorland and farmland. We also introduce the Moray Way, a concept combining most of the above two routes with part of the Speyside Way to form a 95-mile circuit of considerable beauty and historical interest.

**Engineering**, 1895

*The Moray Way Companion* Norman Thomson, 2022-06-02 The Moray Way consists of all or part of three previously

existing routes: the Moray Coast Trail, the Speyside Way and the Dava Way. Together they cover a huge and varied range of landscapes. This book is the ideal guide to much of what this beautiful and richly historical part of Scotland has to offer. The largest town, Forres, is an ancient royal burgh. Between it and the next biggest town of Lossiemouth lie the coastal villages of Findhorn, Burghead and Hopeman, connected by some of Scotland's finest coastal scenery and beaches. Eastwards, beyond intact remains of second world war defences, lie Garmouth and Fochabers, the former, many centuries ago, the main port of Moray. Here the Moray Way turns south, following a course through the fertile Spey valley. Its many distilleries are part of the considerable variety of interest as the route continues to the resort town of Grantown. A final stage northward crosses the wild openness of Dava Moor, reaching eventually the spectacular Divie viaduct where there is a dramatic change to gentler woodlands and pastoral landscapes as the trail leads back to Forres.

McCutcheon, 2014-03-15 Bradshaw's Guide provides a fascinating account of his railway travels within Scotland. For the first time it is presented in a highly readable form in this new annotated volume, fully illustrated throughout with old and new colour images.

**The Territorials, 1908-1914** Ray Westlake, 2012-02-02 The Territorials 1908-1914 is a unique, comprehensive record of the part-time soldiers who made up the Territorial Force that supported the regular army in the years immediately before the outbreak of the First World War. Previously information on the history and organization of these dedicated amateur soldiers has been incomplete and scattered across many sources but now, in this invaluable work of reference, Ray Westlake provides an accessible introduction to the Territorial Force and a directory of the units raised in each county and each town. The origin, aims and organization of the Territorial Force are described as well as the terms of service, recruitment, equipment and training. But the bulk of the book consists of details of over 600 Territorial units plus a comprehensive account of every city, town or village associated with them. Essential information on the all the infantry formations is supplied, but also covered are the yeomanry, the artillery, the engineers, the Royal Army Medical Corps and the Army Service Corps. Ray Westlake's historical guide of the Territorial Force the forerunner of the present-day Territorial Army - will be of enduring value to military and family historians.
