For more than 120 years (1714–1837) Great Britain was linked to the German Electorate, later Kingdom, of Hanover through Personal Union. This made Britain a continental European state in many respects, and diluted her sense of insular apartness. The geopolitical focus of Britain was now as much on Germany, on the Elbe and the Weser as it was on the Channel or overseas. At the same time, the Hanoverian connection was a major and highly controversial factor in British high politics and popular political debate. This volume was the first systematically to explore the subject by a team of experts drawn from the UK, US and Germany. They integrate the burgeoning specialist literature on aspects of the Personal Union into the broader history of eighteenth- and early nineteenth-century Britain. Never before had the impact of the Hanoverian connection on British politics, monarchy and the public sphere, been so thoroughly investigated.

Many books have been published about Italian motorcycles, but none has focused exclusively on the Italian motorcycle-based chopper, bobber, trike, and quad custom bike scene – until now. Even though customising is not normally associated with Italian brands, there are some fantastic individually-built Italian custom bikes out there, old and new. In recognition of the trend, Ducati entered into a new market segment when it launched its power cruiser Diavel in November 2010, while Moto Guzzi has its Aquila Nero range ... these and many other custom-style bikes have been well-received in the customs scene. This book looks at some of the fascinating custom projects around the world, accompanied by stunning photography of the finished bikes. A great book for Italian bike fans, and fans of the custom bike scene in general.

Nei quindici racconti di questo volume si avvicendano stili e climi letterari molto diversi: libri e memoria, arte e filosofia, musica e surrealismo, televisione e cinema, da Eraclito a Bob Dylan passando naturalmente per Borges, ma anche per Bergoglio. Immigrati, studiosi, naufraghi, amici, viaggiatori, santoni, pittori, eretici, marinai, investigatori, spettatori e sogni si alternano in un variegato flusso di coscienza dai finali imprevedibili. Piene di colore, di profumi e di sapori le righe dedicate a Napoli, celebrata così da Mastroianni: Io amerei vivere su un pianeta tutto napoletano, perché so che ci starei bene, Napoli va presa come una città unica, molto intelligente, Napoli è troppo speciale, quindi non la possono capire tutti... Giangiorgio Cesarini è nato a Perugia il 19 settembre 1958, giorno dedicato a San Gennaro, ed è poi cresciuto a Napoli. Laureato in Agraria presso l'Università di Perugia nel 1983 e in Giurisprudenza presso l'Università di Bologna nel 2006, ha vissuto anche a Roma, a Milano e a Madrid. Ha lavorato come agronomo, dirigente industriale e insegnante e, dal 2009, è avvocato del Foro di Bologna dove abita, dividendo il suo tempo tra il capoluogo emiliano, il borgo medievale di Panicale, affacciato sul Trasimeno e la splendida Polignano, a picco sull'Adriatico.

Italian motorcycles have a place in history – and many enthusiasts' hearts – out of all proportion to the numbers that have been built. From Moto Guzzi becoming the first non-British marque to win a TT through to Ducati's achievements in MotoGP, they have also been at the forefront of motorsport despite being far smaller than, at first, the British and later the Japanese manufacturers. If the number of motorcycles built by Italian manufacturers is small, the sheer number of Italian motorcycle factories will surprise readers. Almost 600 marques were identified in researching this book, and there may have been thousands. This is partly because there were so many engines available off the shelf – many of them English – as well as a thriving accessory and component industry. A–Z of Italian Motorcycle Manufacturers only deals briefly with the grand marques Ducati and Moto Guzzi because there have been many dedicated books about them. Instead this is a definitive guide to the factories that have been less widely covered or, in most cases, never before in the English language. Some, such as Bianchi and Garelli, might be familiar: others, remembered for their racing achievements or uniqueness, such as Morbidelli, and many you may have never heard of. But if it was possible to establish when and where the factories were active, and at least a little about the motorcycles they built, then there is an entry for them. An appendix lists the other manufacturers that are lesser known, making this the most complete reference book of Italian motorcycles available today. This book is a complete guide to Italian motorcycle manufacturers, and an essential reference for anyone with an interest in these fascinating vehicles. Scarciafratta è una Macondo d'Abruzzo. Inerpicata tra i crinali dell'Appennino, è un teatro di fantasmi e di visioni. Un terribile terremoto, la Cosa Brutta, l'ha svuotata. Le case sono ridotte a pietre che rotolano e si sfarinano, ma continuano a parlare. Sulla Rocca resiste per anni soltanto un uomo, Mengo, seduto su unuscio sotto un cencio di luna insieme a Sciambricò, un cane pastore di quindici anni dagli occhi chiari. Scavando tra le macerie della scuola ha trovato i quaderni dei bambini, e anche un registro dell'Ufficio anagrafe che un impiegato «sfastognato di timbri a bollo tondo e di certificati» aveva riempito di nomi, date, nascite, morti e sposalizi, di tutte le storie perdute del paese. Alla fine della sua vita, per «ridare voce a quelli sommersi dalla morte», Mengo le trascriverà una per una, a Villa Adriatica, la casa di riposo dove viene ricoverato. Fino all'alba del 21 luglio 1969, quando Neil Armstrong e Edwin Aldrin sbarcano sulla luna, e lui termina di scrivere l'ultima lettera. Proseguendo lungo il sentiero inaugurato da Vita, morte e miracoli di Bonfiglio Liborio, in questo romanzo corale Remo Rapino continua a raccontarci tra risa e lacrime l'epopea degli ultimi, degli «spasulati» e dei folli della sua regione, e a restituire la dignità di un nome a chi è stato derubato anche della memoria.

Un pastorello che trascorse la sua adolescenza e parte della gioventù appresso al gregge di pecore. Diventato ragazzo capì che doveva cercare fortuna fuori dal suo paese, per sbarcare il lunario. Partì in continente, dove si sentiva straniero, pur essendo in Italia. Convinto di trovare un po di fortuna, trovò invece, scorni e dissapori fra gli astii della gente che non era la sua gente di Leni. Tornato al suo mondo, si accorse che la vera fortuna si trova sempre tra propria gente e con una famiglia tutta sua.

¿QUÉ SIGNIFICA SER UN HOMBRE? LA GRAN NOVELA GANADORA DEL PREMIO STREGA «Las 1.300 páginas de La escuela católica es lo mejor que he leído en años.» Ignacio del Valle ¡Qué sencillo y bonito habría sido no tener sexualidad! Un grupo de antiguos alumnos de una prestigiosa escuela privada cometen un crimen brutal. En la misma época, Edoardo Albinati también estudiaba en esa escuela de sacerdotes católicos. Durante cuarenta años ha guardado el secreto de aquella mala educación, y ahora lo afronta sin tapujos. El resultado es una novela extraordinaria, que trata del sexo, la religión y la violencia, del dinero, la amistad y la venganza, ganadora del prestigioso Premio Strega. Una lectura estremecedora de la que no se sale indemne. «Una obra de ficción maximalista comparable con la de Knausgård, Bolaño o Ferrante.» Jonathan Galassi, editor de Farrar, Straus and Giroux «1.296 páginas ¿son demasiadas? Para una novela, casi siempre lo son. Pero si se trata de una tentativa de comprender el mundo, como en el caso del libro de Albinati, entonces no. Entonces son pocas. Demasiado pocas. [...] No es solo un libro importante, sino grandioso. Una narración absolutamente original que se convertirá en una referencia de la creación literaria de nuestro tiempo.» Francesco Piccolo, Il Corriere della Sera La crítica ha dicho... «Una obra de ficción maximalista comparable con Knausgård, Bolaño o Ferrante.» Jonathan Galassi, editor de FSG (EE UU) «No dejen de leerla porque es un exactísimo Vía Crucis filosófico y vital que estigmatizará para siempre la memoria de quien lo lea.» Sonia Fides, Heraldo de Aragón «Hay biografía y crónica, ensayo y novela en La escuela católica. Hay una historia casi confesional y un dardo contra lamasculinidad, una crítica feroz a una sociedad machista y obcecada en reservar a las mujeres rincones muy concretos.» Jorge Raya Pons, The Objective «La hibridez del libro de Albinati es máxima, superlativa, [...] todo en medio del desconcierto y la fascinación que produce su lectura.» Agustín Squella, The Clinic «Una calidad prosística que sobrepasa muchos de los límites habituales en la literatura contemporánea. [...] Una novela que se saborea y que duele; un título que es, al tiempo, complejo y excitante; una lectura que abrumba y acompaña; un ejercicio sublime de desnudez masculina.» Raquel Jiménez Jiménez, Zenda «Un libro como un río largo, de aguas rápidas, con sus meandros, sus curvas, sus remansos, pero con la turbulencia bajo las aguas.» Winston Manrique Sabogal, The Huffington Post «No es solo un libro importante, sino grandioso. Una narración absolutamente original que puede convertirse en una referencia de la creación literaria de nuestro tiempo.» Francesco Piccolo, Il Corriere della Sera («La escuela de Albinati es el mundo») «La novela de Albinati recuerda las grandes obras de Musil o de Thomas Mann.» La Repubblica «La escuela católica nos recuerda

que la literatura todavía existe.» Serena Dandini «Una novela elefantiásica, sostenida en la exploración de la masculinidad y, al mismo tiempo, ejercicio memorialístico y expiatorio de los que dejan a autor y lector tan extenuados como purificados.» Antonio Lozano, La Vanguardia «Un intento por comprender el mundo y hallar la manera de permanecer en él [...] como lo hizo Bolaño con su inmensa 2666 o Knausgård en Mi lucha.» Ángeles López, La Razón «Después de San Agustín y de Rousseau, Edoardo Albinati se confiesa, desnuda su adolescencia y desgrana cuánto de erróneo y de perverso hay en la educación en una escuela católica» Esteve Botella (librería Llar del llibre), La Vanguardia «Mucho más que una novela: es un tratado persuasivo, exhaustivo, a veces incluso exasperante, sobre la naturaleza humana. [...] Si les interesa saber, si les interesa entender, no se pierdan estas minuciosas y valientes páginas.» Héctor Abad Faciolince
