Writing on the Wall Madeleine Pelling,2024-03-28 'Fascinating ... not only a history of graffiti, but also a history of the 18th century through lost voices of the people who lived through it.' The Times What if walls could talk? For historian Madeleine Pelling, they can - if you know where to look. A brilliant new cultural history of the long eighteenth century, *Writing on the Wall* is told through the marks its citizens left behind, bringing into focus lost voices from the highest to the lowest in society. From the centre of London to the islands of the Caribbean, Pelling goes in search of graffiti, evidence of how ordinary people experienced the world-changing events that defined their lives - from political prisoners to sex workers, homesick sailors, Romantic poets and the artisans of the industrial revolution. Here are lives, loves, triumphs and failures, scratched into the walls of prisons and latrines, chalked up on doors and etched into windows. The names of their creators may be lost to history, but together they tell the real story of Britain's most rebellious and transformative century.

Lawyers! Lawyers! Lawyers! S. Gross,1994-12-31 Whether they deserve it or not, lawyers bear the brunt of some of the most contemptuous--and dead-on hilarious--cartoons ever committed to paper. *LAWYERS! LAWYERS! LAWYERS!* showcases the best of these, and makes the perfect gift for lawyers, law school grads, legal secretaries, paralegals, and the millions of others who work with or live with a lawyer.

The Sacred Is the Profane William Arnal,Russell T. McCutcheon,2013 *The Sacred is the Profane* collects nine essays by William Arnal and Russell McCutcheon that advance current scholarly debates on secularism-debates. The essays return, again and again, to the question of what religion—word and concept—accomplishes, now, for those who employ it, whether at the popular, political, or scholarly level. The focus here is on the efficacy, costs, and the tactical work carried out by dividing the world between religious and political, church and state, sacred and profane.
