contribute to your retirement, this book is for you. I have come to realize that creating multiple streams of passive income is one of the best ways to become wealthy. The method that I prefer is by entering into rental real estate investing. When I came to America as a young man, my uncle mentored me in the ways of business. I learned under his watchful eye all about how to invest in and manage rental properties to create a steady and positive cash flow. You could say that I feel like I have been in this business my whole life. The goal of my book is to teach you how to go about getting started buying, fixing up, and renting residential properties for profit. I wrote the book to approach the absolute beginner to make the process as easy as possible for someone just starting out. This book should give you a firm grasp on the overall industry, processes, terminology, and best practices involved in the rental property business. Even if you have little seed money to get started, you can invest in real estate. Renting houses, apartments, duplexes, even single rooms, or storage space can be lucrative and does not take as much day-to-day management as you might think. You will learn all about making passive income with rental properties. This book will give you a starting point for beginning a profitable business. In my book, you will learn: Ways to buy houses as rental properties All about different methods of obtaining a loan to start: FHA, USDA, VA loans How to use your own starter funds with your IRA or 401K accounts Understanding the property rental business with terminology and how the process works Specific reasons why you should enter into the real estate rental

When has whining about the supposedly unavoidable circumstances that led to your great debt ever paid down your principle? Has complaining about how taxes and Social Security have kept you from building up any kind of decent savings account ever increased your quarterly statements? Then stop your whining and deflecting and get to work on that financial freedom you've always dreamed of. Soldier of Finance is a no-nonsense, military-style training manual to overcoming financial obstacles and building lasting wealth. Author, army veteran, and Certified Financial Planner(TM) Jeff Rose modeled this financial survival guide on the Soldier's Handbook that is issued to all new US Army recruits. Inside the 14 modules that Rose used to systematize his essential elements of financial success, you will learn how to:

- Evaluate your position and commit to change
- Target and methodically eliminate debt
- Clean up your credit

report • Create tactical budgets • Build emergency savings • Invest for the short and long term • Determine an affordable mortgage size • And more Complete with tales from the trenches, useful quizzes, debriefings, and more, Soldier of Finance is the strategy manual and survival guide you need to win victory over your debt and bring order and prosperity to your life.

Through a combination of factors, such as historically debilitating apartheid laws and a lack of financial education, many South Africans are crippled by generational poverty, where liabilities (like black tax) are inherited instead of assets. Change requires converting consumers into investors, spenders into savers, and equipping our nation with world-class financial principles. Author, educator and property expert Laurens Boel sets out every step of the wealth-generation process, including how the rich think differently from the poor, how the economy works and how to earn passive income through side hustles, as well as insider secrets on how to grow and protect your wealth. The book focuses strongly on property investing as a foundation for wealth. The reader will be armed with secrets to investing in South Africa's lucrative property market, such as finding below-market-value deals, leveraging other people's money (OPM) and utilising structures for tax efficiency. There is also advice on wealth-generation strategies like trading and starting a business. Millionaire in the Making is a must-read for anyone looking to improve their financial situation, as well as experienced investors looking to polish their portfolios so that they can build wealth not only for themselves,

Learn to harness the power of paper with this introduction the note investing business! Read the author's story of his investing journey; first as a Realtor, then a rehabber, then an investor, commercial real estate fundraiser, and finally as a note fund founder and manager. Dave Van Horn has done it all and details his wins and mistakes along the way. Learn first-hand how the concept of note investing in some way, shape, or form has helped to build the author's portfolio and investing habits, while also taking him to the next stage of the game. Walk away from the book with the realization that everyone is in the note business (whether it's through a mortgage, a credit card, car loan, etc.) and that it pays big time to get from the side of the borrower to the side of the note owner. By doing so, one can improve their real estate business, diversify or add to their investment portfolio, and even gain true financial freedom.

while you sleep—doing the kind of work you can do part-time, from your own home, using little or none of your own money, with few or no employees, using simple, proven systems that really work. Now in paperback, *Multiple Streams of Income* is the investment bible for the savvy entrepreneur.

With more than a million copies in print, Robert Allen's *Nothing Down for the '90s* has probably helped more people achieve success in real estate than any book in history. Countless numbers of his readers are now financially independent and many actual millionaires attribute their wealth to his techniques. Why has this blockbuster bestseller been so successful? The answer is simple: it works! Now, in one of the most practical books you'll ever read, Robert Allen has created effective new wealth strategies for investing in real estate. Real estate remains the one reliable investment in which profits can be made consistently, no matter where you live. Whether employment figures and stock prices are high or low, the real estate market never dries up -- it is one of the most dynamic income-producing vehicles ever created. The demand for housing will continue to be strong in most areas of the country for the foreseeable future. There will, of course, always be plenty of foreclosures, which are great opportunities to purchase properties cheaply. And, finally, mortgage qualification today is simpler than ever, with new mortgage packages that did not even exist twenty years ago.

Two million dollars. That's how much money anyone under age 40 will need to accumulate to retire. That often means working 40-hour-weeks and penny-pinching your whole life. How else could you save a cool \$2 mil? Finance guru, former financial advisor, and Amazon bestselling author of Money Honey, Rachel Richards has one goal in mind: teaching you everything you need to know to become financially free earlier than you ever thought possible. At age 27, Rachel quit her job and retired, living off \$10,000+ per month in passive income streams. Let her show you how to do it at any age--it's never too late. What is passive income? Passive income is earned with little to no ongoing work. It's no get-rich-quick scheme, but once your passive income exceeds your expenses, you are set for life. In a refreshingly realistic how-to guide, Rachel serves up 28 tried and true passive income stream models, helping you to: Achieve "Financial Independence, Retire Early" without penny-pinching Create consistent, long-term residual income (the non-multi-level-marketing way), so you can live life on your terms Have the flexibility to work when, where, and if you want Say "goodbye" to your 9-5, and create

producing opportunities and narrowed them down to ten surefire moneymakers anyone can profit from. This revised edition includes a new chapter on a cutting-edge investing technique. Popular speaker, multimillionaire, and author of the all-time bestselling real-estate book *Nothing Down*, Robert G. Allen knows how to bring you financial success. With his seminars sweeping the nation, Allen is at the cutting edge of strategic wealth creation now more than ever. And in this completely revised edition of his classic bestseller *Creating Wealth* Allen gives you the basic principles that you need to stop thinking poor and start growing rich. Moving beyond just real estate, Allen goes straight to the core of people's inner motivations and beliefs about money to give you all the fundamentals of wealth creation. By developing a wealthy mind-set, anyone can take off into financial self-reliance -- and Allen shows you how. He explains the ways in which most of us have been programmed to think that only saving is good and debt and risk are bad, so that in our efforts to gain security, we cheat ourselves out of getting rich. The key to changing that mind-set is Allen's unique integration of real estate with other wealth-generating investments. In his trademark, easy-to-understand style Allen spells out all his practical applications and shows you how to: Take advantage of recent tax laws Use leverage to multiply holdings while minimizing risks Benefit from high-yield discount mortgages Acquire long-term profits in gold and silver coins Set up corporations and trusts to protect assets Find the highest rate of return with the greatest liquidity As Robert Allen has proved in his own life -- becoming a multimillionaire well before he was thirty-five -- it doesn't matter how much or how little money you have when you start as long as you understand the right principles -- timeless principles that can make you a fortune.
