Glitter and Glue Kelly Corrigan, 2015-02-17 NEW YORK TIMES BESTSELLER • A memoir from the author of *The Middle Place* about mothers and daughters—a bond that can be nourishing, exasperating, and occasionally divine. When Kelly Corrigan was in high school, her mother neatly summarized the family dynamic as “Your father’s the glitter but I’m the glue.” This meant nothing to Kelly, who left childhood sure that her mom—with her inviolable commandments and proud stoicism—would be nothing more than background chatter for the rest of Kelly’s life, which she was carefully orienting toward adventure. After college, armed with a backpack, her personal mission statement, and a wad of traveler’s checks, she took off for Australia to see things and do things and Become Interesting. But it didn’t turn out the way she pictured it. In a matter of months, her savings shot, she had a choice: get a job or go home. That’s how Kelly met John Tanner, a newly widowed father of two looking for a live-in nanny. They chatted for an hour, discussed timing and pay, and a week later, Kelly moved in. And there, in that house in a suburb north of Sydney, 10,000 miles from the house where she was raised, her mother’s voice was suddenly everywhere, nudging and advising, cautioning and directing, escorting her through a terrain as foreign as any she had ever trekked. Every day she spent with the Tanner kids was a day spent reconsidering her relationship with her mother, turning it over in her hands like a shell, straining to hear whatever messages might be trapped in its spiral. This is a book about the difference between travel and life experience, stepping out and stepping up, fathers and mothers. But mostly it’s about who you admire and why, and how that changes over time. Praise for *Glitter and Glue* “I loved this book, I was moved by this book, and now I will share this book with my own mother—along with my renewed appreciation for certain debts of love that can never be repaid.”—Elizabeth Gilbert, New York Times bestselling author of *Eat, Pray, Love* “Kelly Corrigan’s thoughtful and beautifully rendered meditation invites readers to reflect on their own launchings and homecomings. I accepted the invitation and learned things about myself. You will, too. Isn’t that why we read?”—Wally Lamb,

New York Times bestselling author of *We Are Water* “Kelly Corrigan is no stranger to mining the depths of her heart. . . . Through her own experience of caring for children, she begins, for the first time, to appreciate the complex woman who raised her.”—O: The Oprah Magazine

Made by Dad Scott Bedford, 2013-05-07 The Snail Soup Can Decoy to keep the candy stash safe. The Customizable “Keep Out” Sign to deter meddlesome siblings and parents. A Bunk Bed Communicator made from cardboard tubes (“Psst! Can you keep the snoring down?”). Clever, whimsical, and kind of genius, here are 67 unique projects that will turn any dad with DIY leanings into a mad scientist hero that his kid(s) will adore. No screens, no hi-tech gadgetry. *Made by Dad* combines the rough-edged, handmade ethos of a Boy Scout manual or *The Dangerous Book for Boys* with a sly sense of humor that kids love. Scott Bedford, a creative director by day and Webby Award-winning blogger by nights and weekends, wields an X-ACTO knife, magic marker, and prodigious imagination to create endlessly delightful projects for his two sons. He knows that kids like contraptions and gadgets, things that are surprising—a chair that appears to be balanced on eggshells. Things that are complex—a multilevel city, with buildings, tunnels, and roads, built from old boxes around the legs of a table. And especially things with humor—the Snappy Toast Rack, made to resemble a crocodile’s gaping mouth. The projects are shown in full-color photographs, and the instructions are illustrated in detailed line drawings that exude personality. Some are quick and simple enough to be done in a coffee shop; others are more of an afternoon project—yielding hours and hours of rich, imaginative playtime.

The Fix-It Man Dimity Powell ,2017-03-01 It's handy having a dad who can fix just about anything. A young girl believes her father is the king of fixing things. But following the death of her mother, she discovers that broken hearts are not as easy to repair as damaged toys and cracked teapots. Together, she and her father find a way to glue back the pieces of her lives. *The Fix-It Man* is a poignant picture book that explores how a child can cope with the loss of a parent (in this case, the young girl's mother). Repairing damaged emotions is not as straightforward as gluing a broken kite back together or sewing up a torn toy. And grief affects all members of a family, with each responding in their own way to the loss. By sticking with her father, the young girl is able to strengthen her resilience and ability to cope with one of life's harshest experiences. The author was encouraged to seek publication for this story after receiving the endorsement of several grief counsellors who work with children and who recognised the need for a book such as this.

Isolina Ricci's *Mom's House, Dad's House* has been the gold standard for inspiring and supporting divorcing and remarrying parents for more than twenty-five years. With her new book, Dr. Isa adapts her time-tested advice on maneuvering the emotional, logistical, and legal realities of separation, divorce, and stepfamilies to speak directly to children. Alongside practical ways to cope with big changes she offers older children and their families key resiliency tools that kids can use now and the rest of their lives. Kids and families are encouraged to believe in themselves, to take heart, and to plan for their lives ahead. *Mom's House, Dad's House for Kids* is packed with practical tips, frank answers, easy-to-use lists, "train your brain"

Kids can't get their parents back together, but they can help themselves get stronger and go on to succeed in life. This book shows them how.

Or so the hospital informs her when Mrs Shapiro has an accident and names Georgie next of kin. I Have Two Homes Colleen LeMaire,2014-03-04 An age appropriate story that navigates the concept of having a Mom's house and a Dad's house. This book takes the negative emotion out of the equation and assures the reader that living in two homes does not make them an outcast. The story emphasizes that a child with two homes is loved by both Mom and Dad no matter what, and that love is what makes each family special.

Two Homes Claire Masurel,2014-03-25 Parents looking for a book about separation or divorce will find few offerings as positive, matter-of-fact, or child-centered as this one. . . . Simple, yet profoundly satisfying. – Booklist (starred review) At Mommy's house, Alex has a soft chair. At Daddy's house, Alex has a rocking chair. In each home, Alex also has a special bedroom and lots of friends to play with. But whether Alex is with Mommy or with Daddy, one thing always stays the same - Alex is loved. The gently reassuring text focuses on what is gained rather than what is lost when parents divorce, while the sensitive illustrations, depicting two unique homes in all their small details, firmly establish Alex's place in both of them. Two Homes will help children - and parents - embrace even the most difficult of changes with an open and optimistic heart.
