NATIONAL BESTSELLER The true story of two African-American brothers who were kidnapped and displayed as circus freaks, and whose mother endured a 28-year struggle to get them back. The year was 1899 and the place a sweltering tobacco farm in the Jim Crow South town of Truevine, Virginia. George and Willie Muse were two little boys born to a sharecropper family. One day a white man offered them a piece of candy, setting off events that would take them around the world and change their lives forever. Captured into the circus, the Muse brothers performed for royalty at Buckingham Palace and headlined over a dozen sold-out shows at New York's Madison Square Garden. They were global superstars in a pre-broadcast era. But the very root of their success was in the color of their skin and in the outrageous caricatures they were forced to assume: supposed cannibals, sheep-headed freaks, even "Ambassadors from Mars." Back home, their mother never accepted that they were "gone" and spent 28 years trying to get them back. Through hundreds of interviews and decades of research, Beth Macy expertly explores a central and difficult question: Where were the brothers better off? On the world stage as stars or in poverty at home? TRUEVINE is a compelling narrative rich in historical detail and rife with implications to race relations today.

If you think Joan Rivers said funny, outrageous, and ridiculous things ONSTAGE, wait 'til you read the funny, outrageous, and ridiculous things she said OFFSTAGE...things that will make you laugh out loud...and keep Melissa in therapy for the foreseeable future. The only thing my mother loved more than making people laugh was lying...or as she'd say, "embellishing." Her motto was: "Why let the truth ruin a good story?" This book contains some of those stories. ***** "When Joan told a story, the truth disappeared faster than I did." — Jimmy Hoffa "If you thought Dante's *Inferno* was hot, read *Lies My Mother Told Me*; it's a five-alarm." — Dante's second wife, Allie "Twelve of my twenty-six personalities loved this book." — Sybil "The words on the page absolutely crackle and spark; I burned my fingers reading it!" — Annie Sullivan "The Bible may be the good book, but *Lies My Mother Told Me* is way funnier." — Matthew 2:14 The Jets. 7 "Lies My Mother Told Me is the feel-good book of 2022." — Torquemada "All's not well that ends well. I've had massages with happier endings." — Wm. Shakespeare "Melissa, I don't care what your mother said in this book, I LOVE your bangs." — Mamie Eisenhower "Lies My Mother Told Me is so funny even those 'woke' m*****s will laugh." — Lenny Bruce

#1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A "brilliant" (Lupita Nyong'o, *Time*), "poignant" (*Entertainment Weekly*), "soul-nourishing" (*USA Today*) memoir about coming of age during the twilight of apartheid "Noah's childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa's history that must never be forgotten."—*Esquire* Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by *The New York Times*, *USA Today*, *San Francisco Chronicle*, *NPR*, *Esquire*, *Newsday*, and *Booklist* Trevor Noah's unlikely path from apartheid South Africa to the desk of *The Daily Show* began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and

searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.

This heart-wrenching memoir from Toni Maguire tells the deeply moving story of an idyllic childhood that masked a terrible truth. Underneath her mother's gentility and her father's roguish charm lay horrifying secrets, which eventually led to their only child's near destruction. The first time her father made an improper advance on Toni, she was six years old. Her father warned her not to tell her mother, or anyone else, because they would blame her and wouldn't love her any more. It had to remain 'our secret.' When she finally built up the courage to tell her mother what had happened, she was told never to speak of the matter again. With no one to turn to, isolated and alone in rural Ireland, the abuse continued unhindered. At fourteen Toni fell pregnant by her father, and when her state was discovered she was made to have a late abortion which almost killed her. The truth of her childhood could no longer be kept hidden but, just as her father predicted, Toni found herself judged and rejected by her family, teachers and friends. The blame and anger she was treated with only worsened when her father was sent to prison as a result of his actions. This is the compelling story of her struggle to put the ghost of her childhood to rest, and emerge ultimately triumphant.

Drawing on real historical documents but infused with the intensity of imagination, sly humor, and intellectual fire for which award-winning author Rivka Galchen's writing is known, *Everyone Knows Your Mother Is a Witch* is a tale for our time—the story of how a community becomes implicated in collective aggression and hysterical fear. The year is 1619, in the German duchy of Württemberg. Plague is spreading. The Thirty Years War has begun, and fear and suspicion are in the air throughout the Holy Roman Empire. In the small town of Leonberg, Katherina Kepler is accused of being a witch. An illiterate widow, Katherina is known by her neighbors for her herbal remedies and the success of her children, including her eldest, Johannes, who is the Imperial Mathematician and renowned author of the laws of planetary motion. It's enough to make anyone jealous, and Katherina has done herself no favors by being out and about and in everyone's business. So when the deranged and insipid Ursula Reinbold (or as Katherina calls her, the Werewolf) accuses Katherina of offering her a bitter, witchy drink that has made her ill, Katherina is in trouble. Her scientist son must turn his attention from the music of the spheres to the job of defending his mother. Facing the threat of financial ruin, torture, and even execution, Katherina tells her side of the story to her friend and next-door neighbor Simon, a reclusive widower imperiled by his own secrets. Provocative and entertaining, Galchen's bold new novel touchingly illuminates a society, and a family, undone by superstition, the state, and the mortal convulsions of history.

"Not for the faint of heart, Long's story is a gritty, grueling, and heartbreaking testament to one girl's unbreakable spirit."—Publishers Weekly, starred review When Martha Long's feckless mother hooks up with the Jackser ("that bandy aul bastard"), and starts having more babies, the abuse and poverty in the house grow more acute. Martha is regularly sent out to beg and more often steal, and her wiles (as a child of 7, 8) are often the only thing keeping food on the table. Jackser is a master of paranoid anger and outburst, keeping the children in an unheated tenement, unable to go to school, at the ready for his unpredictable rages. Then Martha is sent by Jackser to a man he knows in exchange for the price of a few cigarettes. She is nine. She is filthy, lice-ridden, outcast. Martha and Ma escape to England, but for an itinerant Irishwoman finding work in late 1950s England is a near impossibility. Martha treasures the time alone with her mother, but amazingly Ma pines for Jackser and they eventually return to Dublin and the other children. And yet there are prized cartoon magazines, the occasional hidden penny to buy the children sweets, the glimpse of loving family life in other houses, and Martha's hope that she will soon be old enough to make her own way. Virtually uneducated, Martha Long is natural-born storyteller. Written in the vernacular of the day, the reader is tempted to speak like Martha for the rest of a day (and don't let me hear yer woman roarin' bout it neither). One can't help but cheer on this mischievous, quick-witted, and persistent little girl who has captured hearts across Europe.
