For the first-time visitor to the Wies'n (a meadow near Munich's center dedicated to the festival), Oktoberfest can be a little overwhelming. Fortunately, Moses Wolff hasn't missed a day of Oktoberfest in years, and he knows the festival like the back of his hand.

New York Times bestselling author of How to Travel the World on \$50 a Day, Matthew Kepnes knows what it feels like to get the travel bug. Filled with the color and perspective that only hindsight and self-reflection can offer, these stories get to the real questions at the heart of wanderlust. Travel questions that transcend the basic "how-to," and plumb the depths of what drives us to travel — and what extended travel around the world can teach us about life, ourselves, and our place in the world. Hike up your lederhosen and get a move on in München. Munich is the capital of one of the oldest states in Europe so naturally its affinity with tradition runs deep. Yet, as well as having one foot in the old world, this southern German city has another firmly planted in the new - and that's part of its undeniable charm. This happy balance, along with a strong and stable economy, encourages entrepreneurialism, attracts big business and is increasingly fostering creativity. The Monocle Travel Guide to Munich will help you navigate the cross-section of history and modernity. We'll point you in the direction of our favourite emerging and established familyrun hotels and steer you towards the lively kitchens serving the best Bavarian classics. We'll also map out the postwar modernist structures and rococo landmarks worth seeing and recommend where you should grab your culture fix, from a Florentine-style 19th-century villa to a former power plant. Of course, no tour of the Bavarian capital would be complete without a stopover (or two) at one of its jolly Biergärten - just be sure to pick up your Tracht from one of the city's specialist retailers first.
