FANS OF MAURICE SENDAK'S CALDECOTT MEDAL-WINNING WHERE THE WILD THINGS ARE WILL LOVE THE BIG GREEN BOOK—NOW BACK IN PRINT! A little boy named Jack discovers a big green book of magic in the attic and learns all sorts of spells—spells to change the look of things, spells to make him old and gray or disappear entirely! Jack makes the most of his new magic powers, and his poor old aunt and uncle are quite bewildered. This enchanting tale by noted British author Robert Graves is masterfully illustrated by Maurice Sendak, seven-time Caldecott Honor recipient, National Book Award winner, and the Caldecott Medal-winning creator of *Where the Wild Things Are*.

A new, and dramatically improved, three-pronged approach to learning Spanish vocabulary *The Big Red Book of Spanish Vocabulary* is much, much more than a Spanish vocabulary reference! This unique and complete resource combines three complementary approaches to vocabulary building—cognates, root families, and suffixes—to instantly increase word familiarity and aid memorization. Whether for active face-to-face communication or passive comprehension of written or spoken words, an in-depth knowledge of vocabulary is the key to foreign language mastery. *The Big Red Book of Spanish Vocabulary* makes acquiring this mastery simpler and more straightforward than ever before by providing: An extensive thematic list of Spanish cognates and an alphabetic glossary of Spanish root families—both with more than 14,000 entries A comprehensive listing of the 130 most common Spanish suffixes, with 4,000 common examples A frequency index listing the 5,000 most frequently used words in Spanish An alphabetic index cross-referencing every entry in the root, suffix, and frequency sections This charming series has been specifically designed for babies. A great introduction to books through well-known nursery rhymes and interactive text. Singing songs and rhymes is the perfect way to bond with your baby and share quality time. It also aids language development by introducing them to the natural sounds and patterns of speech. Combining these with actions also stimulates the brain and helps muscle development.
