stitches under each system. All crochet patterns in this book are written in U.K. and European terms. U.S. crocheters must take care that they work the correct stitches. One way to tell which system is being used in other patterns is that the American system starts with a single crochet, which the U.K. system doesn't have; so patterns with "sc" in them can be identified as American patterns.

Almost 800,000 copies later, we are happy to say we have given it a brand-new face without messing with the time-tested content. These paper people wear their clothes with the help of reusable, press-on, peel-off adhesive dots -- no tabs! The dolls, clothes, and accessories are perforated, ready to pop right out and play. Six reversible paper dolls in a variety of skin tones come

with the book. Half of them have pre-printed faces, and the other half are ready to be customized. There are bunches of reversible clothes, shoes, and hairstyles that make exactly one jillion different combinations. (We counted.) Of course, any fashion expert will tell you that accessories are the key to snappy dressing, so we've provided plenty of them, from hats to sunglasses to soccer balls to tiaras. To round out the family, three baby paper dolls and a few paper pets are also included. Artists from around the globe were commissioned to create six beautifully illustrated backdrop scenes. Prop open the book to one, and your dolls are transported to a beach, ballroom, theatrical stage, neighborhood park, winter wonderland, or only-slightly-messy kids' bedroom. In the back of the book is a nifty portfolio-pocket armoire, providing plenty of wrinkle-free storage for the dolls, clothes, and accessories after they've been punched out. The Fabulous Book of Paper Dolls is a fabulous introduction to a classic activity -- now freshened up for a whole new generation.
