Chinatown Pretty features beautiful portraits and heartwarming stories of trend-setting seniors

## Read Book My Facebook For Seniors

across six Chinatowns. Andria Lo and Valerie Luu have been interviewing and photographing Chinatown's most fashionable elders on their blog and Instagram, Chinatown Pretty, since 2014. Chinatown Pretty is a signature style worn by pòh pohs (grandmas) and gùng gungs (grandpas) everywhere—but it's also a life philosophy, mixing resourcefulness, creativity, and a knack for finding joy even in difficult circumstances. • Photos span Chinatowns in San Francisco, Oakland, Los Angeles, Chicago, New York City, and Vancouver. • The style is a mix of modern and vintage, high and low, handmade and store bought clothing. • This is a celebration of Chinese American culture, active old-age, and creative style. Chinatown Pretty shares nuggets of philosophical wisdom and personal stories about immigration and Chinese-American culture. This book is great for anyone looking for advice on how to live to a ripe old age with grace and good humor—and, of course, on how to stay stylish. • This book will resonate with photography buffs, fashionistas, and Asian Americans of all ages. • Chinatown Pretty has been featured by Vogue.com, San Francisco Chronicle, Design Sponge, Rookie, Refinery29, and others. • With a textured cover and glossy bellyband, this beautiful volume makes a deluxe gift. • Add it to the shelf with books like Humans of New York by Brandon Stanton, Advanced Style by Ari Seth Cohen, and Fruits by Shoichi Aoki.

Enjoy the top social media sites with ease and security Done correctly, social media is a way to connect friends, family, and the world while still maintaining security and privacy. Facebook, Twitter, & Instagram For Seniors For Dummies, 3rd Edition offers advice on how to enjoy the three most popular social media options while avoiding worry about who sees what you share. Written by social media expert Marsha Collier, this book walks you through establishing accounts, making connections, and sharing content including photos and video. You learn the

## Read Book My Facebook For Seniors

settings to adjust on each platform to maintain privacy and filter out the content you don't want. This book also explains the subtle art of avoiding or blocking people on social platforms without jeopardizing your real-world relationships! Take control of what you share Connect with others Take and share your best pictures Use social media as a news source Social media sites are great fun once you learn how to cut through the clutter—and this book shows you how! This book provides insight into the primary issues faced by older adults; the services and benefits available to them; and the knowledge base, techniques, and skills necessary to work effectively in a therapeutic relationship. Dr. Kampfe offers empirically and anecdotally based strategies and interventions for dealing with clients' personal concerns and describes ways counselors can advocate for older people on a systemic level. Individual and group exercises are incorporated throughout the book to enhance its practicality. Topics covered include an overview of population demographics and characteristics; counseling considerations and empowering older clients; successful aging; mental health and wellness; common medical conditions; multiple losses and transitions; financial concerns; elder abuse; veterans' issues; sensory loss; changing family dynamics; managing Social Security and Medicare; working after retirement age; retirement transitions, losses, and gains; residential options; and death and dying. \*Requests for digital versions from the ACA can be found on [wiley.com](http://wiley.com). \*To request print copies, please visit the ACA website here. \*Reproduction requests for material from books published by ACA should be directed to [permissions@counseling.org](mailto:permissions@counseling.org).

Be a new face on Facebook! If you're new to the Facebook user community, don't be shy: you're joining around 2.7 billion users (roughly two-and-a-half Chinas) worldwide, so you'll want to make sure you're being as sociable as possible. And with more functionality and ways to say hello—like 3-D photos and Video Chat rooms—than ever before, Facebook For Dummies is the perfect, informative companion to get and new and inexperienced users acquainted with the main features of the platform and comfortable with sharing posts, pictures (or whatever else you find interesting) with friends, family, and the world beyond! In a chatty, straightforward style, your friendly hosts, Carolyn Abram and Amy Karasavas—both former Facebook employees—help you get settled in with the basics, like setting up your profile and adding content, as well as protecting your privacy when you want to decide who can and can't see your posts. They then show you how to get involved as you add new friends, toggle your newsfeed, shape your timeline story, join groups, and more. They even let you in on ways to go pro and use Facebook for work, such as building a promo page and showing off your business to the world. Once you come out of your virtual shell, there'll be no stopping you! Build your profile and start adding friends Send private messages and instant notes Share your
