On the Caribbean coast of Nicaragua in 1926, U.S. expatriates manage fruit plantations, timber companies, and gold mines. When a stunning local woman named Dorette Fox entangles herself with two Americans, the desultory love triangle combined with an escalating civil war results in murder. Cordell Fletcher, a young officer from the U.S. consulate sent north from Bluefields to investigate the death, finds that the shooting is not over.

Welcome to the weirdest day of my life. My name is Jake and I'm just an average 6th grader that was invited to sit at the cool kids' lunch table. Now I've got to rescue a crazy girl who thinks she's a princess that's come to save me. Before I can do that, I'll be chased by an angry monkey, hunted by a hungry dinosaur, and abducted by an ugly alien (and that's not all)! I should mention that the princess thinks she's from another planet. Nothing weird about that. The only way I can make everything right is to find out what's behind the glowing door I've dreamed about every night of my life.

Sy Middleton, a teenager living in Manhattan, enters a secret world when he is initiated into Earth-tribe and becomes a Tribesman. In the Middle Realm, Tribesmen from Earth-, Fire-, Air- and Water-tribe train to enhance their powers and compete in monthly Lunar Festivals. The Zodiac Council has protected the Lower and Middle Realms from the Darkforce for thousands of years, but the balance of power has shifted, placing humanity at risk. The Darkforce has stolen the Book of Dreams. Sy and his friend Joshua Ryderson embark on a quest to find it...

Memoir of a heart-wrenching life of a little girl who made it through, though adult life got worse, even through six abusive marriages and lots of illnesses.

NALI By Esther Henry In an era of darkness, mystery, tropical jungles and cannibalism, Nali tries to buck the ancient traditions, only to find herself deeply entrenched in them. As a young girl full of dreams, she is given to a tribal elder in marriage and quickly learns that her girlhood dreams could be shattered overnight. The rain forest held a secret refuge that only Nali knew, where she took her dreams and her delusions. Will she be forced to succumb to a subservient role the rest of her life, or can she overcome the hopelessness that comes with isolation, ignorance and tradition? Deep in the heart of New Guinea lies the village of Mendoka, beautifully camouflaged from the rest of the world. Although the village has yet to be discovered, the outside world would soon have an influence on their lives. An interruption to their peaceful simplicity would both terrify them and cause them to search for answers. Readers will be able to follow the lives of those who lived in a much simpler time and become immersed in the culture that controlled their everyday existence.

Jade Lowry, the co-discoverer of the way out of the continent-covering Dome of Boucher's World, was kidnapped but managed to escape with the help of her soul-mate, Kendis Rost, and the doomed precog, S'tella. During the event, she and Kendis discover inexplicable differences about themselves as they go to the aid of their friends who are fighting with the minions of her kidnapper. Once she and Kendis get back to her home in Village Twelve, what does Lark, the Elwist Healer, and Sparrow, its precog vow-mate have to tell them that explain why they appear to be transforming into something that isn't quite Human?

In the final book of Ginger Voight's Groupie Trilogy, Andy and Vanni have returned to Los Angeles to prepare for the birth of their child. A reformed Ladies' Man, Giovanni Carnevale now embarks on a life of monogamy with the woman he loves, but the ghosts of his past still continue to haunt their newfound happiness. The Wilke family wants to see him pay for the damage he has done to their precious Baylee, who still lies in a vegetative state. For her brother, Donny, money will never be enough to make up for what Vanni has done, but that is where the Wilke family first seeks their revenge, demanding millions of dollars in restitution. To ensure he has enough money to make up for his mistakes as well as provide for his baby, Vanni takes on the job as judge for a new reality talent show called "Fierce," where he champions an unlikely contestant, proving him to be a man of substance more than anyone could have imagined. Graham tries to move on, but when he discovers that Andy is pregnant he cannot stop dreaming of what might have been. Maggie watches on helplessly, as hopelessly in love with him as he is with someone else. She considers moving on before he shatters what is left of her heart. The biggest threat to Vanni and Andy's Happily Ever After is Holly Neal, who returns to Los Angeles claiming to carry Vanni's baby. Graham and Andy suspect she is up to her old tricks, but Vanni knows truly turning over a new leaf means he has to do right by all the people he has wronged - including a child he may have conceived with another woman. In the end, it is Andy and their baby who may pay the biggest price of all for his sins, when Baylee's death sends her psychotic brother over the edge. Everything blows literally to pieces, forcing Vanni - and Graham - to give it all for the sake of love. She emerged as innocent as any newborn. The party of starbursts and sparkles came to a standstill. In awe, millions of heavenly beings paused. Shine Star, Princess of the Universe,

was the most precious and rare of all creations. As an expression of perfect happiness, thus was the king's daughter born. A magical love story unfolds in Vikrant Malhotra's wondrous debut, *The Stories of Goom'pa: Book One*. Meet Goom'pa. He is a Poofy, a small furry creature who resides on Earth in a place called Palidon, on the edge of the Miron National Forest. His world is a quiet one-until he spies Shine Star, a glorious star in the sky and the daughter of Prime Ray, the king of the universe. Enchanted by her elegance, Goom'pa knows he is willing to do anything to win the love of this celestial beauty. As the two meet and fall in love, Shine Star's father worries about his only daughter. Exploiting that concern is the Star Lord, Rath, who wants nothing more than to wrestle control of the universe away from Prime Ray. Will Goom'pa and Shine Star find a way to be together? Or will Rath's evil plan doom them all?

My name is Jonah Johnson and I'm in the 6th grade - but please call me Joe. My whole world made sense when a talking fox came back into it. He's in danger from hunters. Someone is paying them to wipe out all the animals in the forest. If that wasn't bad enough, I just got the worst report card and I'm afraid to tell my mom!

Who says having all your dreams come true is a good thing? Serenity Winters is taking the summer off. After her last year included crushing on the wrong guy (again), having her best friend move all the way across the country, and an unexpected loss she's still not prepared to deal with, she deserves it. And a visit to see Maia in California seems the perfect getaway. Beaches, bonfires and boys? Yes please! But Rennie's dreams aren't so easy to elude. Sketching what she can remember of them helps some, but her

drawings are taking on a life of their own and the dreams they represent are starting to come true. Enter Alex, who may or may not be perfect. (No, who is she kidding? He's perfect. Great hair, plus he can quote Hamlet and Yoda? Come on!) But Alex has secrets of his own, namely a hidden ability to transport himself through time using a book as a portal. Could it be that both Rennie and Alex are being drawn in to the same mystery? They better find out quickly, because her dreams are getting louder. And they know her by name.

In *33 Bits*, a gold charm bracelet tangibly records the adventure, friendships, love, and disappointment experienced by a young American woman during a life-changing journey to England.

Hi! My name is Melissa, and I'm in the 6th grade. I'm getting bullied at school and I don't know how to handle it. To make matters worse, I've got a crazy cat that can walk and talk like you and me. He thinks he's a superstar! I've got to save him after he makes a mistake that puts us all in danger! *My Cat Ate My Homework* is a funny fantasy for kids, teachers, and parents -- an enjoyable story that pulls in even reluctant readers.

Life is indeed a game that we all play to pass time; simply a series of days strung together, made up of how you planned or decided to spend the moments. Like any

game how well it is played or whether life's circumstances are interpreted accurately, then used to the best advantage, makes losers and winners to varying degrees. Senseless insanity is alive and well within the world. The world is awash with unruly forces, that if not intent upon harming you do desire to become a destabilising force, either temporarily or over the long term. We are all participants in a charade, how life evolves and turns out all depend on how well the game is played. It is not wise or ideal to treat life like a game of chance, a random roll of the dice that can determine unpredictable outcomes. The cost of success is the careful application of well thought out concepts and ideas. Like any game preparation is critical; understanding the rules, knowing how to manipulate the dynamics at play efficiently to ones own advantage, understanding the intricacies of the rules and how to capitalise upon or create opportunities, pursuing whatever circumstances are present to maximise whatever potential exists to the best advantage. The potential opportunities in life are only limited by the inability to firstly comprehend them and secondly to fully utilise personal abilities to maximise the potential that is available. Don't wait for special times to evolve, rather create them in accordance with your true desires to experience what you wish to make real. Much like any game, the game of life has things that can be obtained, or things that can be lost. How the game is played, the value of the stakes, the opposing factions all come to dictate an outcome, be that favourable or lacking any resemblance of being lucky. A life lived based upon any reliance on luck or fate being favourable is tempting

only to the over optimistic, or those extremely lucky ones or who were fortunate in the past and believe that good fortune will continue in the future. While it takes resources to control the world, the control of your own specific world environment is really within your potential to achieve. How you choose to control your world, as well as to what extent your desires are put into action, determine whether your life will meet your wishes or not. The amount of thought and energy you exhort, the persistence of that effort, all comes to determine whether and to what degree what you want is what you actually get. In life you may win or loose at times, it's basically just like playing a game; the right mentality is chancing the wheel of life by trusting and ensuring you will win just the same.

Amish fiction: Part II of the "Rebecca" trilogy begins where Part I, Rebecca at the Beach, leaves off. This is the story of what happens when two young adults, one Amish, the other not, meet in the sand and surf of Florida's only Plain community. Fiction. Young Adult. Spring break gets wild on the liveliest cruise in the Pacific until the undead crash the party. Eighteen- year-old Sylva Fleischer and her friends raise the dead for a living for police investigations and mourning families. Two years after her high school crush, a hot guy named Brandon, is assumed dead, Sylva's friends convince her to go on a spring break cruise in an effort to suppress her depression over him. But when passengers mysteriously die and reanimate into flesheating zombies like she's never seen before, Sylva plunges into a horrifying struggle between a ship

Another body in a string of ritualistic murders. A serial killer who's getting cocky. Detective Derek Childress thinks this day just can't get any worse. And then he meets his new partner. Investigator Kayle Perrine is a Variant: one of several races of once-thought mythical creatures who now live among and lord-over humankind. Led by a group of vampires called the Clan Gentry, the Variants protect their own, just as they did when Derek's previous partner was killed by one, nearly a year ago. Now that Perrine's on the case, Derek expects a cover-up. Kayle Perrine has worked his whole life to prove himself, but being paired up with a boorish mundane like Derek Childress is feeling more like punishment than reward. Derek is so blinded by his prejudice against Variants, that he refuses to see the evidence Kayle finds blatantly obvious. The sooner Kayle can close this case, the sooner he can go back home and forget about the infuriating human detective. A brutal attack forges a fragile truce between the two men, driving them together. Derek and Kayle must learn to trust and depend on each other while tempers flare and passions of every kind run hot between them. Yet as they begin

to grow closer, one fact continues to keep them apart: they are from different worlds. With time running out to solve this case, Derek and Kayle understand that love may not be enough to overcome prejudice, politics, and murder.

Not your typical letter book, this story uses the alphabet to express the hopes and desires we have for every young life. The words engage the reader and the rhythm entertains the young learner. The illustrations complement the story but also offer additional learning opportunities with the use of color, letters and animals. This story is more than just an alphabet book but a celebration of all the wonders of life.

The life force, also known as “spirit,” is the essence of being and the conscious and most important form of energy. Living energy is personal and within our conscious control, and by learning about it, we can use it to transform our life into vibrant and meaningful expressions of who we really are. Consciousness is purely energetic and therefore difficult to quantify in mechanistic terms. It is the characteristic of living energy and is the foundation of awareness. Consciousness is the thread running through all life. Living Energy is an introduction to the process of mystic spirituality. The reader is encouraged to attain a deep and meaningful connection to the divine with expanded awareness. The principles given in this book are equally relevant to the novice and the advanced practitioner. Robert explains how we may reveal our hidden potential by shifting our perception away from what is customary and comfortable to open the doors to greater spiritual awareness.

WHEN IT COMES TO LOVE, SOMETIMES IT TAKES THE HEAD YEARS TO DISCOVER WHAT THE HEART HAS ALWAYS KNOWN When Forbes Branson was a young man ready for something new. A senior in high school, he was the golden boy. Heir to a fortune, he knew what his life was going to be. But he wanted adventure first. A year to do what he wanted, where he wanted before college. An unexpected betrayal would change everything. Sophie Lipton was fifteen the first time she set foot on the Branson ranch. Dragged from one place to another, never having more than one pair of shoes or enough to eat, the moment she saw the wide open spaces, she felt she could breathe for the first time in her life. It was the home she always dreamed of. But her

happiness came at a price. To stay in her new home, Sophie had to keep somebody else's lies. Lies that would eventually tear apart a family. And tear apart her friendship with Forbes. Coming home is never easy-especially after twelve years. Forbes isn't the same young man. He found his adventure-and more. Weary, he's ready to settle into a slower, calmer life. Working on his family's ranch and taking the job as Chief of Police sounds like a piece of cake after the things he had seen and done. Sophie isn't the quiet girl Forbes remembers. She's grown into a strong, confident woman. A woman used to being in charge. The Branson ranch is her territory now. If Forbes thinks he's going to waltz back in and take over, he's going to find out fast that Sophie is no pushover. Twelve years ago, they shared one goodbye kiss. More sweet than passionate. Now, as adults it's a whole new game. The attraction between them is undeniable. Just as they begin to move forward, the past has other ideas. Secrets rarely stay buried forever. Lies. Betrayal. Maybe even murder. Before Forbes and Sophie can think about the future, they will need to deal with the past. Together.

My name is Jonah Johnson, and I'm in the 6th grade -- but please call me Joe. My whole world was made better when I met a talking fox. ALL READERS young and old while sharing a valuable lesson on why it's important to eat healthy! The six Gluten-Free Ghoul characters Gloppy, Bogey, Teaky, Oafie, Pops, and Bonkers live in a giant treehouse and love to play baseball and golf - and they even skateboard! But their favorite thing to do is eat! Join them as they scramble through town gobbling up leftover pizza, spaghetti, and their favorite pies. The only trouble is that their not-so-healthy eating habits begin to create some frustrating and itchy symptoms. Their doctor tells them to eat a gluten-free diet. Gluten-Free Ghouls is a great rhyming book that is sure to bring about some giggles as children enjoy the silly characters while the story builds awareness of the importance of eating well. Food sensitivities like gluten or allergies such as peanuts, dairy, etc. are so prevalent these days and children need to be aware of what can happen even if they don't have celiac disease (a severe innate autoimmune disorder) or aren't allergic to certain foods themselves. It also helps children without gluten sensitivities or allergies to better understand what their friends go through who do have to follow specific diets. As for friends who have celiac disease, gluten sensitivities or food allergies, Gluten-Free Ghouls will show them that others deal with the same issues even six hungry green ghouls. GLUTEN-FREE GHOULS WOULD BE A GREAT ADDITION TO ANY BOOKSHELF IN ANY LIBRARY, SCHOOL, OR HOME. Please visit us online at glutenfreeghouls.com. With an adult's/parent's approval, children can join the GLUTEN-FREE GHOUL'S FAN CLUB and receive a FREE FAN CLUB BOOKMARK when they e-mail paige@glutenfreeghouls.com and share what they like most about the book and who their favorite Gluten-Free Ghoul is.

saving the world one homeless person, centenarian, and orphan at a time. With her crew of twin sister, Annie, smitten Mikhail, and frenemy Mel, she's a pamphlet-wielding humanitarian, tackling a broken world full of heroes and heroines, villains and magical seeds, and Northwyth stories. Beginning with a roadkill-burying nine-year-old and a gas-leak explosion, it follows Gaby as she traverses childhood and young adulthood with characteristic intensity and a penchant for disaster. Meanwhile, the large cast of compelling characters entertains and the Northwyth legends draw you into their magic.
