

## My Hero Academia Volume 3

Bakugo's abduction by the League of Villains was a carefully calculated move designed to draw out the heroes—All Might in particular—and destroy them. Midoriya and his friends set out on a rescue mission that eventually pulls in not only All Might but also several other heroes! The casualties mount, until at last the mastermind of the plot appears—All for One, the only villain powerful enough to take on All Might head-to-head and possibly win! -- VIZ Media

Midoriya inherits the superpower of the world's greatest hero, but greatness won't come easy. Prose short stories featuring the everyday school lives of My Hero Academia's fan-favorite characters. Midoriya, Ida, and the rest of class A will be cohabitating once they move into the new dorms, "Heights Alliance." As class president and one who hopes to become as spectacular a hero as his brother, Ida will have to lead the class and enforce law and order during their dorm days—no matter what anyone else thinks!

Midoriya has learned a few tricks from Gran Torino, but some things just have to be experienced to be understood. Even though he's not ready, when the League of Villains attacks in the town of Hosu, Midoriya rushes to help Ida, who is engaged in a life-and-death struggle with Hero Killer Stain. Stain has some very particular ideas about heroes and their place in society—and he means to purge the world of every hero he can find! -- VIZ Media

The final match of the battle training between Class A and Class B continues. Zapped by Shinso's mind control, Midoriya enters a fugue state where he meets one of the former users of One For All. What powerful Quirks have yet to be unlocked? Midoriya will surely need the full potential of One For All someday, but in the meantime, a new enemy—the Meta Liberation Army—begins to make its moves. -- VIZ Media

Midoriya inherits the superpower of the world's greatest hero, but greatness won't come easy. What would the world be like if 80 percent of the population manifested superpowers called "Quirks"? Heroes and villains would be battling it out everywhere! Being a hero would mean learning to use your power, but where would you go to study? The Hero Academy of course! But what would you do if you were one of the 20 percent who were born Quirkless? Hawks and the Safety Commission have managed to get their hands on some top secret information. A big villain attack is coming, and the heroes must do all they can to prepare. As part of these preparations, Eraser Head and Present Mic pay a visit to the prison, while Midoriya, Bakugo and Todoroki begin training under Endeavor in order to become fighters who can stand on their own. But in the meantime, the boys will have to survive a dinner party at the Todoroki household! Koichi and his "friends"—Kazuho, a.k.a. Pop Step, and the mysterious Knuckleduster—have teamed up to protect their neighborhood (unofficially of course). But even petty criminals with Quirks can be dangerous, and taking them on shows Koichi that he'd better not underestimate them. Sizing up the opposition is important, especially when some of the villains are definitely out of Koichi's league and more sinister threats lurk in the shadows... -- VIZ Media

In the third match of the joint battle training, the students of Class 1-A have their hands full dealing with the unexpected creativity of Class B's Quirk use. These matches give everyone a chance to reflect on exactly where they all stand in relation to each other,

and on the events in their lives that have brought them to this point. Then it's time for Bakugo to show what he's learned... -- VIZ Media

Koichi Haimawari couldn't make the cut to become an official hero, so he uses his modest Quirk to do good deeds in his spare time. Then one day a fateful encounter with some local thugs leads him to team up with two other unlikely heroes. None of them really know what they're doing, but they've got the courage—or foolishness—to try. But they soon discover fighting evil takes more than just being brave... -- VIZ Media

Getting into U.A. High School was difficult enough, but it was only the beginning of Midoriya's long road toward becoming a superhero. The new students all have amazing powers, and although Midoriya has inherited All Might's abilities, he can barely control them. What's more, the first-year students are told they will have to compete just to avoid being expelled! -- VIZ Media

Since the terrifying incident when Tomura's Quirk manifested, only the greatest villain of them all, All For One, has been able to speak to the broken young boy's heart. The consequences of that fateful meeting play out in the present as Tomura and Re-Destro, the leader of the Meta Liberation Army, battle for supremacy—and if it takes leveling a whole city to sort out who's on top, so be it! -- VIZ Media
