Three brothers and their relations in 19th century Russia provide the base for a sweeping epic overview of human striving, folly and hope. First published in 1880, The Brothers Karamazov is a landmark work in every respect. Revolving around shiftless father Fyodor Pavlovich Karamazov are the fates of his three sons, each of whom has fortunes entwined with the others. The eldest son, Dimitri, seeks an inheritance from his father and becomes his rival in love. Ivan, the second son, is so at odds with the world that he is driven near to madness, while the youngest, Alexi, is a man of faith and a natural optimist. These personalities are drawn out and tested in a crucible of conflict and emotion as the author forces upon them fundamental questions of morality, faith, reason and responsibility. This charged situation is pushed to its limit by the addition of the unthinkable, murder and possible patricide. Using shifting viewpoints and delving into the minds of his characters, Dostoevsky adopted fresh techniques to tell his wide-reaching story with power and startling effectiveness. The Brothers Karamazov remains one of the most respected and celebrated novels in all literature and continues to reward readers beyond expectation. With an eye-catching new cover, and professionally typeset manuscript, this edition of The Brothers Karamazov is both modern and readable.

A year-long weekly meal planner based on the Catholic liturgical calendar and the liturgical living recommendations in the Catholic All Year Compendium, sure to make you a perfectly pious and oh-so organized cook. Or . . . maybe not. But this planner has been mindfully designed for busy moms and everyone who wants to focus a bit more on learning about the lives of the saints, the history and traditions of the Church, and bringing the people we love together around the table. The planner pages are undated. That means having a frozen pizza and leftovers week or going out of town doesn't mean "wasting" dated pages. Fill out the weeks as you go. Skip when you want to. Zero judgement from the planner. In the back you'll find all the feast days on the universal liturgical calendar, plus all the saints' days mentioned in the Catholic All Year Compendium. They are listed with a bit of information to inspire your meal planning--like a country or foods with which the saint or day is associated. Also included are lines to jot down your family members' three special days (birthday, nameday, and baptismal anniversary) and any other important recipes, holy days, holidays, and anniversaries you want to remember when meal planning. Write the month and dates of the upcoming week at the top of the page. Circle the liturgical season to get you in the mood. Then consult the lists in the back of the planner or on your Catholic All Year liturgical wall calendar to see if there are feast days you want to celebrate during the week or days of fasting or abstinence to remember and note them next to the day of the week. Decide on meals. Write them down. Fill out the shopping list. Tear it off when you're ready to head to the store. Easy peasy!
