Why would anyone think Jesus never existed? Isn't it perfectly reasonable to accept that he was a real first century figure? As it turns out, no. NAILED sheds light on ten beloved Christian myths, and, with evidence gathered from historians across the theological spectrum, shows how they point to a Jesus Christ created solely through allegorical alchemy of hope and imagination; a messiah transformed from a purely literary, theological construct into the familiar figure of Jesus ' in short, a purely mythic Christ. "An instant classic...highly recommended!" —New York Times and USA TODAY bestselling author Jennifer Probst USA TODAY bestselling indie author Alice Clayton delights readers with the sexy, laugh-out-loud romance of Caroline and Simon in Wallbanger, the first book in the Cocktail series! The first night after Caroline moves into her fantastic new San Francisco apartment, she realizes she's gaining an—um—intimate knowledge of her new neighbor's nocturnal adventures. Thanks to paper-thin walls and the guy's athletic prowess, she can hear not just his bed banging against the wall but the ecstatic response of what seems (as loud night after loud night goes by) like an endless parade of women. And since Caroline is currently on a self-imposed "dating hiatus," and her neighbor is clearly lethally attractive to women, she finds her fantasies keep her awake even longer than the noise. So when the wallbanging threatens to literally bounce her out of bed, Caroline, clad in sexual frustration and a pink baby-doll nightie, confronts Simon Parker, her heard-but-never-seen neighbor. The tension between them is as thick as the walls are thin, and the results just as mixed. Suddenly, Caroline is finding she may have discovered a whole new definition of neighborly... In a delicious mix of silly and steamy, Alice Clayton dishes out a hot and hilarious tale of exasperation at first sight.

It grabbed me by the heart and mind from page one and never let me go." —Marcia Clark, author of The Final Judgment An electrifying, multi-voiced thriller tackling our criminal justice system, from the writer Michael Connelly has called "one of our most gifted novelists." On December 6, 1993, a drug dealer called Scrappy is shot and left for dead on the lawn outside her mother's house in South Central Los Angeles. Augie, a heroin addict, witnesses the whole thing—before he steals all the drugs on her person, as well as the gun that was dropped at the scene. When Augie gets busted, he names local gang members Wizard and Dreamer the shooters. But only one of them is guilty. A search of Wizard and Dreamer's premises uncovers the gun that was used in the shooting, and a warrant goes out for their arrest. They know it's a frame-up, but the word from the gang is to keep their mouths shut and face the charges. With these two off the streets and headed for jail, Dreamer's friend Little, the unlikeliest of new gang members, is given one job: discover how the gun got moved, and why. Played out in the streets, precincts, jails, and courtrooms of Los Angeles, Ryan Gattis's The System is the harrowing story of a crime—from moments before the bullets are fired, to the verdict and its violent aftershocks—told through the vivid chorus of those involved, guilty, the innocent, and everyone in between.

King. *A Monstrous Regiment of Women* It is 1921. Mary Russell is on the verge of acquiring a sizable inheritance. Her attentions turn to the New Temple of God and its leader, a charismatic suffragette and a mystic. When four bluestockings from the Temple turn up dead shortly after changing their wills, could sins of a capital nature be afoot? *A Letter of Mary* It is 1923. Mary Russell Holmes and Sherlock Holmes are visited by an old friend, an archaeologist just returned from Palestine. She leaves in their protection an ancient, controversial manuscript. When their friend is suddenly killed in a tragic accident, Russell and Holmes find themselves on the trail of a fiendishly clever murderer. *The Moor* In the eerie wasteland of Dartmoor, Sherlock Holmes summons Mary Russell to aid the investigation of a death and some disturbing phenomena of a decidedly supernatural origin. There have been sightings of a spectral coach made of bones carrying a woman long-ago accused of murdering her husband—and of a hound with a single glowing eye. Returning to the scene of *The Hound of the Baskervilles*, Holmes and Russell investigate a mystery darker and more unforgiving than the moors themselves.

Many, who had no regard for rules and laws in the before, were totally out of control and doing whatever they wanted. Jared’s group finds themselves up against a variety of depraved individuals as they make their way through Los Angeles and across the valley. When Jared and his neighbor, Paul, are taken prisoner by a gang of thugs, Jared’s sister and uncle leave the farm to try and assist Jared’s group. Marie prays that her daughter and brother will be effective in bringing them home. She hopes she doesn’t lose them all.
