

National Geographic Readers Koalas

National Geographic Primary Readers pair magnificent National Geographic photographs with engaging text by skilled authors to help your child learn to read. Developed by education experts, this series of books for beginner readers is spread across four levels: Early Reader, Becoming Fluent, Becoming Independent and Independent Reader.

Water is all around us; we drink it every day. In this level 3 reader, kids will learn about the water cycle, discovering how rain and snow flow into our lakes, rivers, and oceans, and later evaporate into the sky again. Vivid photography and accessible text make this book an ideal introduction to the science of water.

Introduces the characteristics and behavior of the koala.

Its round, fuzzy body, its fluffy ears, those button eyes ... Let's face it: koalas are SO CUTE. And so is this book! Get ready for some koala-ty time with this cute critter! But in case you're wondering if cuteness is all there is to koalas, think again! This little guy's got attitude! You'll flip over the adorable photos and be equally charmed by what this sassy little koala is thinking on every page. Introducing the brand-new series from National Geographic Kids that combines two wonderful things: mega-cute photos of all your favourite fluffy animals and silly text that will have the whole family laughing. Add to that some great non-fiction content that gets kids learning, and, what can we say? This series is just so cute and cool!

Simple text and photographs describe the plants, animals, and bodies of water that a bunny can see in the forest.

Provides information about these playful mammals, including their aquatic habitats, diet, physical characteristics, and behaviors.

An uplifting true story about animal conservation and coping with loss follows the story of an endangered baby koala who is cared for at Koala Hospital and raised by loving human caregivers among other injured koalas.

Stomp around the African savanna, run around the forests of India, take a mud bath, and more as you learn all about elephants! Adult and child readers can learn together in this new Level 1 co-reader from National Geographic Kids, full of engaging photos and fun facts.

Simple, lively text and engaging photos portray a little puppy meeting new friends and seeing new places.

They're cute, they're furry, they live in a pouch—they're baby koalas! Did you know that a baby koala cannot see or hear when it is born? Or that a newborn joey is about the size of a jelly bean? Uncover more fascinating facts about baby koalas, from what their habitat is like and what they eat to what their scientific name is in this bright, colorful book.

Introduces this unique animal, its evolution, physical characteristics, distribution, life cycle and socialization, as well as how people have interacted with the koala since its discovery, the severe threats from human influence that it still faces and what people are doing to save it and its habitat.

A harpy eagle snatches a sloth from a tree. Time to eat! These birds have strong, sharp talons that were made for carrying prey. This is just one adaptation explained in this fascinating series about harpy eagles' lives in the rain forest. Readers will discover even more as they take in the leveled text and vibrant photos in this title. Special features such as a range map, an adaptation graphic, and a diet feature highlight even more information about these special birds.

With a seemingly permanent half-smile on their face, koalas are appealing to boys and girls alike. Filled with adorable photos, and carefully leveled text, this level 1 reader introduces beginning readers to these furry creatures, from cub to adult, exploring where they live, what they eat, and even the way they say "hello"—by touching noses! National Geographic supports K-12 educators with ELA Common Core Resources. Visit www.natgeoed.org/commoncore for more information.

A koala lives most of its life alone, eating and sleeping high up in the eucalyptus trees of Australia. The Life Cycle of a Koala looks at the life of this ancient marsupial and explains, life in its mother's pouch, how it feeds, and the dangers it faces on the outside. Presents an introduction to polar bears, describing their habitat, physical characteristics, life cycle, eating habits, and behaviors, and looks at the life of a polar bear cub.

In this colorful, photo-packed picture book for preschoolers, curious kids learn all about kangaroos and watch a kangaroo joey as it grows from a tiny baby in its mother's pouch into a big, fast-hopping marsupial. Readers learn all about these marvelous marsupials, including where they live in Australia, what they eat, and how they communicate, play, and grow. Kids will meet red kangaroos, gray kangaroos, tree kangaroos, rat kangaroos, and other members of the kangaroo family. A habitat map shows where kangaroos live. These engaging Explore My World picture books, on subjects kids care about, combine simple stories with unforgettable photography. They invite little kids to take their first big steps toward understanding the world around them and are just the thing for parents and kids to curl up with and read aloud.

Pictures and vocabulary present sets for you to choose ones that are alike.

A young koala, longing to hear her mother speak lovingly to her as she did before other children came along, plans to win back her distracted parent's attention. Reprint.

Koalas National Geographic Children's Books

Introduces readers to butterflies and the process by which they go from being an egg, to a caterpillar, to a chrysalis, and finally to a butterfly.

It's Koala's first day at camp, and she thinks she's found her place in the Bear Cabin--until know-it-all Kangaroo tells Koala that she is not a bear. Koala lists all the ways in which she resembles her new friend, Grizzly, but Kangaroo isn't buying it. As Koala tries to find her place, alert readers will recognize clues about where Koala belongs.

Read Along or Enhanced eBook: When Tree Kangaroo and Koala dig a well to get some water, Tree Kangaroo ends up doing all of the work and Koala ends up with a stumpy tail in this origin story from Australia.

A feel-good tale of friendship set in the snowy Arctic from the creators of the bestselling, multi-award-winning *The Lion Inside* and *The Koala Who Could*. Wilf is as strong and independent as a wolf cub can be. He doesn't need help from his friends and family - whatever it is, he can do it ALL BY HIMSELF. But when Wilf finds himself lost and alone in the snow and chill of an Arctic night, he discovers something important - sometimes we all need the help of a friend to keep us safe and show us the way. Look out for more books by Rachel Bright and Jim Field: *The Lion Inside* *The Koala Who Could* *The Squirrels Who Squabbled*

Con una media sonrisa permanente en la cara, los koalas atrapan a niños y niñas por igual. Lleno de imágenes adorables y texto cuidadosamente nivelado, este libro de nivel 1 les presenta a los lectores principiantes a estas criaturas peludas, tanto cómo son de pequeños como adultos. ¡Explora dónde viven, qué comen, y hasta la forma que tienen de decir "hola" chocando sus narices!

An introduction to koalas covers where they live, what they eat, and how they communicate, and follows the animal's development from cub to adult.

Sometimes, the uglier, the better! In this level 2 reader, young readers will meet the ugliest of animals. Follow these funny-looking creatures and learn how their strange looks help them in the wild. Interesting photos and carefully leveled text make this book perfect for reading aloud or for independent reading.

Girls will love these fun-packed pages loaded with 1,000 stickers of cute animals such as pandas, koalas, rabbits, kittens, puppies, and much more. Perfect for road trips, plane rides, rainy afternoons, or just to keep in the backpack for sticker sharing with friends, kids won't be able to get enough of these high-value, high fun-factor sticker books! Filled with interactive games, spelling and pattern activities, drawing games, and more. Parents will love these fun books that keep kids entertained, engaged, and learning. Forty pages of activities and colorful nature scenes pair with 16 pages of 1,000 incredible animal stickers to bring an exciting interactive experience with the most adorable animals on the planet.
