This powerfully intimate, plain-spoken memoir about fathers and sons, fortitude, and football from the face and voice of college football—Kirk Herbstreit—is not just “a window into the game, but also a peek into what makes him special: his heart” (David Shaw, head coach, Stanford University). Kirk Herbstreit is a reflection of the sport he loves, a reflection of his football-crazed home state of Ohio, where he was a high school star and Ohio State captain, and a reflection of another Ohio State football captain thirty-two years earlier: his dad Jim, who battled Alzheimer’s disease until his death in 2016. In *Out of the Pocket*, Herbstreit does what his father did for him: takes you inside the locker rooms, to the practice fields, to the meeting rooms, to the stadiums. Herbstreit describes how a combination of hard work, perseverance, and a little luck landed him on the set of ESPN’s iconic *College GameDay* show, surrounded by tens of thousands of fans who treat their Saturdays like a football Mardi Gras. He takes you into the television production meetings, on to the *GameDay* set, and into the broadcast booth. You’ll live his life during a football season, see the things he sees, experience every chaotic twist and turn as the year unfolds. Not to mention the relationships he’s established and the insights he’s learned from the likes of coaches and players such as Nick Saban, Tim Tebow, Dabo Swinney, and Peyton Manning, as well as his colleagues, including Chris Fowler, Rece Davis, and his “second dad,” the beloved Coach Lee Corso. Yes, Kirk Herbstreit is the undeniable face and voice of college football—but he’s also a survivor. He’s the quiet kid who withstood the collapse of his parents’ marriage. The boy who endured too many overbearing stepdads and stepmoms. The painfully shy student who always chose the last desk in the last row of the classroom. The young man who persevered through a frustrating Ohio State playing career. The new college graduate who turned down a lucrative sales job after college to pursue a “no way you’ll make it” dream career in broadcasting. Inspiring and powerful, *Out of the Pocket* “proves the importance of perseverance and family” (Peyton Manning).

When Lt. Commander Bobby Thompson surfaced in Tampa in 1998, it was as if he had fallen from the sky, providing no hint of his past life. Eleven years later, St. Petersburg Times investigative reporter Jeff Testerman visited the rundown duplex Thompson used as his home and the epicenter of his sixty-thousand-member charity, the U.S. Navy Veterans Association. But something was amiss. Thompson's charity's addresses were just maildrops, his members nonexistent, and his past a black hole. Yet, somehow, the Commander had stood for photos with President George W. Bush, Senator John McCain, and other political luminaries. The USNVA, it turned out, was a phony charity where Thompson used pricey telemarketers, savvy lawyers, and political allies to swindle tens of millions from well-meaning donors. After Testerman's story revealed that the nonprofit was a sham, the Commander went on the run. U.S. Marshals took up the hunt in 2011 and found themselves searching for an unnamed identity thief who they likened to a real-life Jason Bourne. When finally captured in 2012, Thompson was carrying multiple IDs and a key to a locker that held nearly \$1 million in cash. But, who was he? Eventually, investigators discovered he was John Donald Cody, a Harvard Law School graduate and former U.S. Army intelligence officer who had been wanted since the 1980s on theft charges and for questioning in an espionage probe. As Cody's decades as a fugitive came to an end, he claimed his charity was run at the behest of the Central Intelligence Agency. After reporting on the story for CNBC's American Greed in 2014, Daniel M. Freed dug into Cody's backstory—uncovering new information about his intelligence background and the evolution of his con. In Frederick Douglass' 1845 memoir, the former slave and famous orator, describes the events of his life including the brutal treatment that he experienced and witnessed, at the hand of slave masters. As far as I was concerned, World War II was a snap despite blackouts, rationing, and no nylons-just tan leg makeup-"Guaranteed not to come off " ...the hem of your dress, the chair you sat on, or your date's trouser legs when dancing. In a burst of patriotism, I joined the WAVES-the Navy's version of the WAACs (only with cuter uniforms), and met some great new friends including "Candy," a movie starlet, and Howard Hughes who I thought was a radio repairman (I didn't catch his last name.) The trip from Los Angeles to Hunter College in New York was a revelation; troop trains do not have dining cars-you march to various "mess halls" from wherever the train halts. I also discovered that the subway does not run from Chicago to NYC.! Candy made boot camp a pleasure. We got to read her fan mail, and her family's chauffeur delivered weekly goodies from Schraft's and Bergdorf Goodman's (her three roommates were the best dressed-lingerie-wise-recruits in the Navy-and the only ones to gain weight inspite of all that marching.) . She also gave me the opportunity of turning down her invitation to have lunch at the Stork club with "little" Gloria Vanderbilt, and see "Carmen Jones," a big Broadway hit. I chose instead to lead a gaggle of misguided recruits in an almost futile attempt to find the Empire State building. Finally, the Navy, overlooking my southern accent and a tendency to address pilots as "honey" ("Take a wave- off, honey"), gave me one of their coveted billets as a Control Tower Operator and sent me to Atlanta, Georgia, for further training, There, I learned to drive a jeep, "fly" a plane (courtesy of the Link trainer) and to be careful where I sat on public streetcars -Jim Crow was alive and well!. Assigned to a small control tower in Corpus Christi, Texas, I met a tall, lanky "radio repairman" who laughed at almost anything I said, and was my good buddy during some dramatic changes in my life. His visits ended when I suddenly marred the "Best pilot" on the base. It was several years before I discovered that my "buddy" had been the elusive Howard Hughes. During the '80s I wrote a weekly column for Roll Call, the Washington, DC newspaper. ("Casandra's Corner" by Jil Carlson), and loved being with Ford's Theatre promoting shows, during the 70s.'The '60s were spent doing my own TV show. "Skirts Of Navy Blue" is pure escapist reading for anyone who has only seen "The War" through John Wayne's eyes.

In Transformed, Remi Adeleke takes you back to stories from his childhood, from living as Nigerian royalty to losing his father early in life and being stripped financially of everything by the Nigerian government. He delves into being raised by a single mother in the Bronx and doesn't shy away from his illegal activities as a young man that threatened to derail his future. At every turn, including throughout his naval career, Adeleke found a way to overcome the odds, even when it didn't make sense. His is an inspiring story of true personal transformation.

BEFORE HE COULD FORGE A BAND OF ELITE WARRIORS... HE HAD TO BECOME ONE HIMSELF. Brandon Webb's experiences in the world's most elite sniper corps are the stuff of legend. From his grueling years of training in Naval Special Operations to his combat tours in the Persian Gulf and Afghanistan, The Making of a Navy SEAL provides a rare and riveting look at the inner workings of the U.S. military through the eyes of a covert operations specialist. Yet it is Webb's distinguished second career as a lead instructor for the shadowy "sniper cell" and Course Manager of the Navy SEAL Sniper Program that trained some of America's finest and deadliest warriors—including Marcus Luttrell and Chris Kyle—that makes his story so compelling. Luttrell credits Webb's training with his own survival during the ill-fated 2005 Operation Redwing in Afghanistan. Kyle went on to become the U.S. military's top marksman, with more than 150 confirmed kills. From a candid chronicle of his student days, going through the sniper course himself, to his hair-raising close calls with Taliban and al Qaeda forces in the northern Afghanistan wilderness, to his vivid account of designing new sniper standards and training some of the most accomplished snipers of the twenty-first century, Webb provides a rare look at the making of the Special Operations warriors who are at the forefront of today's military. Explosive, revealing, and intelligent, The Making of a Navy SEAL provides a uniquely personal glimpse into one of the most challenging and secretive military training courses in the world.

Jamie Wright hates her West Texas hometown of Silver Falls, its small-minded people, the reminder of her childhood there and her failed first marriage—the source of her

daddy's eternal disappointment. Jamie's in town to plan his funeral, sell the ranch, and never look back. The funeral goes as planned, however, the reading of the will does not go as planned. The night after the funeral, Jamie and two former classmates go for a nostalgic ride to reminisce about high school. When a tornado system blows in, they drive to a nearby storm shelter. There, fueled by vodka, the secrets erupt. The tornado razes part of Silver Falls as well as the ranch. Jamie realizes that she is not immune to the pull of the land, the way its vast barrenness manages to sustain flora and fauna. In the process of helping clean up the tornado damage to Silver Falls, Jamie finally becomes part of the community.

The evocation of memory is wrought with emotional and historical significance in this distinctive Holocaust memoir. With lyrical prose and remarkable candor, Helena Ganor narrates her story through a series of recently penned letters to the significant people in her life during her wartime girlhood: her sister, mother, father, and stepmother. Both Ganor's mother and sister perished during the war. The author's letters reveal much about living in pre-war Lvov, Poland. Her descriptions of relationships between local Jews, Poles, Ukrainians, and Gypsies in Lvov lend a broad historical context to the Holocaust. Ganor combines deeply personal reminiscences of trying to survive as a secular Jew under Nazi occupation with reflections on the varied ways that humans respond in the face of utter catastrophe. Punctuating her letters with poems, Ganor's story is an inspiring contribution to Holocaust literature.

And when did boring Elizabeth Draper get so beautiful? Elizabeth Draper loves people, free time, and a good cup of coffee in the warm sunlight. The New York Times and USA Today bestseller! "...a hauntingly atmospheric love letter to the first mobile library in Kentucky and the fierce, brave packhorse librarians who wove their way from shack to shack dispensing literacy, hope, and — just as importantly — a compassionate human connection."—Sara Gruen, author of *Water for Elephants* The hardscrabble folks of Troublesome Creek have to scarp for everything—everything except books, that is. Thanks to Roosevelt's Kentucky Pack Horse Library Project, Troublesome's got its very own traveling librarian, Cussy Mary Carter. Cussy's not only a book woman, however, she's also the last of her kind, her skin a shade of blue unlike most anyone else. Not everyone is keen on Cussy's family or the Library Project, and a Blue is often blamed for any whiff of trouble. If Cussy wants to bring the joy of books to the hill folks, she's going to have to confront prejudice as old as the Appalachias and suspicion as deep as the holler. Inspired by the true blue-skinned people of Kentucky and the brave and dedicated Kentucky Pack Horse library service of the 1930s, *The Book Woman of Troublesome Creek* is a story of raw courage, fierce strength, and one woman's belief that books can carry us anywhere—even back home. Additional Praise for *The Book Woman of Troublesome Creek*: "A unique story about Appalachia and the healing power of the written word."—Kirkus "A timeless and significant tale about poverty, intolerance and how books can bring hope and light to even the darkest pocket of history."—Karen Abbott, New York Times bestselling author of *Liar Temptress Soldier Spy* "Emotionally resonant and unforgettable, *The Book Woman of Troublesome Creek* is a lush love letter to the redemptive power of books."—Joshilyn Jackson, New York Times and USA Today bestselling author of *The Almost Sisters*
