The workbook's unique approach establishes your foundational knowledge and then provides exercises of increasing difficulty to help you build confidence in your prioritization, delegation, and patient assignment skills. It offers unique preparation for the NCLEX Examination and effectively equips you to practice in today's fast-paced healthcare environment. The only workbook available that provides in-depth practice with prioritization, delegation, and assignment questions similar to those you'll see on the NCLEX Examination, including questions in alternate item formats Unique three-part organization that (1) equips you with foundational skills to make sound decisions, then helps you apply those skills (2) in straightforward scenarios and (3) then in complex health scenarios In-depth Answer Key at the back of the book that provides not only the correct answer but also a detailed rationale and an indication of the focus of the question, whether prioritization, delegation, supervision, or patient assignment. Expanded content focus to include psychiatric/mental health, OB/maternity, and pediatrics along with med-surg areas New chapters on infection control and obstetrics and maternity Greater emphasis on questions involving core body systems and related health problems, such as diabetes and cancer, to best prepare you for the conditions you are most likely to encounter on the NCLEX Examination and in clinical practice Four new unfolding cases addressing long-term care, pediatrics, psychiatric/mental health nursing, and OB/maternity Additional emphasis on medication safety equips you to take appropriate actions to prevent or remediate medication errors Multiple-select questions revised to include at least 5 response choices each, keeping you up to date with the full range of NCLEX Examination item formats Kaplan's Nursing School Entrance Exams is comprehensive review of all tested material on major nursing school entrance assessments, including the TEAS, HESI, PAX-RN, Kaplan, and PSB-RN exams. With focused review and practice for math, reading comprehension, and science—plus quick-reference resources flagging common mistakes to avoid and important formulas to remember—this effective guide prepares you fully for the first test of your nursing career. Features: * NEW! Exam-like brief reading comprehension passages * Diagnostic quiz * 2 complete practice tests * Detailed answer explanations * Focused review and practice for the most-tested subject areas: math, reading comprehension, vocabulary, and science * Quick-reference resources highlighting frequently used math formulas and commonly misspelled words to remember * Kaplan's effective score-raising strategies * Practical advice for the career-change nursing student

Completely revised and updated, with a totally new look! The previous edition of this book is The Ultimate Medical Mnemonic Comic Book: Color Version (ISBN 978-1532726217) The Ultimate Medical Mnemonic Comic Book combines mnemonics, over 150 cartoons, bullet points, and humor to review and retain important medical information. Whether you're a medical student, physician, physician assistant, nurse, student, or other health care professional, you need to access a vast wealth of information quickly and accurately. From the finer points of human physiology to differential diagnoses, pharmacology, and complex medical procedures, you're expected to have the facts you need, when you need them. Memorizing and retaining so much information is a gargantuan task. Health care professors Dwayne A. Williams and Isaak. N. Yakubov are here to help with hundreds of health care-related memory aids. While not intended to be a sole source of information, Williams and Yakubov's work offers a lighthearted but effective supplement to traditional textbooks. Clever mnemonics and funny wordplay stick in your head, while cartoons offer memory anchors for visual learners. The Ultimate Medical Mnemonic Comic Book adds entertainment and laughter to what would otherwise be a grueling test of memory.

Whether you're still studying or just need a quick mental refresher, The Ultimate Medical Mnemonic Comic Book helps you learn and retain the knowledge you need to succeed in your chosen health care career.
