and force of Homegoing; Sing, Unburied, Sing; and The Water Dancer—that chronicles the journey of one American family, from the centuries of the colonial slave trade through the Civil War to our own tumultuous era. The great scholar, W. E. B. Du Bois, once wrote about the Problem of race in America, and what he called “Double Consciousness,” a sensitivity that every African American possesses in order to survive. Since childhood, Ailey Pearl Garfield has understood Du Bois’s words all too well. Bearing the names of two formidable Black Americans—the revered choreographer Alvin Ailey and her great grandmother Pearl, the descendant of enslaved Georgians and tenant farmers—Ailey carries Du Bois’s Problem on her shoulders. Ailey is reared in the north in the City but spends summers in the small Georgia town of Chicassetta, where her mother’s family has lived since their ancestors arrived from Africa in bondage. From an early age, Ailey fights a battle for belonging that’s made all the more difficult by a hovering trauma, as well as the whispers of women—her mother, Belle, her sister, Lydia, and a maternal line reaching back two centuries—that urge Ailey to succeed in their stead. To come to terms with her own identity, Ailey embarks on a journey through her family’s past, uncovering the shocking tales of generations of ancestors—Indigenous, Black, and white—in the deep South. In doing so Ailey must learn to embrace her full heritage, a legacy of oppression and resistance, bondage and independence, cruelty and resilience that is the story—and the song—of America itself.

From the time Courtney E. Martin strapped her daughter, Maya, to her chest for long walks, she was curious about Emerson Elementary, a public school down the street from her Oakland home. She learned that White families in their gentrifying neighborhood largely avoided the majority-Black, poorly-rated school. As she began asking why, a journey of a thousand moral miles began. *Learning in Public* is the story, not just Courtney's journey, but a whole country's. Many of us are newly awakened to the continuing racial injustice all around us, but unsure of how to go beyond hashtags and yard signs to be a part of transforming the country. Courtney discovers that her public school, the foundation of our fragile democracy, is a powerful place to dig deeper. Courtney E. Martin examines her own fears, assumptions, and conversations with other moms and dads as they navigate school choice. Winner of the National Outdoor Book Award for Natural History "After reading *Super Fly*, you will never take a fly for granted again. Thank you, Jonathan Balcombe, for reminding us of the infinite marvels of everyday creatures." —Sy Montgomery, Author of *How to Be a Good Creature* From an expert in animal consciousness, a book that will turn the fly on the wall into the elephant in the room. For most of us, the only thing we know about flies is that they're annoying, and our usual reaction is to try to kill them. In *Super Fly*, the myth-busting biologist Jonathan Balcombe shows the order Diptera in all of its diversity, illustrating the essential role that flies play in every ecosystem in the world as pollinators, waste-disposers, predators, and food source; and how flies continue to reshape our understanding of evolution. Along the way, he reintroduces us to familiar foes like the fruit fly and mosquito, and gives us the chance to meet their lesser-known cousins like the Petroleum Fly (the only animal in the world that breeds in crude oil) and the Chocolate Midge (the sole pollinator of the Cacao tree). No matter your outlook on our tiny buzzing neighbors, *Super Fly* will change the way you look at flies forever. Jonathan Balcombe is the author of four books on animal sentience, including the New York Times bestselling *What A Fish Knows*, which was nominated for the PEN/E.O. Wilson Award for Science Writing. He has worked for years as a researcher and educator with the Humane society to show us the consciousness of other creatures, and here he takes us to the farthest reaches of the animal kingdom.
