With prophetic timing, Pat Robertson takes a penetrating look at the reality and rhetoric of the coming new world order and the implications for people of faith. This New York Times bestseller gives a compelling assessment of the imminent dangers looming on the world's horizon.

This work argues for the existence of a committee of 300, an elite body which controls every aspect of politics, religion, commerce and industry, answerable to no one except itself. It maintains that the confusion of social and moral values in the free world has been deliberately created.

The stage is being set for the emergence the debated New World Order of one-world government, the culmination of globalization. The emergence of a New World Order will mark a paradigm shift from state centrism (states

Saturn was Earth's first sun and associated with Satan. Many religions still worship Saturn - EL. The Elite Elites still worship Saturn and they guard secret knowledge called the Occult which can be used for good or bad to keep the people in the dark and keep them in their position as our over lords. They rule using Fear the biggest Fear is that we die yet there is no death only circles like night and day. Israel is 3 gods ISis + Ra + El (Saturn). Why did Nazi's show so much interest in South-pole? Why did USA recruit these people after World War 2. The Great Seal of the United States with a pyramid, an eagle, Latin phrases, etc., has been reproduced in the two circles on the back of every American dollar bill, but few in America know what these symbols mean. The key to understanding

the meaning behind these symbols is found in the translation of the Latin phrase "Annuit coeptis novus ordo seclorum" ("Announcing the birth of the New World Order), found on what is known as the Reverse Side of the Great Seal. Historian/author Ralph Epperson has spent many years researching the history of the Great Seal, and has discovered that those who designed the two circles committed America to what has been called "a secret destiny." This future "destiny" is so unpleasant that those who wanted the changes it entails had to conceal that truth in symbols. This book, *The New World Order*, is the amply documented explanation of what those symbols mean. The author is making his research available to the American people so that they may know just what their future is, and so that they can take corrective action. - Back cover.

As the novel coronavirus (Covid-19) spread around the world, so did theories, stories, and conspiracy beliefs about it. These theories infected communities from the halls of Congress to Facebook groups, spreading quickly in newspapers, on various social media and between friends. They spurred debate about the origins, treatment options and responses to the virus, creating distrust towards public health workers and suspicion of vaccines. This book examines the most popular Covid-19 theories, connecting current conspiracy beliefs to long-standing fears and urban legends. By examining the vehicles and mechanisms of Covid-19 conspiracy, readers can better understand how theories spread and how to respond to misinformation.

I was writing a book about the sinking of U.S.S. Indianapolis, based upon thousands of Top Secret documents released to me by President Gerald Ford. I was the first civilian ever to examine those secret papers about the infamous ship cited in the blockbuster movie, "JAWS." Every major publisher in America wanted to make a bid for the rights to publish the book, and to produce the subsequent movie. But I would never complete the book. Two years into the project, something out of this world happened to me. Jesus appeared to me plain as day and said, "Do not write that (Indianapolis). Write this." He then pulled me from my body and escorted me to a spiritual world of angels at war. Those supernatural expeditions spanned four decades, and with each new vision, Jesus always commanded, "Write

what you see." I did, and here it is."COVID-666: Dawn of the Antichrist" begins with the Lord removing me from my body and escorting me to a place where an evil baby had been born. The long-foretold Antichrist had arrived.

That evil baby is all grown up now, and in hiding.

COVID-666 was intentionally unleashed on an unsuspecting world, to crash global economies and to bring about the Mark of Beast. At that hour, the Antichrist will make his Grand Entrance as "King of the World."

A profound exploration of the Bible's most controversial book—from the author of *Beyond Belief* and *The Gnostic Gospels* The strangest book of the New Testament, filled with visions of the Rapture, the whore of Babylon, and apocalyptic writing of the end of times, the Book of Revelation has fascinated readers for more than two thousand years, but where did it come from? And what are the meanings of its surreal images of dragons, monsters, angels, and cosmic war? Elaine Pagels, New York Times bestselling author and "the preeminent voice of biblical scholarship to the American public" (*The Philadelphia Inquirer*), elucidates the true history of this controversial book, uncovering its origins and the roots of dissent, violence, and division in the world's religions.

Brilliantly weaving scholarship with a deep understanding of the human needs to which religion speaks, Pagels has written what may be the masterwork of her unique career.

The numbers in the King James Holy Bible have significant meaning that follow the number throughout the scripture. The number 13 has always been an

'unlucky' number. The number 13 is the number that represents Satan, evil, wickedness, devils, and everything vile that is connected to them. This book is a chronological account of the number of 'Rebellion' in the bible from Genesis to Revelation. The word "THIRTEENTH" is found to be the thirteenth word in a bible verse only one time at: Esther 9:1 Now in the twelfth month, that is, the month Adar, on the thirteenth day of the same, ... The words thirteen and thirteenth appears 26 (2x13) times in the bible. There are 13 famines recorded in scripture. There are 13 kings recorded from David to Zedekiah who went into Babylonian captivity. 2nd Chron. 36:10 The phrase: 'the old serpent', 'thousand years', 'Jannes/Jambres' have 13 letters. The Antichrist (13 letters), who we know to be 'Judas Iscariot; (13 letters), is the one who 'betrayed Jesus' (13 letters). He is the coming to rule over 'New World Order' (13 letters) that is being set up currently by the globalists. The Antichrist 'is the man of sin' (13 letters) spoken of by Jesus in the gospels, and his final abode will be 'the lake of fire' (13 letters). A sample of the Revelation 13:18 (a 13 with 3x6), the 66th book of the bible; the 13th chapter; and the 18th verse; here we get the "number of a man"; 'the Antichrist', which is 666; the unholy trinity of man. The word "beast" in sole reference to the person of 'the Antichrist' (13 letters), himself, appears a total of 36 (6x6) times in Revelation. No coincidence. The address 13:18 (13+3x6) added together is: 1+3+1+8=13; and 13+18=31 a 13 reversed; 'the Antichrist' is covered over with 6s, 13s and their multiples. Another infamous 13:18 is found in John's

gospel (see); John is also the author of the book of Revelation; and he records Jesus, at the last supper, quoting Psa. 41:9 and Jesus says: "He that eateth bread with me hath lift up his heel against me." a direct reference to the "betrayer" 'Judas Iscariot' (13 letters) and the quote just happens to be 13 words in length; see the nuggets in John 13 of this work to see other such "coincidences" as the scoffers would say. In Genesis 3:15 we have the first recorded prophecy in the bible of the Devil's seed 'the Antichrist' (13 letters), and the address of Gen. 3:15 is (3+15=18, 666). The only use in the bible of the capital "S" Six; is found in verse 18; and it personifies the number as you would capitalize a proper name.

But with this new government comes personal costs, to free will, to self-determination and to liberty and some will find those costs too high to bear. This New World Order expects people to resist, to fight back... but that's all part of their plan. They need to create instability and fighting to curb overcrowding and reduce demands on precious resources such as oil, productive farming land and clean water.

The Earth Really is Flat The earth is flat and stationary, but you won't hear that on the nightly news. Proving that the earth is a ball spinning through space should be simple, but there is no real-world evidence to support the claim. Instead, all experiments and observations demonstrate that the earth is completely flat and motionless. the central foreign policy events of recent decades—Kissinger now reveals his analysis of the ultimate challenge for the twenty-first century: how to build a shared international order in a world of divergent historical perspectives, violent conflict, proliferating technology, and ideological extremism. There has never been a true “world order,” Kissinger observes. For most of history, civilizations defined their own concepts of order. Each considered itself the center of the world and envisioned its distinct principles as universally relevant. China conceived of a global cultural hierarchy with the emperor at its pinnacle. In Europe, Rome imagined itself surrounded by barbarians; when Rome fragmented, European peoples refined a concept of an equilibrium of sovereign states and sought to export it across the world. Islam, in its early centuries, considered itself the world’s sole legitimate political unit, destined to expand indefinitely until the world was brought into harmony by religious principles. The United States was born of a conviction about the universal applicability of democracy—a conviction that has guided its policies ever since. Now international affairs take place on a global basis, and these historical concepts of world order are meeting. Every region participates in questions of high policy in every other, often instantaneously. Yet there is no consensus among the major actors about the rules and limits guiding this process or its ultimate destination. The result is mounting tension. Grounded in Kissinger’s deep study of history and his experience as national security advisor and secretary of state, *World Order* guides readers through crucial episodes in recent world

history. Kissinger offers a unique glimpse into the inner deliberations of the Nixon administration's negotiations with Hanoi over the end of the Vietnam War, as well as Ronald Reagan's tense debates with Soviet Premier Gorbachev in Reykjavík. He offers compelling insights into the future of U.S.–China relations and the evolution of the European Union, and he examines lessons of the conflicts in Iraq and Afghanistan. Taking readers from his analysis of nuclear negotiations with Iran through the West's response to the Arab Spring and tensions with Russia over Ukraine, *World Order* anchors Kissinger's historical analysis in the decisive events of our time. Provocative and articulate, blending historical insight with geopolitical prognostication, *World Order* is a unique work that could come only from a lifelong policy maker and diplomat. Kissinger is also the author of *On China*. This book by A. Ralph Epperson purports to uncover hidden and sinister meanings behind all the symbols found on the Great Seal of the United States, committing America to "A Secret Destiny."

Global governance is here--but not where most people think. This book presents the far-reaching argument that not only should we have a new world order but that we already do. Anne-Marie Slaughter asks us to completely rethink how we view the political world. It's not a collection of nation states that communicate through presidents, prime ministers, foreign ministers, and the United Nations. Nor is it a clique of NGOs. It is governance through a complex global web of

Read Online New World Order 666 The Mark Of The Beast Vol 1

"government networks." Slaughter provides the most compelling and authoritative description to date of a world in which government officials--police investigators, financial regulators, even judges and legislators--exchange information and coordinate activity across national borders to tackle crime, terrorism, and the routine daily grind of international interactions. National and international judges and regulators can also work closely together to enforce international agreements more effectively than ever before. These networks, which can range from a group of constitutional judges exchanging opinions across borders to more established organizations such as the G8 or the International Association of Insurance Supervisors, make things happen--and they frequently make good things happen. But they are underappreciated and, worse, underused to address the challenges facing the world today. The modern political world, then, consists of states whose component parts are fast becoming as important as their central leadership. Slaughter not only describes these networks but also sets forth a blueprint for how they can better the world. Despite questions of democratic accountability, this new world order is not one in which some "world government" enforces global dictates. The governments we already have at home are our best hope for tackling the problems we face abroad, in a networked world order.

The impact of The Late Great Planet Earth cannot be overstated. The New York Times called it the "no. 1 non-fiction bestseller of the decade." For Christians and non-Christians of the 1970s, Hal Lindsey's blockbuster served as a wake-up call on events soon to come and events already unfolding -- all leading up to the greatest event of all: the return of Jesus Christ. The years since have confirmed Lindsey's insights into what biblical prophecy says about the times we live in. Whether you're a church-going believer or someone who wouldn't darken the door of a Christian institution, the Bible has much to tell you about the imminent future of this planet. In the midst of an out-of-control generation, it reveals a grand design that's unfolding exactly according to plan. The rebirth of Israel. The threat of war in the Middle East. An increase in natural catastrophes. The revival of Satanism and witchcraft. These and other signs, foreseen by prophets from Moses to Jesus, portend the coming of an antichrist . . . of a war which will bring humanity to the brink of destruction . . . and of incredible deliverance for a desperate, dying planet.

This is the (33rd) thirty-second Book which we, F & S F Ministry for JESUS, have written. All of the books that we have written was a result of God giving us revelation (prophecy, words of knowledge and words of wisdom). After God would give us this revelation, He would tell us to write a book of it and reveal it to the world. This Book, "New York City Becomes The Capital Of The New World Order," has likewise, been written after revelation from God and by direction from God to write it and reveal it to the world. In this Book we provide you with the prophecies that God gave us on December 2, 1999, with revelation that He has given us in the past. This

Reset. Theirs is a worrying, yet hopeful analysis. COVID-19 has created a great disruptive reset of our global social, economic, and political systems. But the power of human beings lies in being foresighted and having the ingenuity, at least to a certain extent, to take their destiny into their hands and to plan for a better future. This is the purpose of this book: to shake up and to show the deficiencies which were manifest in our global system, even before COVID broke out.

Newly updated and revised with the most current information about the events in the Middle East, Pastor John Hagee explains how the Israeli and Palestinian conflict will affect global politics, America's energy supply, and the world economy. *The Battle for Jerusalem* explores the heart of Israel's current struggle, the history behind the antagonism between Arabs and Jews, and the powerful significance of the Temple Mount, a thirty-five acre parcel that is the most fiercely contested real estate on the planet. Hagee explains how this conflict is not merely political or economic, but is also spiritual, with the repercussions of their actions continuing to echo across the world. Most importantly, Hagee illustrates how all the players in this tortuous conflict fit into God's plan for the ages. Previous editions: 0-7852-6788-3, 0-7852-6588-0, and 0-7852-6542-2

The author believes that those labelled as blacks in

the world are the greatest victims of racial discrimination and will be highly victimised as the New World Government takes full force. According to the author, racism is not a problem as humans seem to have evolved with some seemingly physical differences resulting in different races, but the main problem is racial discrimination which has resulted in series of racially driven ugliness that people of colour, most especially blacks, face in the world in these present times, including the treatment they shall receive from the New World Government. The African continent harbours this breed of humans called blacks, and many studies have been undertaken to prove whether African natives are inferior in intelligence therefore incapable of higher thoughts and higher arts. The author begs to disagree, hence race has nothing to do with human intelligence, and the reasons why there is insignificant human development in Africa according to the author are human slavery which happened in the past, which was a plot to use African natives as human machines; forced dominance which resulted in land seizures in some part of Africa and colonial invasion which was a plot to acquire land and natural resources and not to help Africa as the imperialists' conspiracy propagandists want all to believe. Colonialism came with religious tools enforced with guns and brute force, and without the invasion of the colonialists, Africans would have developed

considering the pyramids of Egypt, the axioms of Ethiopia, the medical institutes in Timbuktu in the ancient times and more. According to the author, the reason why the African continent is paralysed in terms of economic development is mental slavery leading to economic slavery. Mental slavery is caused by racial discrimination, mind diversion using information and religious tools, pseudoscience or superstitions, faulty education, colonialism, and colonial destruction of African cultural evolution. The author believes that since Chinese and Indians could develop and attain economic freedom, so also can Africa develop, but Africans must first deal with mental slavery. Mental slavery leads to economic slavery. Today, Africans cannot produce what they consume nor consume what they produce all because of mental slavery. An endangered species is a population of organisms which is facing a high risk of becoming extinct because it is either few in numbers or threatened by changing environmental or predation parameters. Technically speaking, African natives are facing predation parameters, and it seems that the New World Order since its creation and inception designated the African natives (that they call blacks) as guinea pigs that will be used in its operations and to advance its cause. The black man has faced cruel slavery, colonialism, forced dominance and subjugation, neo-colonialism, and he is now also facing mental slavery, a far more

dangerous situation. It is a situation not recognisable with the naked eye yet exists and poses more danger than all of the former, creating a cloud of mental slaves who are moving in the wrong direction applying the wrong life operational parameters. Development is extremely slow in the African continent, and the advanced nations have ceased that opportunity to transform the continent into a huge market for their finished goods, in the process also fuelling mind slavery to impair development. They hypocritically condemn the African continent as incapable of self-sustenance, but it has never occurred to anyone that if Africa stands up today, those advanced nations will lose their market. In exchange directly or indirectly for the rich natural resources of the African continent, the advanced nations have fuelled wars and mental slavery in the continent while still condemning the continent. Unfortunately, the same mercenaries of the New World Government who enslaved the African people in

There is not a more spine-chilling section in the entire Bible than Revelation 13, because this Chapter describes a Satanically-possessed, murderous, tyrannical world dictator who appears just before the Second Coming of Jesus Christ; during the final 7-years of world history known as the Tribulation-Period. infamous number is 666! This Beast-Man uses a global, universal ID system placed in people's bodies called "the Mark of the Beast," specifically placed in either their Right-Hands or Foreheads, without which no one will be permitted to buy or sell anywhere. It will be the "Mark-Of-The-Beast." Everyone seems to know about the number "666," even those with little knowledge of the Bible, because it is identified as the infamous "devil's number." In fact, this is perhaps one of the most widely known Bible verses as follows: "And he causeth all...to receive a mark in their right hand, or in their forehead; and that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. Here is wisdom. Let him that hath understanding count the number of the beast, for it is the number of a man; and his number is six hundred threescore and six [666]." (Revelation 13:16-18) For centuries, the fulfillment of these verses was a mystery. No one could understand how such a Marking system would control buying and selling throughout the world. But now it no longer takes "simple faith" to believe such facts, as the literal fulfillment of this Bible prophecy is now coming together with incredible speed---right before our eyes. Obviously, we are the Beast-Tech generation! Study this book carefully and you'll truly understand the coming Mark-Of-The-New-World-Order!
