"Cosima" tells the story of an aspiring writer growing up in Nuoro, Sardinia during the last decades of the nineteenth century when formal education for women was rare and literary careers unheard-of. Based on Deledda's own life, the work describes a young woman's struggle against the dismay and disapproval of her family and friends at her creative ambitions. Yet it also reads like a charming fable with details

of family life, rural traditions and wild bandits, and it is as much a novel of memory as of character or action. Deledda's characters are poor country folk driven by some predetermined force. Their loves are tragic, their lives as hard and as rigidly controlled as nature itself in the hills of Sardinia. Deledda creates memorable figures who play out their lives against this backdrop of mountains and bare plains, sheepfolds and vineyards. Shimmering in the distance is the sea and escape - for a few - to the Continent or America. In 1926 Grazia Deledda became the second woman and the second Italian to receive the Nobel Prize for Literature. She wrote thirty-three novels, including "Reeds in the Wind," and many books of short stories, almost all set on Sardinia. Her work has become well known to English-speaking readers through Martha King's translations for Italica Press.

First published in 1968, *The World Saved By Kids* was written in the aftermath of deep personal change and in the context of what Elsa Morante called the great youth movement exploding against the funereal machinations of the organized contemporary world . Greeted by Pier Paolo Pasolini as a political manifesto written with the grace of a fairy tale and by Antonio Porta as one of the most important books of the decade, *The World Saved By Kids* has Morante display true mastery of tone, rhythm and imagery as she works elegy, parody, storytelling, song and several more forms into an act of language magic through which Gramsci and Rimbaud, Christ and Antigone, Mozart and Simone Weil and a host of other figures join the sassy, vulnerable neighbourhood kids in a renewal of the word s timeless, revolutionary power to explore and celebrate life s insoluble paradox. Morante gained international recognition and critical acclaim for her novels *Menzogna e sortilegio* (to date untranslated except for a heavily abridged version), *History*, *Arturo s Island* and *Aracoeli* but always considered the unclassifiable *World Saved By Kids* her best book and the one that most closely spoke her spirit.
