The Why's of Economics Nirav Shedge, 2021-07-15 What happens when we print excess money? How does inflation depress our savings in the banks? How do commercial banks advance out loans to households and corporates? Will the rise of AI, ML, and Robotics make humans obsolete? What about china's supremacy in trade? How do governments and central banks regulate the economy in unprecedented times? And what about immigration? Few of the many questions that are often raised in economics have been answered in this short book. The book comes with few jargons that have been explained and demystifies the concepts that always keep bugging our minds. The book instigates many innovative examples to try and relate to the present environment to make the book much more engaging.

Microbiology by OpenStax Nina Parker, Mark Schneegurt, Anh-Hue Thi Tu, 2023-02-06 Microbiology covers the scope and sequence requirements for a single-semester microbiology course for non-majors. The book presents the core concepts of

microbiology with a focus on applications for careers in allied health. The pedagogical features of the text make the material interesting and accessible while maintaining the career-application focus and scientific rigor inherent in the subject matter. Microbiology's art program enhances students' understanding of concepts through clear and effective illustrations, diagrams, and photographs. Microbiology is produced through a collaborative publishing agreement between OpenStax and the American Society for Microbiology Press. The book aligns with the curriculum guidelines of the American Society for Microbiology.

Shortcut to Serenity Nirav Shah, 2021-09-15 Are you always stressed? Does life get in the way of your peace of mind? Do you feel as though, no matter your success, happiness is transitory, if not illusory? Well, you are not alone. Shortcut to Serenity is a guide to modifying your outlook on life, so you can put a higher value on happiness. This means true happiness—the type of happiness that does not get disturbed by what happens outside yourself. This is not a religious book. No matter your religion, you will find the lessons from the book helpful and relatable. Certified meditation instructor Shah presents his lessons in a simple, no jargon, no-nonsense style. The lessons and meditations intertwined throughout the book will transform your mindset. The book is designed for you to contemplate one lesson per day and engage in an accompanying meditation practice. In the appendixes of the book, you will find 16 fully guided meditation practices and a set of meditation postures for your reference. Embark on your journey towards developing a peaceful mind today with Shortcut to Serenity.
