Internationally recognized "millionaire-maker" Dan Kennedy leads business professionals into the post-recession economy and introduces them to the new rules, new restrictions, new obstacles, and new opportunities that lie ahead. Entrepreneurs are mentored on which current business truths and principles are still relevant, but more importantly, Kennedy offers completely new strategies, tactics, and applications to help them succeed in The New Economy. Following Kennedy's advice, entrepreneurs can go forward into The New Economy more astutely, efficiently, productively, and confidently—earning themselves more money than they ever imagined possible! Kennedy covers: • The key decision required for success by The New Economy • The #1 Demand of New Economy Customers and how to meet it • Four power-positioning strategies for extreme marketplace advantage • Six mandatory entrepreneurial competencies for The New Economy • What The New Economy punishes most viciously and rewards most generously • How to avoid destruction by and instead profit from the "No Boundaries" New Economy • And More In this timely business guide, Kennedy reveals essential strategies, tactics, and business principles that every business owner will need to succeed in the tougher, more demanding New Economy.

Marketing starts with putting together the best, most promotable message possible that truthfully represents the 'goods' you have, and that message has to highlight a 'USP'- a unique selling proposition. The Ultimate Marketing Plan will equip readers with the tools they need to find their own USP for all their products, services, or businesses and teach them which delivery methods are the best for their situation. The Ultimate Marketing Plan has been updated to include new marketing techniques, including voice mail services, the internet, e-mail and broadcast faxing. Through success stories, examples and hands-on 'Think Sheets' readers will learn how to: * Research the competition * Build customer interest * Create their own publicity department with little or no budget * And more!

A trailblazing anthropologist and an indigenous Amazonian healer explore the convergence of science and shamanism "The dose makes the poison," says an old adage, reminding us that substances have the potential to heal or to harm, depending on their use. Although Western medicine treats tobacco as a harmful addictive drug, it is considered medicinal by indigenous people of the Amazon rainforest. In its unadulterated form, it holds a central place in their repertoire of traditional medicines. Along with ayahuasca, tobacco forms a part of treatments designed to heal the body, stimulate the mind, and inspire the soul with visions. In Plant Teachers, anthropologist Jeremy Narby and traditional healer Rafael Chanchari Pizuri hold a cross-cultural dialogue that explores the similarities between ayahuasca and tobacco, the role of these plants in indigenous cultures, and the hidden truths they reveal about nature. Juxtaposing and synthesizing two worldviews, Plant Teachers invites readers on a wide-ranging journey through anthropology, botany, and biochemistry, while raising tantalizing questions about the relationship between science and other ways of knowing.

Fact: More commerce and wealth is created by direct mail than by any other media (true before the internet and true now) Reported in 2013 as the marketing channel that "delivers the best ROI for customer acquisition and retention" by Target Marketing's Seventh Annual Media Usage Forecast survey of B2C, direct mail is surprisingly outdated and under-represented on the marketing bookshelves for small business owners — authors Simpson and Kennedy change that. Millionaire-maker Dan S. Kennedy and direct mail marketing specialist Craig Simpson urge small business owners to drive the momentum built via social media and other marketing avenues into the mailboxes of their target consumers. Unlike other direct mail marketing books on the shelf that specialize in one aspect of preparing a campaign such as copywriting or design, this comprehensive solution covers all — the organizational, technical, and creative including designing, budgeting, tracking, and assessing effectiveness. Also covered is how direct mail can be used in today's online marketing funnels. Benefiting from the authors' combined 30 years in

direct marketing, business owners are given the guidelines for what works and what doesn't, illustrated by real-life business campaigns that show step-by-step how to build a results-producing promotional campaign.

“ My research shows we are heading into a major shake-out in business that will determine the leaders for decades to come. This will REQUIRE creative marketing and positionin, and there is no better source than Dan Kennedy on this topic. His book No B.S. Guide to Trust-Based marketing is rich with vital insights.” -Harry S. Dent, Jr., author, The Great Crash Ahead Trust Between Consumers and Businesses is Gone Here's How to Fix It Internationally recognized “millionaire maker,” Dan S. Kennedy, joined by entrepreneur and financial consultant, Matt Zagula, show you how to break down the barriers caused by the “trust no one” mantra invading every customer’s mind today. They deliver an eye-opening look at the core of all business—trust, and teach you the secrets to gaining it, keeping it, and using it to build competitive differentiation, create price elasticity, attract more affluent clients, and inspire referrals. You'll get the essential strategies required to build trust in an understandably untrusting world, and in turn, attract both business and profits. Covers • 8 ways to demonstrate trustworthiness to prospective clients • The #1 secret desire of today’s untrusting prospects—how to understand it, respond to it, and use it to transform marketing, prospecting, and presentations • How to avoid dumb mistakes that scream “salesman” to prospects • Why “Where can I find clients?” is the wrong question. The right question is: How can I construct a business persona and life so that clients seek me out, with trust in place in advance? • How to keep products, services and prospects away from the avalanche of competitive and confusing information online • The incorrect assumption that trust is built by imparting information and knowledge and a breakthrough technique to replace this mistake

To avoid grabbing every business owner he meets by the shoulders and shaking them, millionaire maker Dan S. Kennedy has joined with marketing strategist Kim Walsh-Phillips to help business owners, private practice professionals, and professional marketers start making dollars and cents of their social media marketing. Daring readers to stop accepting non-monetizable “likes” and “shares” for their investment of time, money, and energy, Kennedy and Walsh-Phillips urge readers to see their social platforms for what they are—another channel to reach customers and gain leads and sales for their efforts. Illustrated by case studies and examples, this No B.S. guide delivers practical strategies for applying the same direct- response marketing rules Kennedy has himself found effective in all other mediums. Covers: •How to stop being a wimp and make the switch from a passive content presence into an active conversion tool •How to become a lead magnet by setting up social media profiles that focus on the needs of ideal prospects (not the product or service) •Creating raving fans that create introductions to their networks •How to move cold social media traffic into customers •The role of paid media and how to leverage social media advertising to drive sales

THE SCARY TRUTH: The middle-class consumer population—and their buying power—is massively shrinking. Customers are buying less and in fewer categories. THE SILVER LINING: It takes no more work to attract customers from the explosively growing Mass-Affluent, Affluent, and Ultra-Affluent populations eager to pay premium prices in return for exceptional expertise, service, and experiences. In this new edition of No B.S. Marketing to the Affluent, millionaire maker Dan S. Kennedy shows you how to re-position your business, practice, or sales career to attract customers or clients for whom price is NOT a determining factor. Learn how to sell to those who will always be spending as Kennedy shines the spotlight on the practical strategies used by The Ritz-Carlton, Disney, Harrah’s Entertainment, Dove, AARP, Dr. Oz, Starbucks, Williams-Sonoma, DeBeers, the health and wellness industry and many other fascinating and diverse true-life examples. You'll also discover how to: Use 10 surprising emotional buy triggers the affluent find irresistible Stop selling products and services and learn how selling aspirations and emotional fulfillment is more profitable Use Kennedy's Million-Dollar Marketing System. Millionaire maker Dan S. Kennedy and local-level marketing specialist Jeff Slutsky empower small business owners to take on big box companies and distant discounters using their best asset—their ability to bond directly with their consumers. Small business entrepreneurs are armed to go “grassroots” given winning strategies to take their marketing to the street level resulting in higher customer retention, greater referrals, and a thriving business for the long-term. About the Book Kennedy and Slutsky dare small business owners to break free of the ingrained tendencies to “advertise when you need more customers” and to copycat what they see big, national companies doing. Local business owners are urged to add some politicking to their business presence, focusing their marketing on directly connecting with their customers, integrating them into their community and even, their daily activities. Kennedy and Slutsky deliver creative, high impact alternatives and supplements to disappointing traditional advertising and new media including strategies for gaining free advertising from local news media, creating events that multiply customers, and effectively using direct mail. Small business owners also uncover surefire tactics that capitalize on their neighborhoods, the four walls of their business, and

the internet, reaching their local customers and creating a sense of a personal relationship. Throughout their lesson in going grassroots, Kennedy and Slutsky also reveal the nine inconvenient truths of grassroots marketing, keeping small business owners on track and on their way local business stardom. Features • Presents a marketing approach specifically engineered for small (local) businesses • Reveals 9 No B.S. inconvenient truths and how to implement them • Illustrates concepts with examples from practicing business owners • From Dan Kennedy, author of the popular No B.S. books including No B.S. series, which shipped more than 250,000 copies • Identifies what's wrong with traditional and new media advertising • Offers methodology to break free from ingrained tendencies and copycat marketing

Distilling the wisdom of the world's greatest advertisers, direct marketing expert Craig Simpson delivers an education on direct marketing and advertising copy that creates brand awareness, sells products, and keeps customers engaged. Walks readers through time-tested methods of creating effective ad copy that increases profits. Dissects the principles of legendary marketers like Robert Collier, Claude Hopkins, John Caples, and David Ogilvy.

"Never take incoming calls!" and "Use, don't be abused by, technology!" are just two of the dozens of timesaving tips from the Professor of Harsh Reality. In this book, business-success expert Dan Kennedy delivers vital time-management techniques for the super-busy entrepreneur. In his infectiously energetic style, Kennedy, noted author, speaker, and consultant, offers up page after page of time-saving advice -- sometimes tough, sometimes surprising, but always practical. He shows how to: -- Handle the information avalanche -- Turn time into wealth -- Gain the personal discipline that will make you successful

CHANGE YOUR MATH CHANGE YOUR BUSINESS CHANGE YOUR LIFE Almost Alchemy challenges your existing beliefs and self-imposed limitations--forcing you to re-imagine, reinvent, and reorganize your business to achieve and exceed goals in a systematic and sustainable way. In this radical new book, Dan Kennedy destroys the myth that "Knowledge is Power" by exposing 20 different proven strategies to ensure business sustainability and maximize wealth extraction. It is thought-provoking, cage-rattling and mind blowing all in one. Alchemy isn't writing slightly better copy or tweaking your marketing to take advantage of some new media or some other hot trend. Instead, it's about reinventing the way you think about your business, recognizing the "brutal realities" that few dare to embrace or refuse to even recognize... and turning information into ACTION and PROFIT. In its mythical context, Alchemy was about one thing and one thing only: transforming ordinary metals into gold. And like thousands of others, you may start this book thinking you're in an ordinary business and finish realizing you instead have a different, bigger, better, more valuable one.

American advertising pioneer CLAUDE C. HOPKINS (1866-1932) is still renowned today for developing such marketing innovations as coded coupons that could be used to track the success of varying offers. His methods are still prized for their efficacy today. In this groundbreaking 1923 work, written after he retired as president and chairman of one of the world's biggest ad agencies, Hopkins shares the secrets of successful marketing that are just as relevant today as they were almost a century ago. Learn: . how advertising laws are established . the importance of just salesmanship . why businesses must offer service . mail order advertising: what it teaches . what makes headlines effective . understanding customer psychology . how to use art in advertising . how to use samples . the best way to test campaigns . the impact of negative advertising . and much more.

Robert Collier was decades ahead of his time in writing down ways for man to improve his lot in life. He wrote "Secret of the Ages" during an active and successful life developed upon basic ideas which opened up new vistas of living for countless multitudes of people. Brought up to be a priest, he worked as a mining engineer, an advertising executive and a prolific writer and publisher. The Robert Collier Letter Book earned Robert Collier the distinction of being one of the greatest marketing minds in history. Robert Collier sales letters were successful because he wrote to his readers' needs. As an expert in marketing, his sales savvy and writing expertise placed hundreds of millions of dollars in his clients' pockets.

Romi shares exactly how she talked her way into a Seven-Figure network marketing business and how you can too. You'll learn: The Posture to confidently connect with anyone about your business and your products. The Possibilities for a lucrative, efficient and enormously fun turn-key business. The Power that's already within you to build the life you really want if you dare. Romi Neustadt is a former corporate chick (lawyer, PR executive) who traded in the billable hour for time and money freedom. She's built a 7-figure business that allows her and her husband John and two kids to LiveFullOut. And she's devoted to helping others design the lives they really want too!

Brian Kurtz is the bridge connecting the bedrock fundamentals of direct response marketing to the state-of-the-art strategies, tactics, and channels of today. Overdeliver distills his expertise from working in the trenches over almost four decades to help readers build a business that maximizes both revenue and relationships. Marketing isn't everything, according to Brian Kurtz. It's the only thing. If you have a vision or a mission in life, why not share it with millions instead of dozens? And while you are sharing it with as many people as possible and creating maximum impact, why not measure everything and make all of your marketing accountable? That's what this book is all about. In the world of direct marketing, Brian Kurtz has seen it all and done it all over almost four decades. And he lives by the philosophy, "Those who did it have a responsibility to teach it." Here's a small sample of what you'll learn: * The 4 Pillars of Being Extraordinary * The 5 Principles of why "Original Source" matters * The 7 Characteristics that are present in every world class copywriter * Multiple ways to track the metrics that matter in every campaign and every medium, online and offline * Why customer service and fulfillment are marketing functions * That the most important capital you own has nothing to do with money * And much more. Whether you're new to marketing or a seasoned pro, this book gives you a crystal-clear road map to grow your business, make more money, maximize your impact in your market, and love what you're doing while you're doing it. Kurtz takes you inside the craft to help you use all the tools at your disposal--from the intricate relationship between lists, offers, and copy, to continuity and creating lifetime value, to the critical importance of multichannel marketing and more--so you can succeed wildly, exceed all your expectations, and overdeliver every time.

Dan S. Kennedy dares marketers to dramatically simplify their marketing, refocusing on what works. Updated to address the newest media and marketing methods, this marketing masterplan delivers a short list of radically different, little-known, profit-proven direct mail strategies for ANY business.
