

No Labour No Battle Military Labour During The First World War Military Historical Society

Simon Keable-Elliott

No Labour, No Battle John Starling,Ivor Lee,2014 From 1917, British soldiers who were unfit or too old for front line service were to serve unarmed and within the range of German guns for weeks or even months at a time, undertaking laboring tasks. The vital, yet largely unreported, role played by these brave soldiers was crucial to achieving victory in 1918. For this book John Starling and Ivor Lee have brought together extensive research from both primary and secondary sources. It traces how military labor developed from non-existent in 1914, to a Corps in November 1918, some 350,000 strong, supported by Dominion and foreign labor of more than a million men. The majority of the Labour Corps did not keep war diaries; therefore, this work provides vital information for those wishing to acquire information about an ancestor who served in the Corps.

No Labour, No Battle John Starling,Ivor Lee,2014-09-01 From 1917 British soldiers who were unfit or too old for front-line service were to serve unarmed and within the range of German guns for weeks or even months at a time undertaking labouring tasks. Both at the time and since they have arguably not been given the recognition they deserve for this difficult and dangerous work. From non-existence in 1914, by November 1918 Military Labour had developed into an organised and efficient 350,000-strong Labour Corps, supported by Dominion and foreign labour of more than a million men. Following the war, the grim and solemn tasks of clearing battlefields and constructing cemeteries, which continued until 1921, were also the responsibility of the Corps. Here, John Starling and Ivor Lee bring together extensive research from both primary and secondary sources to reveal how the vital, yet largely unreported, role played by these brave soldiers was crucial to achieving victory in 1918.

Underwater cultural heritage from World War I UNESCO,2015-10-05

Utterly Immoral Simon Keable-Elliott,2022-11-28 When Robert Keable's First World War novel *Simon Called Peter* was published, critics called it 'offensive', 'a libel' and reeking of 'drink and lust'. Scott Fitzgerald suggested it was 'utterly immoral' and referenced it in *The Great Gatsby*.

Soldier, Sailor, Beggarman, Thief Clive Emsley,2013-01-24 The first serious investigation of criminal offending by

members of the British armed forces both during and immediately after the two world wars of the twentieth century.

The British Empire and the First World War Ashley Jackson, 2017-06-26 The British Empire played a crucial part in the First World War, supplying hundreds of thousands of soldiers and labourers as well as a range of essential resources, from foodstuffs to minerals, mules, and munitions. In turn, many imperial territories were deeply affected by wartime phenomena, such as inflation, food shortages, combat, and the presence of large numbers of foreign troops. This collection offers a comprehensive selection of essays illuminating the extent of the Empire's war contribution and experience, and the richness of scholarly research on the subject. Whether supporting British military operations, aiding the British imperial economy, or experiencing significant wartime effects on the home fronts of the Empire, the war had a profound impact on the colonies and their people. The chapters in this volume were originally published in *Australian Historical Studies*, *The Journal of Imperial and Commonwealth History*, *First World War Studies* or *The Round Table: The Commonwealth Journal of International Affairs*.

The American Civil War John Keegan, 2010-12-07 The greatest military historian of our time gives a peerless account of America's most bloody, wrenching, and eternally fascinating war. In this magisterial history and national bestseller, John Keegan shares his original and perceptive insights into the psychology, ideology, demographics, and economics of the American Civil War. Illuminated by Keegan's knowledge of military history he provides a fascinating look at how command and the slow evolution of its strategic logic influenced the course of the war. Above all, *The American Civil War* gives an intriguing account of how the scope of the conflict combined with American geography to present a uniquely complex and challenging battle space. Irresistibly written and incisive in its analysis, this is an indispensable account of America's greatest conflict.

The Routledge History of the First World War Paul R. Bartrop, 2024-08-27 *The Routledge History of the First World War* is a work which, in a single volume, covers a range of major themes and issues relating to that conflict. Providing a comprehensive but readily accessible reference work examining the First World War, in accordance with a broad range of themes, this book presents the many ways in which study of the First World War can take place and introduces readers to new areas of research, often untouched in other studies of the war. With a scholarly Introduction and 60 chapters by specialist authors who come from 14 different countries, across four continents, the book is also intended to open lines of further inquiry from its solid base of academic knowledge. The volume demonstrates the war's global and total nature, examining the conflict in all major theatres and through the lens of the key combatants and neutrals. It also fully engages with issues of race, gender, ideology, and society during the war. This book will appeal to students of all levels, scholars, and general readers alike interested in the First World War from several different perspectives and research areas. The 60 chapters cover topics from numerous angles and provide detailed information about all aspects relating to the First World

War.

1916 Keith Jeffery, 2016-01-26 So much of the literature on the First World War centers on the trench warfare of the Western Front, and these were essential battlegrounds. But the war was in fact truly a global conflict, and by focusing on a sequence of events in 1916 across many continents, historian Keith Jeffery's magisterial work casts new light on the Great War. Starting in January with the end of the catastrophic Gallipoli campaign, Jeffery recounts the massive struggle for Verdun over February and March; the Easter Rising in Ireland in April; dramatic events in Russia in June on the eastern front; the familiar story of the war in East Africa, where some 200,000 Africans may have died; and the November U.S. presidential race in which Woodrow Wilson was re-elected on a platform of keeping the United States out of the war--a position he reversed within five months. Incorporating the stories of civilians in all countries, both participants in and victims of the war, *1916: A Global History* is a major addition to the literature and the Great War by a historian at the height of his powers.

Violence and Colonial Order Martin Thomas, 2012-09-20 A striking new interpretation of colonial policing and political violence in three empires between the two world wars.

Behind the Front Craig Gibson, 2014-03-27 This book uncovers the vital relationships between British troops and local inhabitants in France and Belgium during the First World War.

Now It Can Be Told Philip Gibbs, 2022-09-04 In 'Now It Can Be Told,' Philip Gibbs offers a candid and unvarnished portrait of World War I, which stands out in stark contrast to the sanitized versions that were permissible under wartime censorship. Gibbs masterfully employs a rich, journalistic prose style that captures the harrowing experiences and untold stories of soldiers on the Western Front. His work is not only a literary accomplishment but also a piece of historical journalism that has significantly contributed to the contemporary understanding of the Great War. Within the literary context, his narrative breaks free from the constraints of his time, providing a raw and essential account of the true costs of conflict. Philip Gibbs, an esteemed war correspondent, bore witness to the atrocities of the First World War, through which he experienced the indelible traumas and heroism of the battlefield firsthand. This direct exposure to the horrors of war informed his reflective and compassionate approach in documenting the lives of soldiers and civilians affected by the conflict. Gibbs's narrative is fuelled by an urgency to reveal the truths that wartime censorship had suppressed, a testament to his commitment to journalistic integrity and transparency. The book comes highly recommended for readers with an interest in military history, journalism, and the literature of war. Gibbs's 'Now It Can Be Told' transcends its own era to resonate with contemporary audiences seeking a deeper understanding of the human condition amidst the chaos of war. It is an essential read for anyone who wishes to grasp the reality of warfare beyond the romanticism and valor often depicted, unveiling the courage, tragedy, and sometimes the mundanity, of life on the front lines.

Worth Fighting For Lara Campbell, Michael Dawson, Catherine Gidney, 2015-03-20 Historians, veterans, museums, and public education campaigns have all documented and commemorated the experience of Canadians in times of war. But Canada also has a long, rich, and important historical tradition of resistance to both war and militarization. This collection brings together the work of sixteen scholars on the history of war resistance. Together they explore resistance to specific wars (including the South African War, the First and Second World Wars, and Vietnam), the ideology and nature of resistance (national, ethical, political, spiritual), and organized activism against militarization (such as cadet training, the Cold War, and nuclear arms). As the federal government continues to support the commemoration and celebration of Canada's participation in past wars, this collection offers a timely response that explores the complexity of Canada's position in times of war and the role of social movements in challenging the militarization of Canadian society.

Black British History Hakim Adi, 2019-03-15 For over 1500 years before the Empire Windrush docked on British shores, people of African descent have played a significant and far-ranging role in the country's history, from the African soldiers on Hadrian's Wall to the Black British intellectuals who made London a hub of radical, Pan-African ideas. But while there has been a growing interest in this history, there has been little recognition of the sheer breadth and diversity of the Black British experience, until now. This collection combines the latest work from both established and emerging scholars of Black British history. It spans the centuries from the first Black Britons to the latest African migrants, covering everything from Africans in Tudor England to the movement for reparations, and the never ending struggles against racism in between. An invaluable resource for both future scholarship and those looking for a useful introduction to Black British history, *Black British History: New Perspectives* has the potential to transform our understanding of Britain, and of its place in the world.

The Australian Security Intelligence Organization Frank Cain, 2012-11-12 This book traces the history of Australia's highly secret Intelligence Security Organisation. Established in the early days of the Cold War, like most intelligence organisations working under covert conditions, it exceeded the vague powers entrusted to it. It has been the subject of two Royal Commissions in Australia and in recent times several acts of Parliament have been passed in order to make it more accountable to Australia's government and its citizens.

Occupied St John's Steven High, 2010-10-12 In January 1941, the hulking twenty-one thousand ton troopship Edmund B. Alexander docked in St John's harbor, carrying a thousand American soldiers sent to join the thousands of Canadian troops protecting Newfoundland against attack by Germany. France had fallen, Great Britain was fighting for its survival, and Newfoundland - then a dominion of Britain - was North America's first line of defence. Although the German invasion never came, St John's found itself occupied by both Allied Canadian and American forces.

Air University Library Index to Military Periodicals, 1999

Filling the Ranks Richard Holt, 2017-04-01 Manpower is the lifeblood of armies regardless of time or place. In the First

World War, much of Canada's military effort went toward sustaining the Canadian Expeditionary Force, especially in France and Belgium. The job was not easy. The government and Department of Militia and Defence were tasked with recruiting and training hundreds of thousands of men, shipping them to England, and creating organizations on the continent meant to forward these men to their units. The first book to explore the issue of manpower in the Canadian Expeditionary Force, *Filling the Ranks* examines the administrative and organizational changes that fostered efficiency and sustained the army. Richard Holt describes national civilian and military recruitment policies and criteria both inside and outside of Canada; efforts to recruit women, convicts, and members of First Nations, African Canadian, Asian, and Slavic communities; the conduct of entry-level training; and the development of a coherent reinforcement structure. Canada's ability to fill the ranks with trained soldiers ultimately helped make the Corps an elite formation within the British Expeditionary Force. Based on extensive research in British and Canadian archives, *Filling the Ranks* provides a wealth of new information on Canada's role in the Great War.

Chapel Street Sheila Brady, 2017-11-20 Chapel Street was a row of old Georgian terraced lodging houses in Altrincham, home to some 400 Irish, English, Welsh and Italian lodgers. From this tight-knit community of just sixty houses, 161 men volunteered for the First World War. They fought in all the campaigns of the war, with twenty-nine men killed in action and twenty dying from injuries soon after the war; more men were lost in action from Chapel Street than any other street in England. As a result, King George V called Chapel Street 'the Bravest Little Street in England'. The men that came home returned to a society unfamiliar with the processes of rehabilitation. Fiercely proud, they organised their own Roll of Honour, which recorded all the names of those brave men who volunteered. This book highlights their journeys through war and peace. Royalties from the sale of this book will help support the vital work of the charity Walking With the Wounded and its housing, health, employment and training programmes for ex-service personnel.

Asia and the Great War Guoqi Xu, 2017 There is no single volume that shines a light on Asia's collective involvement in the First World War, and the impact that war had on its societies. Moreover, no volume in any language explores the experiences Asian countries shared as they became embroiled, with divergent results, in the war and its repercussions. *Asia and the Great War* moves beyond the national or even international level by presenting a 'shared' history from non-national and transnational perspectives. Asian involvements make the Great War not only a true 'world' war but also a 'great' war. The war generated forces that would transform Asia both internally and externally. Asian involvement in the First World War is a unique chapter in both Asian and world history, with Asian participation transforming the meaning and implications of the broader conflict. *Asia and the Great War* also takes steps to recover memories of the war and re-evaluate the war in its Asian contexts. Asia's part in the war and the part the war played in the collective development of Asia represent the first steps of the long journey to full national independence and international recognition. This volume aims to bring the Great War more

fully into Asian history and the people of Asia into the international history of the war, in the hope that the shared history could lay the groundwork for a shared future.

As recognized, adventure as competently as experience more or less lesson, amusement, as well as pact can be gotten by just checking out a books **No Labour No Battle Military Labour During The First World War Military Historical Society** afterward it is not directly done, you could consent even more roughly speaking this life, going on for the world.

No Labour No Battle Military Labour During The First World War Military Historical Society Introduction

In the digital age, access to information has become easier than ever before. The ability to download No Labour No Battle Military Labour During The First World War Military Historical Society has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download No Labour No Battle Military Labour During The First World War Military Historical Society has opened up a world of possibilities. Downloading No Labour No Battle Military Labour During The First World War Military Historical Society provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading No Labour No Battle Military Labour During The First World War Military Historical Society has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal

growth. There are numerous websites and platforms where individuals can download No Labour No Battle Military Labour During The First World War Military Historical Society . These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading No Labour No Battle Military Labour During The First World War Military Historical Society . Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading No Labour No Battle Military Labour During The First World War Military Historical Society , users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download No Labour No Battle Military Labour During The First World War Military

Historical Society has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About No Labour No Battle Military Labour During The First World War Military Historical Society Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the

font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. No Labour No Battle Military Labour During The First World War Military Historical Society is one of the best book in our library for free trial. We provide copy of No Labour No Battle Military Labour During The First World War Military Historical Society in digital format, so the resources that you find are reliable. There are also many Ebooks of related with No Labour No Battle Military Labour During The First World War Military Historical Society . Where to download No Labour No Battle Military Labour During The First World War Military Historical Society online for free? Are you looking for No Labour No Battle Military Labour During The First World War Military Historical Society PDF? This is definitely going to save you time and cash in something you should think about.
