Discovered by Charlie Chaplin in 1919, four-year-old Jackie Coogan soared to overnight stardom for his title role in the silent masterpiece, *The Kid*. A string of successes followed, including *Peck's Bad Boy*, *Oliver Twist*, and *A Boy of Flanders*, earning Coogan a fortune of four million dollars. Dubbed 'The Millionaire Kid' by the press, he later had to sue his parents in a futile attempt to recover his squandered fortune. His later years were marked with penury and the cruel diminishment of his childhood fame. As an adult, he found work in character roles and gained unexpected but fleeting fame as 'Uncle Fester' in the series *The Addams Family*. He continued to make guest appearances on television until his death in 1984. In *Jackie Coogan: The World's Boy King*, Diana Serra Cary reveals the little-known and even less understood private life of this famous child star and his dysfunctional family. She looks at the highs and lows of an actor who reached the height of fame before ten and whose subsequent career took an inevitable fall. Cary also examines the conduct of Coogan's parents, whose behavior served as an unfortunate model for countless others who sought fame and fortune through their children's success. The author, a major child star (the former *Baby Peggy*), employs her own hard-won insight to explore the career and family woes of another in this fascinating account about one of the greatest child stars of all time. Includes more than 30 photos.

This meticulously researched book explores the concept of fame in all its fleeting glory and confounding inconsistency. Why do so many entertainers do so much better financially than peers who have comparable resumes? Author Donald Jeffries also examines a subject he is quite familiar with; the myriad of unnatural deaths which have plagued the entertainment industry since the dawn of Hollywood. The deaths of John Lennon, Elvis Presley, Marilyn Monroe, Natalie Wood, and many others are scrutinized in exacting detail. Jeffries communicated with many older entertainers during the course of researching the book, and their perspectives are included here. *On Borrowed Fame* will be of great interest to fans, celebrities, and anyone with even a cursory affinity for the world of show business.

Flames almost killed this ex-firefighter. And the sparks he's feeling now might burn what's left of his heart. Sabrina He was a charming S.O.B. when I dated

him two years ago, but the Logan Carter who arrives at Bad@ss Builds is a shadow of the one I knew. This Logan is surly, bitter, and scarred—evidence of the fire he survived marked him both inside and out. Does he really not remember me? Logan I'm upright and functioning. Isn't that enough? I shouldn't even be alive. And I definitely don't have time for the bubbly, gorgeous woman from my past who can do better than me. No matter how much I wish I could be the man she remembers. *Can be read as a standalone

With both feet firmly on the ground--or in his family's gold mine beneath terra firma--Mac has no time for the "Hollywood types" that have invaded his hometown of Sentinel Pass. But try telling that to his little daughter who believes Morgana Carlyle is a real life princess sent to be her new mommy. BOOK #5: BLACK HILLS NATIVE SON - A journey of discovery brings him the son he never knew, and the woman he was meant to love. Those answers are pure speculation...until marketing guru Rachel Grey shows up with plans to make Rufus's art the next big thing. BOOK #7: BLACK HILLS WHITE KNIGHT - A white knight? Hardly. His suit is Armani--not armor. A-list agent William Hughes leaves high drama to his Hollywood A-list friends and clients. There's only room for one crusader in the family and that role falls to his saintly mother, a doctor who has devoted her life to the children of the world...seeming to forget she has a son of her own. But when asked to fly Daria Fontina and her two daughters to a safe house in the Black Hills, William doesn't hesitate. BOOK #8: BLACK HILLS RANCHER - Picking the right twin to be a role model for his daughter should be easy--not dangerous. A stunt-woman? Cade Garrity's new short-term tenant risks life and limb for a living? Oh, hell, no. The Black Hills rancher is a single dad with an impressionable young daughter who's recently expressed an interest in bull riding. But when Jessie Bouchard drops out of the sky into his arms, he realizes he can't let her go. BOOK #9: BLACK HILLS STRANGER - He's no stranger to her. But his seven-year old daughter, Birdie, has disappeared and Remy is the only one he trusts to find her—after all, Remy's unique abilities saved his life

when he was a child. **BOOK #10: BLACK HILLS LEGACY** - Nothing like an unconscious doppelgänger to ruin a perfectly good day at the Mystery Spot. Robyn Craine, new owner of The Mystery Spot, has big plans for the Sentinel Pass tourist attraction, and she gambled her surprise inheritance--a gift from billionaire Harold Hopewell that Robyn's late mother chose to keep secret--to buy the adjoining piece of property to turn her business into a year-round travel venue. Robyn doesn't have time to fall for Liam Temple, a handsome actor whose father is ready to go to war over Robyn's land.
