Set in the unstable political climate of the Philippines, and based on a number of true events, *No Sanctuary But Hell* is a tense powerful story of brutality and betrayal that opens the door into the hidden depths of third-world terrorism and political intrigue. Rashid Ali, is a Muslim terrorist, malevolent and ruthless, a cold-blooded killer. General Cesar Aguinaldo, his nemesis, is ambitious and powerful, but with a murky past. A dark incident years earlier which saw Ali's parents murdered in cold blood by Aguinaldo, is the trigger linking the two men and which sends their lives spiralling towards certain conflict - and tragedy. Ali and his beautiful sister Sarimah plot the downfall and destruction of the man, because twelve years on Ali's lust for revenge is as entrenched as ever. He lives and breathes to see the ultimate demise of the object of his hate. He discriminates between no-one, prepared to destroy all whom he sees as a barrier in his single minded crusade. In the interim, to his chagrin, the same man has risen through the ranks to become the country's top soldier. General Cesar Aguinaldo, Chief of the Armed Forces, is knocking at the door of ultimate power, Ferdinand Marcos's personal favourite to succeed him as the next President of the Philippines. Unknowingly Ali has a perverse ally in his quest for retribution: Defence Secretary Fernandez, who sees Aguinaldo as a political rival as well as an aspirant for his wife's attentions, hates the man with a passion approaching that of Ali. Inevitable conflict looms and the ensuing maelstrom of violence wrought determines not only the destiny of Ali and Aguinaldo but also that of co-conspirators linked to the two central characters, who weave their own blend of treachery to satisfy personal agendas of greed and revenge. Dark and gritty, *No Sanctuary But Hell* is a tautly plotted on-the-edge thriller, by a new British writing talent, of atypical hostility and duplicity portrayed by men - and a woman - with determined but warped ambitions.

The Deliverance of Sanctuary is a fast-paced existentialist play, with snappy and witty dialogues, quick exchanges and quick interchanges - a tragicomedy in three Acts. It is a Theatre of the Absurd revival with colourful, hyperbolic and interesting characters that engross us during an eccentric, yet seemingly divine, journey. Any strict interpretations would, however, be erroneous because the play is nothing other than absurd. Its brilliance lies in its simplicity, which is used effectively to bind together numerous themes to produce an evocative commentary on human condition as it is, has been, and will always be. Everything that happens is as important as everything that does not, all that is said is as significant as all that is not. This creates a unique platform that truly allows the audience to partake in The Deliverance of Sanctuary by taking from it only what each sees fit.
