Perfect for planning and note taking.

Tackles current environmental issues in a fun, easy to relate to manner. Ages 7-14.

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a groundbreaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

#1 New York Times Bestseller Over 1 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. *The Subtle Art of Not Giving a F**k* is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for

showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, *The Subtle Art of Not Giving a F**k* is a refreshing slap for a generation to help them lead contented, grounded lives.

Why Not Load Your Own! explains how to get the results you want by handloading. The step-by-step guide has shown huntsmen how to shoot on a budget and produce ammunition that will give you more accurate results than any other load. Without assuming any prior knowledge on behalf of the reader, Colonel Townsend Whelen explains every step of the handloading operation: decapping; cleaning the primer pocket; chamfering the neck; recapping; neck sizing and expanding; powder measuring; and inserting and seating the bullets after you have cast, lubricated, and sized them. Whelen even provides basic equipment recommendations for those who are getting started. Ranging from the .218 Bee to .45-.70 US Government, Whelen covers 40 basic loads that are most useful to beginners. Whelen's precise instructions cover all of the precautions necessary for loading safe, accurate, and dependable cartridges. Originally published in 1957, this reprinted fourth edition offers a historic account of the art of handloading. Colonel Townsend Whelen (1877-1961), an American soldier and outdoorsman, is best known for his expertise with rifles, reloading, and cartridge development. An avid writer on hunting and outdoorsmanship, Whelen contributed to a variety of magazines and authored numerous books, including *Wilderness Hunting & Wildcraft*.

Crack CIA analyst Trista Gold is a whiz with the computer, but not so much with people. She hides behind her job, analyzing Top Secret code and making recommendations on national security. She doesn't need a man in her life. But she will, very soon... CIA K-9 officer Sgt. Matt Connors suspects that beneath Trista's uptight appearance, there's a sexy woman itching to cut loose. But he doesn't dare act on his attraction. He's a loner and always will be. Keeping away from Trista is a must-do directive. Until he doesn't have a choice... During a routine assignment, Trista stumbles across a cryptic exchange. She doesn't think much of it... until someone tries to murder her—twice. Both times, Matt had been there to save her. But now she has to hide. And her new bodyguard, Matt, and his K-9 are the only hope she has against the powerful forces that want her dead. Each book in the Federal K-9 series is STANDALONE: *

Lock 'N' Load * Armed 'N' Ready * Dark 'N' Deadly * Trap 'N' Trace * Serve 'N' Protect
Contains the proceedings of the Association.

THE INSTANT #1 NEW YORK TIMES BESTSELLER! "I like to think of NOT ALL DIAMONDS AND ROSÉ as the ultimate reunion. I know readers will be surprised, entertained, and even shocked at what's in store." - Andy Cohen
Dave Quinn's Not All Diamonds and Rosé is the definitive oral history of the hit television franchise, from its unlikely start in the gated communities of Orange County to the pop culture behemoth it has become—spanning nine cities, hundreds of cast members, and millions of fans. What is it really like to be a housewife? We all want to know, but only the women we love to watch and the people who make the show have the whole story. Well, listen in close, because they're about to tell all. Nearly all the wives, producers, and network executives, as well as Andy Cohen himself, are on the record, unfiltered and unvarnished about what it really takes to have a tagline. This is your VIP pass to the lives behind the glam squads, testimonials, and tabloid feuds. Life's not all diamonds and rosé, but the truth is so much better, isn't it? Includes Color Photographs
Vols. for 1970-79 include an annual special issue called IEE reviews.

The phenomenon returns! Originally published in 1987, *The Book of Questions*, a New York Times bestseller, has been completely revised and updated to incorporate the myriad cultural shifts and hot-button issues of the past twenty-five years, making it current and even more appealing. This is a book for personal growth, a tool for deepening relationships, a lively conversation starter for the family dinner table, a fun way to pass the time in the car. It poses over 300 questions that invite people to explore the most fascinating of subjects: themselves and how they really feel about the world. The revised edition includes more than 100 all-new questions that delve into such topics as the disappearing border between man and machine—How would you react if you learned that a sad and beautiful poem that touched you deeply had been written by a computer? The challenges of being a parent—Would you completely rewrite your child's college-application essays if it would help him get into a better school? The never-endingly interesting topic of sex—Would you be willing to give up sex for a year if you knew it would give you a much deeper sense of peace than you now have? And of course the meaning of it all—If you were handed an envelope with the date of your death inside, and you knew you could do nothing to alter your fate, would you look? *The Book of Questions* may be the only publication that challenges—and even changes—the way you view the world, without offering a single opinion of its own.
