They met, scandalously, in her bedroom at midnight, and shared a daring escape from France. Now, in London, the cynical and mocking Sir Nicholas Thomas is high-spirited Roberta Rushforth's hired protector and seeming suitor in an elaborate masquerade. The social whirl exposes her to the schemes of her jealous former suitor and a notorious French count—and leaves her breathless in Sir Nicholas' arms. Beneath the glittering facade lies dark treachery, but Roberta can no longer mask her passion for Sir Nicholas—whose ardent gaze might mean nothing. . .or everything.

The first-of-its-kind exhibit cataloged here focuses on the women of Egypt from all levels of society in works compiled strictly from American collections by American curators. Because the quantity of written records is limited (though enormous in comparison to most early societies), there is still much guesswork involved in determining the place women held in Egyptian society. It is clear that, unlike most ancient and not-so-ancient societies, Egypt conferred on women the legal right to own property and to barter their own goods, which means a larger record for current study. The essays here are both erudite and fascinating to read; the illustrations are clear and well presented in conjunction with the text. 117 colour & 112 b/w illustrations

An expanded edition of Dr. Stephen Skinner's classic set of tabular correspondences. Anyone practicing magic won't want to miss this comprehensive book of magician's correspondences. Featuring four times more tables than Aleister Crowley's Liber 777, this is the most complete collection of magician's tables available. This monumental work documents thousands of mystical links-spanning pagan pantheons, Kabbalah, astrology, tarot, I Ching, angels, demons, herbs, perfumes, and more! The sources of this remarkable compilation range from classic grimoires such as the Sworn Book to modern theories of prime numbers and atomic weights. Data from Peter de Abano, Abbott Trithemium, Albertus Magnus, Cornelius Agrippa, and other prominent scholars is referenced here, in addition to hidden gems found in unpublished medieval grimoires and Kabbalistic works. Well-organized and easy-to-use, The Complete Magician's Tables can help you understand the vast connections making up our strange and mysterious universe.

"Written in 1930, Feelin' Fine is a collection of stories from Oregon cattleman Bill Hanley. After growing up in Linkville (now Klamath Falls), young William drove his first herd into eastern Oregon in the 1870s. From ranch life to local characters, politics to the natural world, Hanley's observations and opinions provide an entertaining look at western culture of the time".--Cover. p. 4.

Selected works of William Shakespeare from the series "Best of the Best" is the book that everyone should read to understand themselves and each other. The authors and works for this book series were selected, as a result of numerous studies, analysis of the texts over the past 100 years and the demand for readers. It must be read in order to understand the world around us, its history, to recognize the heroes, to understand the winged expressions and jokes that come from these literary works. Reading these books will mean the discovery of a world of self-development and self-expression for each person. These books have been around for decades, and sometimes centuries, for the time they recreate, the values they teach, the point of view, or simply the beauty of words. This volume of the Best of the Best series includes famous works THE SONNETS ALL'S WELL THAT ENDS WELL THE TRAGEDY OF ANTONY AND CLEOPATRA AS YOU LIKE IT THE COMEDY OF ERRORS THE TRAGEDY OF CORIOLANUS CYMBELINE THE TRAGEDY OF HAMLET, PRINCE OF DENMARK KING HENRY THE FOURTH. Welldon explores why the quality of their bodies is fundamental to women's psychology; how this may lead to self-mutilation; and how such perverse behavior may also be aimed at objects which women see as their own creations, specifically, their babies. The potential causes and consequences of these conditions, including maternal and paternal incest and its frequent aftermath, prostitution, are also discussed.

Mixing documents, interviews, fiction, theory, poetry, psychiatry and anthropology, "Polysexuality" became the encyclopedia sexualis of a continent that is still emerging. Originally conceived as a special Semiotext(e) issue on homosexuality at the end of the 70s, "Polysexuality" quickly evolved into a more complex and iconoclastic project whose intent was to do away with recognized genders altogether, considered far too limitative. The project landed somewhere between humor, anarchy, science-fiction, utopia and apocalypse. In the few years that it took to put it together, it also evolved from a joyous schizo concept to a darker, neo-Lacanian elaboration on the impossibility of sexuality. The tension between the two, occasionally perceptible, is the theoretical subtext of the issue. Upping the ante on gender distinctions, "Polysexuality" started by blowing wide open all sexual classifications, inventing unheard-of categories, regrouping singular features into often original configurations, like Corporate Sex, Alimentary Sex, Soft or Violent Sex, Discursive Sex, Self- Sex, Animal Sex, Child Sex, Morbid Sex, or Sex of the Gaze. Mixing documents, interviews, fiction, theory, poetry, psychiatry and anthropology, "Polysexuality" became the encyclopedia sexualis of a continent that is still emerging. What it displayed in all its forms could be called, broadly speaking, the Sexuality of Capital. (Actually the issue being rather hot, it was decided to cool it off somewhat by only using "capitals" throughout the issue. It was also the first issue for which we used the computer). The "Polysexuality" issue was attacked in Congress for its alleged advocacy of animal sex. Includes work by Alain Robbe-Grillet, Félix Guattari, Paul Verlaine, William S. Burroughs, Georges Bataille, Pierre Klossowski, Roland Barthes, Paul Virilio, Peter Lamborn Wilson, and more.

"The Unfolding Center" is a collaboration between visual artist Susan York and poet Arthur Sze. For this project, York has created 11 diptychs comprised of 22 densely layered graphite drawings, which are interleaved with Sze's extended polyvocal poem.

PREFACE. THE Author of this very practical treatise on Scotch Loch - Fishing desires clearly that it may be of use to all who had it. He does not pretend to have written anything new, but to have attempted to put what he has to say in as readable a form as possible. Everything in the way of the history and habits of fish has been studiously avoided, and technicalities have been used as sparingly as possible. The writing of this book has afforded him pleasure in his leisure moments, and that pleasure would be much increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general. This section is interleaved with blank sheets for

the readers notes. The Author need hardly say that any suggestions addressed to the case of the publishers, will meet with consideration in a future edition. We do not pretend to write or enlarge upon a new subject. Much has been said and written-and well said and written too on the art of fishing but loch-fishing has been rather looked upon as a second-rate performance, and to dispel this idea is one of the objects for which this present treatise has been written. Far be it from us to say anything against fishing, lawfully practised in any form but many pent up in our large towns will bear us out when me say that, on the whole, a days loch-fishing is the most convenient. One great matter is, that the loch-fisher is depend- ent on nothing but enough wind to curl the water, -and on a large loch it is very seldom that a dead calm prevails all day, -and can make his arrangements for a day, weeks beforehand whereas the stream- fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river, it is quite another matter to arrange for a days river-fishing, if one is looking forward to a holiday at a date some weeks ahead. Providence may favour the expectant angler with a good day, and the water in order but experience has taught most of us that the good days are in the minority, and that, as is the case with our rapid running streams, -such as many of our northern streams are, -the water is either too large or too small, unless, as previously remarked, you live near at hand, and can catch it at its best. A common belief in regard to loch-fishing is, that the tyro and the experienced angler have nearly the same chance in fishing, -the one from the stern and the other from the bow of the same boat. Of all the absurd beliefs as to loch-fishing, this is one of the most absurd. Try it. Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy, or even a cast similar to those which a crack may be using and if he catches one for every three the other has, he may consider himself very lucky. Of course there are lochs where the fish are not abundant, and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught, and where each has a fair chance. Again, it is said that the boatman has as much to do with catching trout in a loch as the angler. Well, we dont deny that. In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream-fishing...
