Facing up to the social changes in nineteenth century Italy, an elderly aristocrat arranges a marriage between his daughter and a wealthy merchant

Literature in what today is the United States of America is largely derived from attempts to overcome the disproportion in viewpoints between the old world and the new. In their endeavors to do so, authors would sometimes rely on imagination, for reason alone was not reliable enough to capture the sense of the underlying truth. Captain John Smith's narration of the events he supposedly experienced in early seventeenth century Virginia can hardly be taken as reasonable. Yet the far-fetched story he told of how Chief Powhatan's daughter Pocahontas saved his life is still popular, and Smith's personal account of his feats and great achievements in Jamestown, hovering between fiction, history, and myth, captivates the minds of readers today as it did in the 1600s. No less imaginative are both William Bradford's chronicle of the Puritan settlement and subsequent prosperity-at the natives's expense-in Massachusetts, which to his mind was owing to the stuff of divine grace; and, Mary Rowlandson's narrative-the first American bestseller-of her captivity among the Wampanoags and her subsequent release, in which the author fancied that her redemption was ultimately brought on by the grace of God. Indeed, it would seem that imagination is the true American frontier, a vision stretching across time from the colonial period. Pretending to realism, American literary authors, perennial outsiders in the European old world establishment, envisioned a new world. But as the free verse poems of Walt Whitman suggested, the old fixed state of mind was simply unequal to the task of giving a more truthful expression to the pulsating human vibrancy of America. Moreover, from the start the new world's conception of itself was at odds with its contradictions. In the late 1700s, Thomas Jefferson, a Southern slave owner, conceived in the Declaration of Independence that the American Revolution embraced the notion of "Life, liberty, and the pursuit of happiness"; and in the mid-nineteenth century, Henry David Thoreau's mental image of what governance of America should be encompassed the view that that civil disobedience was the only way to address the young Republic's tolerance of slavery and its inceptive venture into imperialism. The country continued to grapple with its old world legacy of institutional slavery and the resulting malaise of shame it brought, which was further exacerbated by narratives written by former slaves like Harriet Jacobs and Frederick Douglas, who dared to imagine and struggle to achieve a more meaningful and felicitous lives, and whose testimonies, powerfully written in their own words, presaged the American Civil War. In American Literature from its Origins the Nineteenth Century, Elena Ortells has compiled extracts written by these authors and some of the other more outstanding voices of this early period in American life. It is a unique window into the minds of real people who endeavored to articulate the gestation of the illusive American Dream.

Qual è la relazione tra competenza linguistica ed efficacia comunicativa? Qual è la natura linguistica del pregiudizio interculturale? È possibile essere biculturali, oltre che bilingui? Lo si può diventare? Quali elementi pragmatici della seconda lingua insegnare in classe e con quale metodo? Se l'apprendimento linguistico è un compito soprattutto cognitivo, imparare a vivere linguisticamente un'altra cultura – dunque usarne la lingua in modo efficace e appropriato – un processo prevalentemente affettivo. In questo libro, un quadro concettuale, chiaro e articolato, delle problematiche relative alla comunicazione, al fraintendimento e al pregiudizio interculturali e alle competenze linguistiche coinvolte in questi importanti e delicati fenomeni.

Thinking English Translation is a practical guide to analysing and translating English source texts. Section I focuses on pre-translation analysis where students are guided to consider the features of a variety of English texts and the various implications for translation into other languages. Section II examines language variety in English in more detail and provides strategies for dealing with translation challenges in a wide range of text types. Thinking English Translation gives students a framework for a better understanding of how to approach source texts in order to tackle translation assignments, whether in class or in the workplace, with confidence. Stella Cragie a Qualified Member of the Institute of Translation and Interpreting, and former Principal Lecturer in Translation at the University of Westminster, is now a freelance translator. Ann Pattison is a former Senior Lecturer in Translation at the University of Westminster and now works as a freelance translator, editor and writer.

This book is part of the Macmillan English Grammar In Context series, a three-level grammar practice series with a difference. Incorporating contextual examples in grammar practice activities, Macmillan English Grammar In Context is a grammar book that can be used in both the classroom and for self-study. Key Features: Grammar explanations with traditional practice activities and contextual examples Cross-curricular content areas include: literature science, geography, history and social sc

Il volume raccoglie il frutto di un lavoro condotto presso il Centro Linguistico di Ateneo dell'Università Roma Tre dal marzo 2015, all'interno di un gruppo di ricerca sul Task-based Language Teaching. Si tratta di un percorso di ricerca-azione nel quale i membri del gruppo – docenti di lingua, ricercatori, studenti universitari – hanno esplorato questa prospettiva di insegnamento sia nei suoi principi teorici sia nelle sue applicazioni pratiche. Nei sei contributi che compongono il volume si cerca di proporre una visione critica e non prescrittiva, fermo restando che il nostro punto di riferimento essenziale – il task appunto – ha caratteristiche imprescindibili per essere definito tale nell'ambito dell'attività didattica. Il volume si rivolge prevalentemente a studenti universitari di discipline linguistiche e a insegnanti in servizio e in formazione.

Destination C1 & C2 : Grammar and Vocabulary is the ideal grammar and vocabulary practice book for all advanced students preparing to take any C1 & C2 level exam: e.g. Cambridge CAE and Cambridge CPE.

Quizás parezca una obviedad decir que los últimos tiempos la sociedad ha cambiado radicalmente. Pero tal vez no lo sea tanto si nos paramos a analizar cuáles son los aspectos que han sufrido las modificaciones más significativas. La importancia que han adquirido Internet, las redes sociales y, en definitiva todo lo que lleve incorporado el adjetivo 'digital' ha transformado nuestro día a día. Hemos dejado en muchas situaciones de ser sujetos pasivos y pasado a ser sujetos activos, de consumidores a productores, todo gracias a los avances en las tecnologías de la información y la comunicación. Además, si algo ha demostrado la pandemia del Covid-19, contexto en el que se elabora el libro que el lector tiene ante sí, es la facilidad que ha tenido el ser humano de aceptar estas transformaciones en su vida cotidiana cuando la situación así lo requería. En este libro se recogen tres ámbitos en los que las transformaciones están siendo muy sustanciales. Se trata de la filosofía, la lengua y la literatura y el sector del videojuego. ¿Qué tiene en común materias tan dispares? Coinciden en los cambios que

están sufriendo por el avance tecnológico. El contenido está organizado cronológicamente, empezando por el aspecto más clásico; la filosofía, continuando por las lenguas y literaturas, y, por último y más actual, los videojuegos.

This book will give you the skills to learn to speak any language with confidence. It uses techniques that can easily be incorporated into your daily life, while making use of whatever resources you have available. Whether you are starting out with your first foreign language or wishing to add to your repertoire, you'll find a wealth of easy-to-follow advice and achievable goals. Discover how to: -Speak with greater confidence and accuracy -Effectively learn vocabulary and grammar -Use time on the internet and social media to learn a language -Read real books, websites and articles in a foreign language -Pass exams that certify your language skills

Nowadays thousands of grammar books, textbooks, outlines, references and language guides of Spanish, Portuguese, Italian and French are published year by year. However, all of them teach these languages separately. Here you will find a comparative grammar of the four major Romance languages together based on their grammatical and lexical similarities for you, lovers of foreign languages, to learn and compare Spanish, Portuguese, Italian and French simultaneously. It is an audacious endeavor to find or create a novel way of learning to speak several languages and becoming a multilingual person. It took me over 3 years to finish the book. It consists of over 800 pages, 10 chapters covering all the grammatical aspects of these 4 languages. It includes over 1000 examples, 500 easy-to-follow charts and tables. It contains 138 geographical, historical and cultural facts about Spanish, Portuguese, Italian and French countries. Below I will discuss several reasons why I decided to write this book and why you need it. 1) First of all, this book is written for readers like you who are fond of or would like to learn Spanish, Portuguese, Italian and French simultaneously or just to get an all-round knowledge of all these four Romance languages. It is designed not only for beginners who do not have an extensive knowledge of grammar, yet need a guide through the grammatical concepts of all mentioned above languages, but also intermediate and advanced students who would like to have a reference book of several Romance languages at once. 2) Second of all I spent many years learning these languages separately, which was a complete waste of time before I realized it. This book will hopefully save you a great deal of time and allow you to study and compare at a glance the four main Neo-Latin languages. 3) Knowledge of foreign languages is fast becoming a necessary requirement for those who are involved in international business, tourism, culture and education. This book offers you four languages to learn, which will make you feel at home wherever you go, whether as a tourist or businessman. 4) Learning several languages simultaneously or one by one will train and strengthen your memory and can help stave off such terrible diseases as Alzheimer's. 5) If you have never studied several languages at once before and you like challenges, then you should definitely try it. Because it is a really entertaining and challenging task to do. In conclusion, I would like to sincerely thank you for preordering the book and your interest in it. I hope it will help you improve your languages and become multilingual.

Die Beiträge des XXXI. Romanistischen Kolloquiums beleuchten verschiedene Aspekte der Geschichte des Fremdsprachenstudiums in den romanischen Ländern. Neben den auf einzelne romanische Länder fokussierten Darstellungen allgemeinen Charakters zur Geschichte des Fremdsprachenstudiums enthält der Band auch eine Reihe von Beiträgen, in denen Einzelaspekte des Fremdsprachenstudiums in den romanischen Ländern aus einem historischen Blickwinkel untersucht werden. Am Rande wird auch der Geschichte des Studiums der romanischen Sprachen im deutschsprachigen Raum sowie der Fremdsprachendidaktik in der Romania Beachtung geschenkt, wodurch das Gesamtbild vervollständigt wird.

A brand new Italian series for beginner students in Years 7-10. Level 1 is intended for Years 7-8 and Level 2 for Years 9-10. Written to meet the full requirements of the Australian Curriculum: Languages Italian, *Parliamo Italiano Insieme* is the ideal course to support you and your

This book is part of DK's best-selling English for Everyone series, which is suitable for all levels of English language learners and provides the perfect reading companion for study, exams, work, or travel. With audio material available on the accompanying website and Android/iOS apps bringing vital experience of spoken English, there has never been a better time to learn English.

Este volumen reúne un conjunto de estudios realizados por diferentes especialistas en los que tratan la importancia de la lengua italiana como instrumento para la difusión de la cultura del país. Considerando que el lenguaje y la comunicación son una parte fundamental de la identidad y la cultura de una sociedad, las contribuciones recogidas en este volumen tratan de mostrar la importancia que tienen tanto los medios de comunicación como la traducción y la propia didáctica de la lengua a la hora de transmitir los rasgos identitarios y culturales de un país, en este caso concreto, Italia. En esta obra encontraremos artículos que abarcan una temática muy diversa que gira, sin embargo, en torno a un mismo eje: el estudio de la lengua, la didáctica, la traducción o la comunicación desde una perspectiva humanista.

"A book for English-speaking students who want to practice Italian grammar in a complete and successful way. All the main rules of Italian are clearly illustrated with essential grammar tables. The exercises, quizzes and games not only train the students to use language, but also provide them with interesting information about Italian life, society, culture and history...Idioms, slang and typical expressions of spoken Italian are also presented and practiced... The volume has answer keys."--Éditeur.

PLEASE NOTE - this is a replica of the print book and you will need paper and a pencil to complete the exercises. Innovative visual learning methods introduce key language skills, grammar, and vocabulary, which are reinforced with a

variety of speaking, reading, and writing exercises to make the English language easier to understand and learn. Visit www.dkefe.com to find out more.

How can fun things like K-Pop and K-Drama be used to help students learn Korean? This book attempts to provide an answer to that question as well as the "how to learn Korean" question. Of course, there is much more to South Korea and the Korean language than the entertainment industry, but all Korean movies, TV, videos, and music can become a valuable resource to learn Korean with the right methods. If you are tired of re-reading and re-listening to the same dialogues from your Korean language textbook, why not try something new and different? This book will teach you a method that allows you to learn, practice, and never forget Korean vocabulary, phrases, and grammar points that you encounter from any source of your choice including K-Pop and K-Drama. This system will teach you how to successfully learn Korean the fun and easy way including how to speak Korean both formally and informally. The method of this book also covers smarter ways to practice listening comprehension and reading and writing the Korean language (Hangul). This is not your conventional Korean textbook that lists topics to study accompanied by new vocabulary, grammar points, and Hangul lessons. You can find hundreds of those in bookstores and across the internet. Rather than dissect and explain a large hodgepodge collection of words and lines from random K-Pop and K-Drama that you may not be interested in, this book will show you a system on how to learn from any media from South Korea. You may find this system particularly useful if you have trouble remembering any new Korean language. Use what you love about South Korea to learn Korean!

Six full practice tests plus easy-to-follow expert guidance and exam tips designed to guarantee exam success. As well as six full practice tests, KET for Schools Trainer offers easy-to-follow expert guidance and exam tips designed to guarantee exam success. The first two tests are fully guided with step-by-step advice on how to tackle each paper. Extra practice activities, informed by the Cambridge Learner Corpus, a bank of real candidates' exam papers, focus on areas where students typically need the most help. This 'without answers' edition is ideal for class use. Audio CDs featuring the listening activities from the tests are available separately or with the 'with answers' edition.

"The Brill Dictionary of Ancient Greek" is also available online and as a two-volume boxed set. "The Brill Dictionary of Ancient Greek" is the English translation of Franco Montanari's "Vocabolario della Lingua Greca." With an established reputation as the most important modern dictionary for Ancient Greek, it brings together 140,000 headwords taken from the literature, papyri, inscriptions and other sources of the archaic period up to the 6th Century CE, and occasionally beyond. "The Brill Dictionary of Ancient Greek" is an invaluable companion for the study of Classics and Ancient Greek, for beginning students and advanced scholars alike. Translated and edited under the auspices of The Center for Hellenic Studies in Washington, DC, "The Brill Dictionary of Ancient Greek" is based on the completely revised 3rd Italian edition published in 2013 by Loescher Editore, Torino. Features The principal parts of some 15,000 verbs are listed directly following the entry and its etymology. For each of these forms, the occurrence in the ancient texts has been certified. When found only once, the location is cited. Nearly all entries include citations from the texts with careful mention of the source. The dictionary is especially rich in personal names re-checked against the sources for the 3rd Italian edition, and in scientific terms, which have been categorized according to discipline. Each entry has a clear structure and typography making it easy to navigate. "For a number of years now, scholars at ease in Italian have benefitted enormously from the riches, layout, concision, and accuracy of Professor Montanari's "Vocabolario della Lingua Greca," with its added advantage of the inclusion of names. Hence classicists in general will welcome the English version of this very valuable resource." Professor Richard Janko, "University of Michigan" Franco Montanari is a giant in our field, and his Dictionary is a major leap forward for us. Professor

Gregory Nagy, "Harvard University"

The Italian project 1 is the first level of a modern multimedia course of Italian language. Suitable to adolescent and adult students. It provides a balanced information, with pleasant and amusing conversation and useful grammatical examples. Introduces students to modern Italy and its culture.

Do you know what the hardest thing for an Italian learner is? Finding PROPER reading material that they can handle...which is precisely the reason we've written this book! Teachers love giving out tough, expert-level literature to their students, books that present many new problems to the reader and force them to search for words in a dictionary every five minutes -- it's not entertaining, useful or motivating for the student at all, and many soon give up on learning at all! In this book we have compiled 20 easy-to-read, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to improve your grasp of the wonderful Italian tongue. How Italian Short Stories for Beginners works: Each story will involve an important lesson of the tools in the Italian language (Verbs, Adjectives, Past Tense, Giving Directions, and more), involving an interesting and entertaining story with realistic dialogues and day-to-day situations. The summaries follow a synopsis in Italian and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! Finally, you'll be provided with a set of tricky questions in Italian, providing you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any -- we will provide them immediately after, but no cheating! So look no further! Pick up your copy of Italian Short Stories for Beginners and start learning Italian right now!

Featuring remarkable people communicating passionately and persuasively, TED Talks provide the ELT classroom with inspiring ideas and an unparalleled source of authentic language input.

A French reader for intermediate students La Fugue de Bach (Lango and Bouotégége) is a mystery reader designed to motivate students to read in French. The story takes place in Geneva, where a prima ballerina has been found murdered before one of the most important performances of her life. This reader is softcover, 6" x 9", and 128 pages in length.
