The series 'Fragmenta Comica' will provide a complete commentary on the fragments of Greek comedy. The aim of the commentary is twofold: on the one hand, it is meant to make accessible these mostly rather challenging texts from a number of different perspectives. On the other hand, it should help in the reconstruction the plays where this is possible, as well as in achieving a literary-historical classification of the authors. The fragments and testimonia will be translated. The results obtained in the commentary will be integrated into general surveys published in the Studia Comica series: on comedy and comedy techniques such as parody and satire as well as on its political function. The project is planned to take fifteen years to complete.

The Italian project 1 is the first level of a modern multimedia course of Italian language. Suitable to adolescent and adult students. It provides a balanced information, with pleasant and amusing conversation and useful grammatical examples. Introduces students to modern Italy and its culture.

Written to allow those learning Italian or brushing up on their skills to study on their own at their own pace, this guide acquaints readers with the basic elements of Italian grammar and vocabulary, gradually giving them the skills and facility to speak, read, write, and understand the language. Unlike most other texts, it focuses on grammar and situations relevant to traveling in Italian-speaking countries and to situations germane to everyday life in Italy. Includes a pronunciation guide, appendixes with grammar references, and an extensive glossary.

A charming fable about the power of a hat that takes the reader on a roller-coaster ride through French life during the Mitterrand years. Dining alone in an elegant Parisian brasserie, accountant Daniel Mercier can hardly believe his eyes when President François Mitterrand sits down to eat at the table next to him. After the presidential party has gone, Daniel discovers that Mitterrand's black felt hat has been left behind. After a few moments' soul-searching, Daniel decides to keep the hat as a souvenir of an extraordinary evening. It's a perfect fit, and as he leaves the restaurant Daniel begins to feel somehow ... different.

The Kybalion: A Study of the Hermetic Philosophy of Ancient Egypt and Greece is a book originally published in 1908 by New Thought author William Walker Atkinson under the pseudonym "The Three Initiates". This book is not exactly The Kybalion itself, it is more of a critical interpretation by Atkinson on hermetic philosophy. As such, it should be read with this in mind that it is not an authoritative hermetic text, but one only dedicated to Hermes Trismegistus. The Kybalion presents seven universal principles it proposes to be the Seven Hermetic Principles: Mentalism, Correspondence, Vibration, Polarity, Rhythm, Cause and Effect, and Gender. These principles are essentially explications of cycles, and before these principles is the notion of the primacy of mind as the cause of All (philosophical mentalism). This idea of mentalism is inspired by what is written about the Mind in The Hermetica. Coinciding with Spiritualism, New Thought, and Theosophy, the book became very popular in New Age movements, particularly with its notion of spiritual and mental alchemy. The Kybalion is a text which must be read with this in mind, while it is an interpretation of hermetic philosophy, it is in part still a relic of its time. Its influence cannot be understated, and the need to read it critically cannot be overstated. Blockbuster is designed for young learners studying English at Beginner to Intermediate level. The series follows the principles of the Common European Framework of Reference. The series combines active English learning with a variety of lively topics presented in themed modules.
