*The Wrath of the Ancestors* A. C. Jordan,2004 A Xhosa prince reluctantly leaves the University College of Fort Hare and goes back to the land of his ancestors to take his place as king of the Mpondomise. The clash of his modern ideas and the traditional beliefs of his people mirrors the dash of the western way of life with African custom and tradition -- church-people versus traditionalists, school people versus 'red-ochre people', boarding school activities versus the inkundla or assembly at the royal place. The conclusion, that disaster can be averted only by the willingness of opposing forces to work together for mutual comprehension of the legitimate claims of tradition and modernity, gives a foretaste of the spirit that governed modern South Africa's political transformation. Inqumbo Yeminyanya -- *The Wrath of the Ancestors* -- is a classic of Xhosa literature. A C Jordan has a keen eye for detail, a delightful sense of humour and a dramatic style. Literal translations of Xhosa images, idioms and proverbs transport readers to the Tsolo district and conjure up the memorable speeches of the Mpondomise counsellors.

Iziganeko zesizwe S. E. K. Mqhayi,2017 Samuel Edward Krune Mqhayi (1875-1945) was the most prominent South African imbongi of his day, a Xhosa oral poet who declaimed his impromptu poetry on occasions of significance to his people. The author of numerous works of poetry, fiction and non-fiction, biography, autobiography, and translation, Mqhayi's contributions to Xhosa-language newspapers remains unparalleled in scope and volume. This book reclaims and assembles a chronological sequence of Mqhayi's occasional poems, for the most part now unknown. Sixty poems celebrate significant

events in the calendar, on occasions of national or international importance. They constitute Iziganeko zesizwe, a chronicle of the nation, between 1900 and 1943: poetic responses to events from the perspective of the greatest figure in Xhosa literature. Wars feature prominently in these occasional poems-the Boer War, the First World War, the invasion of Abyssinia, and the Second World War-as do political deputations to England, visits from British princes and the death of British kings, the appearance of Halley's Comet, and meetings with Ministers of State. Running through the collection is Mqhayi's proud and fierce determination to maintain an identity rooted in custom and history in the face of territorial dispossession, the loss of title deeds and the vote, and the steady erosion of human rights. Throughout these years, Mqhayi remained constant in offering praise and encouragement to his people, in celebrating their achievements, and in expressing Christian consolation and an unflinching faith in the future liberation of South Africa's black population from foreign control. *When A Man Cries* Siphiwo Mahala,2014-08-01 Themba Limba is a family man who is caught between his flourishing career as a teacher and municipal councillor in the township of Sekunjalo, and his overriding sexual interests. Despite his attempts to maintain his status in the community, his actions eventually lead to his downfall. What follows is an account - sometimes tragic, occasionally humorous, and always compelling - of Themba's efforts to regain his dignity and pride in the eyes of his family and community. \*When a Man cries \*is an uncompromising and engrossing novel about the challenges of manhood in contemporary South African society. It interrogates the dynamics of township life and the human and socio-economic realities of the most impoverished communities in post-apartheid South Africa.

*Feminist Literary Studies* K. K. Ruthven,1990-09-13 K. K. Ruthven looks at the impact of Marxism, structuralism, and post-structuralism on feminist critical practice.

□□□□ Richard A. Bennett,1998-10-01 In straightforward biblically based language, Your Quest for God answers the following questions: Is there really a God? Is your spiritual guide reliable? What is God like? What really divides people? What is the real problem? Why are people so misguided? Does God truly love me? Where can I find Life?

To My Children's Children Sindiwe Magona,1990 This powerful and widely acclaimed autobiography of Sindiwe Magona's early years in South Africa gives an account of her eventful first 23 years--a candid story of triumph and endurance in the face of hardships relentlessly reinforced by the apartheid system.

An African Elegy Ben Okri,2024-02-13 This moving poetry collection from the Booker Prize-winning author finds strength and hope while reflecting on the complex issues that have burdened Africa. First published in 1992, Ben Okri's remarkable

debut collection features poems that are now considered classics and taught in schools and universities worldwide. Here he plays with the mystique of the African continent, countering simplistic narratives of suffering that have been imposed on it with vibrant, nuanced portraits of the traditions and resilience of African peoples. An invaluable window onto Okri's experiences as a Nigerian immigrant to the United Kingdom and as a writer discovering his calling, these poems also speak to universal truths about love, injustice, and the search for meaning.

Xhosa Poets and Poetry Jeff Opland, 1998 Xhosa oral poetry has defied the threats to its integrity over two centuries, to take its place in a free South Africa. This volume establishes the background to this poetic re-emergence, preserving and transmitting the voice of the Xhosa poet.

*iNdumiso: Iingoma zovuyo nentuthuzelo* Harald Lark, 2022-02-22 Incwadi ephetheleyo yeengoma nemibongo evela kwiBhayibhile Engcwele. Amazwi okuthuthuzela ingqondo, umzimba, nomphefumlo, nokunika ithemba ngekamva. Ngolwimi olucacileyo, lwale mihla lwenzelwe ukuba lube nentsingiselo kuye wonke umfundi. *God Has Spoken to Me...* Susan Darling, 2014-11-12 This book is divided into two parts. The first part is about women's rights, particularly in the church. I believe some men are still trying to keep women down by using the Bible in the wrong way. God did say to me, Women have a case. Something women need to hear. The second part is a mixture of lessons God has communicated to me about, like he wants women in the priesthood. And he asked me to pray for priests' right to be married. There are also other lessons in the book that I feel people might be interested in.
