Extensive materials for the study of the backgrounds and sources of the play are included. Among these transcripts sources of the play are included. Among these are transcripts of Ibsen's notes and jottings and early drafts, selections from Ibsen's letters as he worked toward the final version, and materials suggesting biographical sources. The critical essays and opinions give the student a wide variety of points of view from which to come to his own judgments of this important play.

Hare traces the gradual evolution of traditional French football values and considers the impact of new and controversial business practices. He asks what is peculiarly French about French football, and what does football tell us about France?.

The third psychological mystery in the Oslo Crime Files, a tense and dark quartet of thrillers for fans of Camilla Lackberg and Jo Nesbo. A man obsessed with the cleansing power of fire is destroying everything that reminds him of his youth. He calls himself the Fire Man. That same Easter, a teenager is threatened by his girlfriend's tradition-bound family. Karsten's attempts to protect himself put him and his sister Synne at even greater risk. Then he disappears all together. Eight years later, Synne is determined to find out what happened that night. But her investigation will ignite smouldering and dangerous memories. And the Fire Man is still there, waiting, and watching her search for the truth at every step... Praise for international bestseller Torkil Damhaug:

'Delivered with maximum psychological intensity' Barry Forshaw, Independent

Picturebooks are a valuable resource in our lives and speak to us in unique ways. They offer us beautiful and enriching stories from all over the world. This book explores how picturebooks can enhance teaching contexts, especially in the exploration of life skills, sustainable development and democracy & citizenship. Furthermore, the author provides an introduction to the theoretical fields of picturebook research. There are chapters on aesthetic methods and magic & play as well as on the relationship between pictures and words. The book presents a wide selection of picturebooks along with practical teaching ideas. Picturebooks in the classroom can serve as a rich source of inspiration for both students and teachers in their studies and work.

This is the first book in a four-book series. Each book has three unbelievable adventures written in Jake's own notebooks and embellished with his gloriously funny comments and illustrations throughout. Here Jake meets a werewolf, a monster and a real-life mummy. Deliciously

funny, the stories are a satisfying blend of comforting real life mixed with magical mayhem. Just right for boys and girls of 7+, and for all fans of Horrid Henry!

Mastering the writing system of one's language is crucial for success in a modern society. This book examines how children learn to produce writing. It provides a novel theoretical framework that integrates findings from a wide range of age groups - from children who are producing their first scribbles to experienced spellers who are writing complex words. The book is unique in the range of topics and languages that it covers. Also unique is the way in which it integrates linguistic insights about the nature of writing systems with discussions of literacy development in children.

Seventeen-year-old Alex Jackson comes home from school to find that his father, a CBC news cameraman, wants to take him to China's capital, Beijing. Once there, Alex finds himself on his own in Tian An Men Square as desperate students fight the Chinese army for their freedom. Separated from his father and carrying illegal videotapes, Alex must trust the students to help him escape. Closely based on eyewitness accounts of the massacre in Beijing, Forbidden City is a powerful and frightening story.
