The ultimate "dictionary" for lovers of Provence: Peter Mayle's personal selection of the foods, customs and words he finds most fascinating, curious, delicious, or just plain fun. Though organized from A to Z, this is hardly a conventional work of reference. In more than 170 entries, Peter Mayle—bestselling author of *A Year in Provence*—writes about subjects as wide-ranging as architecture and zingue-zingue-zoun (in the local patois, a word meant to describe the sound of a violin). And, of course, he writes about food and drink: vin rosé, truffles, olives, melons, bouillabaisse, the cheese that killed a Roman emperor, even a cure for indigestion. *Provence A-Z* is a delight for Peter Mayle's ever-growing audience and the perfect complement to any guidebook on Provence, or, for that matter, France.

The journal is concerned, in the broadest sense, with teacher preparation, practice and policy issues related to the teaching profession, as well as being concerned with learning in the school setting. The journal also serves as a forum for the exchange of diverse ideas and points of view within these purposes. As a forum, the journal offers a public space in which to critically examine current discourse and practice as well as engage in generative dialogue. Alternative forms of inquiry and representation are invited, and authors from a variety of backgrounds and diverse perspectives are encouraged to contribute. Teacher Education & Practice is published by Rowman & Littlefield.

The mission of the International Journal of Educational Reform (IJER) is to keep readers up-to-date with worldwide developments in education reform by providing scholarly information and practical analysis from recognized international authorities. As the only peer-reviewed scholarly publication that combines authors' voices without regard for the political affiliations perspectives, or research methodologies, IJER provides readers with a balanced view of all sides of the political and educational mainstream. To this end, IJER includes, but is not limited to, inquiry based and opinion pieces on developments in such

areas as policy, administration, curriculum, instruction, law, and research. IJER should thus be of interest to professional educators with decision-making roles and policymakers at all levels turn since it provides a broad-based conversation between and among policymakers, practitioners, and academicians about reform goals, objectives, and methods for success throughout the world. Readers can call on IJER to learn from an international group of reform implementers by discovering what they can do that has actually worked. IJER can also help readers to understand the pitfalls of current reforms in order to avoid making similar mistakes. Finally, it is the mission of IJER to help readers to learn about key issues in school reform from movers and shakers who help to study and shape the power base directing educational reform in the U.S. and the world.
