A Washington Post bestselling cookbook Become the favorite family chef with 100 tested, perfected, and family approved recipes. The healthy cookbook for every meal of the day: Once upon a time, Jenn Segal went to culinary school and worked in fancy restaurants. One marriage and two kids later she created Once Upon a Chef, the popular blog that applies her tried and true chef skills with delicious, fresh, and approachable ingredients for family friendly meals. With the authority of a professional chef and the practicality of a busy working mom, Jenn shares 100 recipes that will up your kitchen game while surprising you with their ease. • Helpful tips on topics such as how to season correctly with salt, how to balance flavors, and how to make the most of leftovers. • Great recipes for easy weeknight family dinners kids will love, indulgent desserts, fun cocktails, exciting appetizers, and more. • Jenn Segal is the founder of Once Upon a Chef, the popular blog showcasing easy, family friendly recipes from a chef's point of view. Her recipes have been featured on numerous websites, magazines, and television programs. Fans of Chrissy Teigen, Skinnytaste, Pioneer Woman, Oh She Glows, Magnolia Table, and Smitten Kitchen will love Once Upon a Chef, the Cookbook. With 100 tested, perfected, and family approved recipes with helpful tips and tricks to improve your cooking. • Breakfast favorites like Maple, Coconut & Blueberry Granola and Savory Ham & Cheese Waffles • Simple soups, salads and sandwiches for ideal lunches like the Fiery Roasted Tomato Soup paired with Smoked Gouda & Pesto Grilled Cheese Sandwiches • Entrées the whole family will love like Buttermilk Fried Chicken Tenders • Tasty treats for those casual get togethers like Buttery Cajun Popcorn and Sweet, Salty & Spicy Pecans • Go to sweets such as Toffee Almond Sandies and a Classic Chocolate Lover's Birthday Cake

"This book is about once-upon-a-time in America." -- Eric Sloane. Writer and artist Eric Sloane had an abiding love for America and worked throughout a long and productive life to capture the American spirit in word and picture. The America Sloane loved was rooted in the simple virtues of our native soil: love of freedom, respect for the individual, sensible frugality, and determined self-reliance -- all of which went to make up what Sloane perceived as our true American heritage. Nowhere is this heritage more amply portrayed than in the work and ways of the early Americans in our pioneer days. In this book you will listen to Sloane's talk of home and hearth, farm and field, and see all manner of tools, utensils, buildings and rural scenes rendered in his finely detailed and lively drawings. A visit to America of "once-upon-a-time" brings us home to a land whose pioneer spirit endures, even amid the rapid and radical changes of our times

Fairy tales have fueled our dreams and fired our imaginations for centuries. Step inside a time machine built by a

collection of today's finest storytellers, and enter a range of futures where familiar tales are reimagined in an astonishing variety of styles. Editors Andrew Carl and Chris Stevens bring you the next wave of leading writers and illustrators working alongside superstar creators like Farel Dalrymple (Pop Gun War), Ryan Ottley (Invincible), Khoi Pham (Daredevil), and Brandon Graham (King City) to deliver a reading experience that will delight generations young and old. \* Ageless stories become tales for a new age!

Quentin Tarantino's long-awaited first work of fiction—at once hilarious, delicious and brutal—is the always surprising, sometimes shocking, novelization of his Academy Award winning film. RICK DALTON—Once he had his own TV series, but now Rick's a washed-up villain-of-the-week drowning his sorrows in whiskey sours. Will a phone call from Rome save his fate or seal it? CLIFF BOOTH—Rick's stunt double, and the most infamous man on any movie set because he's the only one there who might have got away with murder. . . . SHARON TATE—She left Texas to chase a movie-star dream, and found it. Sharon's salad days are now spent on Cielo Drive, high in the Hollywood Hills. CHARLES MANSON—The ex-con's got a bunch of zonked-out hippies thinking he's their spiritual leader, but he'd trade it all to be a rock 'n' roll star.

Take a journey from the distant past into a future to be imagined with this gorgeous debut picture book whose gradated pages reflect the passage of time. Hundreds of millions of years ago, land took shape. Millions of years ago, dinosaurs lived on Earth. Thousands of years ago, people built towering pyramids. Ten years ago, the landscape looked different. A month ago, it was still summer. A minute ago, the light was turned off. Now! Make a wish! What will you be doing in a week? How will you celebrate your birthday next year? What will you discover when you are older? What will hold you in awe forever? Moving inexorably from an age primeval into a future filled with questions, Johanna Schaible brings her beautiful collage artwork to an exploration of time that melds a conceptual vision with a physical one. With each page turn, the pages gradually become smaller--showing more and more borders from the past--until they reach the present moment, then grow larger again as time expands into a future full of possibilities.

"Knights, fairy godmothers, giants and beanstalks--all of these and more fill the pages of the conclusion to the Half Upon a Time trilogy"--

Covering every Italian Spaghetti Western--mainly the good but also the bad and the ugly--this is an authoritative, entertaining and comprehensive companion to the implausible international fusion of producers, directors, actors and composers who created the mythical Spaghetti West under the most improbable circumstances. Sergio Leone's Dollars Trilogy led the field but many more major Spaghetti Westerns were made by important directors, including Sergio Corbucci's Navajo Joe, Carlo Lizzani's The Hills Run Red, Duccio Tessari's A Pistol for Ringo. Combining analysis,

information and lively anecdotes, this popular guide explores all of these films through the biographies and filmographies of key personnel, stories of each production, their locations and sets, sources, musical scores, detailed cast information and many illustrations, including original posters and stills.

Once Upon a Time in Hollywood A Novel HarperCollins

Quentin Tarantino's long-awaited first work of fiction - at once hilarious, delicious, and brutal - is the always surprising, sometimes shocking new novel based on his Academy Award-winning film. RICK DALTON - Once he had his own TV series, but now Rick's a washed-up villain-of-the-week drowning his sorrows in whiskey sours. Will a phone call from Rome save his fate or seal it? CLIFF BOOTH - Rick's stunt double, and the most infamous man on any movie set because he's the only one there who might have gotten away with murder . . . SHARON TATE - She left Texas to chase a movie-star dream, and found it. Sharon's salad days are now spent on Cielo Drive, high in the Hollywood Hills. CHARLES MANSON - The ex-con's got a bunch of zonked-out hippies thinking he's their spiritual leader, but he'd trade it all to be a rock 'n' roll star. HOLLYWOOD 1969 - YOU SHOULD'VE BEEN THERE

Rapper 50 Cent has made it big in a very short space of time. Having been supported by Jam Master Jay, and produced by Dr Dre and Eminem, the rapper and poet has already experienced great success and critical acclaim for his anthemic single 'In Da Club' and bestselling debut album. While some rappers just talk the talk, though, 50 has walked the walk, and this brilliant insight into who he is and where he came from is a must for all fans. Growing up in Jamaica, Queens, he was born to a 15-year-old drug-dealing mother -- she was killed in mysterious circumstances -- and took over the family business at the age of twelve. Living hard, he has been stabbed, shot nine times (one bullet in his face) and has survived a number of assassination attempts. He is a survivor, a man from the streets who has made it big-time without forgetting his roots. This is the inside story of a rap icon.

Strangers don't come to Storybrooke. The town's residents are victims of a curse--trapped by an Evil Queen in a world without magic, they don't remember that they were once Snow White, Prince Charming, Jiminy Cricket, and other characters from a fairytale world. The curse keeps them in Storybrooke, and keeps everyone else out...until a dark stranger with a typewriter arrives on a motorcycle. August, the mysterious newcomer, claims to be in Storybrooke because, as a writer, the town inspires him. As the other characters discover, though, he knows more about fairytales than he lets on. With one foot in the nonmagical world, one foot in fairytale land, and both hands on a typewriter, August is the perfect narrator to tell fans the story of ONCE UPON A TIME's first season and ready them for a surprise in the next.

Looks at the cinematic art of mainland China, Hong Kong, and Taiwan discussing the creativity of Chinese film, and exploring the intertwined traditions of the three regions and their influence on movies.

In war, there is no easy victory. When troops invaded Iraq in 2003 to topple Saddam Hussein's regime, most people expected an easy victory. Instead, the gamble we took was a grave mistake, and its ramifications continue to reverberate through the lives of millions, in Iraq and the West. As we gain more distance from those events, it can be argued that many of the issues facing us

## Read Book Once Upon A Time In Korea An Elementary Reader English

today - the rise of the Islamic State, increased Islamic terrorism, intensified violence in the Middle East, mass migration, and more - can be traced back to the decision to invade Iraq. In *The Iraq War*, award-winning documentary maker James Bluemel collects first-hand testimony from those who lived through the horrors of the invasion and whose actions were dictated by such extreme circumstances. It takes in all sides of the conflict - working class Iraqi families watching their country erupt into civil war; soldiers and journalists on the ground; American families dealing with the grief of losing their son or daughter; parents of a suicide bomber coming to terms with unfathomable events - to create the most in-depth and multi-faceted portrait of the Iraq War to date.

Accompanying a major BBC series, James Bluemel's book is an essential account of a conflict that continues to shape our world, and a startling reminder of the consequences of our past decisions.

Sixteen-year-old Regina is very different from the Regina known by fans of ABC's "Once Upon a Time." She seeks romance, adventure, and approval. Of course, getting approval from a mother like Cora is next to impossible. For Regina, friendships have always been a rare commodity. Could it be that Regina has finally found a true friend? Or is it too good to be true? As Regina struggles to find her own identity and create her own destiny, she discovers that her fate might just be to become everything she despises.

Sharing nothing in common except their 16-year-old daughter, divorced parents John and Irene reconnect in the wake of a devastating tragedy and discover things about each other that they had not revealed during their marriage. By the award-winning author of *The Last Time I Saw You*. Reprint.

The New York Times bestselling author of *Bringing Down the House* and *The Accidental Billionaires* tells his most incredible story yet: A true drama of obscene wealth, crime, rivalry, and betrayal from deep inside the world of billionaire Russian oligarchs that Booklist called "one more example of just how talented a storyteller [Mezrich] is." Meet two larger-than-life Russians: former mathematician Boris Berezovsky, who moved into more lucrative ventures as well as politics, becoming known as the Godfather of the Kremlin; and Roman Abramovich, a dashing young entrepreneur who built one of Russia's largest oil companies from the ground up. After a chance meeting on a yacht in the Caribbean, the men became locked in a complex partnership, surfing the waves of privatization after the fall of the Soviet regime and amassing mega fortunes while also taking the reins of power in Russia. With Berezovsky serving as the younger entrepreneur's krysha—literally, his roof, his protector—they battled their way through the "Wild East" of Russia until their relationship soured when Berezovsky attacked President Vladimir Putin in the media. Dead bodies trailed Berezovsky as he escaped to London, where an associate died painfully of Polonium poisoning, creating an international furor. As Abramovich prospered, Berezovsky was found dead in a luxurious London town house, declared a suicide. With unprecedented, exclusive first-person sourcing, Mezrich takes us inside a world of unimaginable wealth, power, and corruption to uncover this exciting story, a true-life thriller epic for our time—"Wolf Hall on the Moskva" (Bookpage).

Jessica and Elizabeth Wakefield spend the summer as au pairs for a royal family living in a beautiful European cha+a3teau, in the first part of a three-part miniseries. Original.

## Read Book Once Upon A Time In Korea An Elementary Reader English

Once upon a time there was a grown-up looking for a book with very short bedtime stories for a kid who wouldn't go to sleep. So the grown-up picked up this book and read this flap and took the book home and read it out loud and they both laughed and fell fast asleep fast. Just like you. The end.

This fun, quirky book contains 11 cute and whimsical fairytale favourites ... using gorgeous amigurumi designs. The book also contains an easy-to-use step-by-step techniques section, showing the reader how to pin out their crochet pieces before assembling, make moving arms and legs and create a range of hairstyles.

Combining the ethical clarity of Jonathan Safran Foer's *Eating Animals* with the disquieting vision of Alan Weissman's bestseller *The World Without Us*, a thought-provoking, entertaining exploration of a future where animal consumption is a thing of the past. Though increasing numbers of people know that eating meat is detrimental to our planet's health, many still can't be convinced to give up eating meat. But how can we change behavior when common arguments and information aren't working? Acclaimed anthropologist Roanne Van Voorst changes the dialogue. In *Once Upon a Time We Ate Animals*, she shifts the focus from the present looking forward to the future looking back—imagining a world in which most no longer use animals for food, clothing, or other items. By shifting the viewpoint, she offers a clear and compelling vision of what it means to live in a world without meat. A massive shift is already taking place—everything van Voorst covers in this book has already been invented and is being used today by individuals and small organizations worldwide. Hopeful and persuasive, *Once Upon a Time We Ate Animals* offers a tantalizing vision of what is not only possible but perhaps inevitable.

A mesmerising episode from the universe of *His Dark Materials* and *The Book of Dust*, giving us an extraordinary insight into this world and its characters. When Lyra is studying at Oxford University, she comes across the story of Lee Scoresby and Iorek Byrnison's first meeting, many years ago, along with much evidence of the adventure that brought them together. She discovers that when a young Texan balloonist Lee came down to earth in the harbour of an Arctic town in the North, little did he realise that he is about to be caught in a war between the residents of the town and the huge arctic bears that also live there. And when Lee meets one of these bears - Iorek - for the first time, they cement a friendship that will continue throughout their lives, as the tensions in the town threaten to erupt ... Another wonderful tale from a master story-teller, which includes beautiful illustrations and maps.

A bored boy's world is suddenly populated by three house-building pigs, a girl wearing a red hood, and other familiar nursery characters. The Evil Queen has, quite literally, captured the Huntsman's heart -- and now he's her slave. Based on the world of ABC's hit primetime series *ONCE UPON A TIME*, this is the never-before-told tale behind their twisted relationship -- and what happens when a good man is forced to do bad. When Regina cooks up yet another devious plan to capture Snow White -- this time by allying with a pack of power-hungry werewolves -- the Huntsman comes face-to-face with his past...and an independent spirit in *Red Riding Hood* that just may match his own. Can these two break free of the forces that bind them and save Snow White? When put to the test, where will the Huntsman's loyalties lie? Has the Evil Queen stolen his heart in more ways than one?

Once upon a time in Texas...there were liberal activists of various stripes who sought to make the state more tolerant and more tolerable. David Richards was one of them. In this fast-paced, often humorous memoir, he remembers the players, the strategy sessions, the legal and political battles, and the wins and losses that brought significant gains in civil rights, voter rights, labor law, and civil liberties to the people of Texas from the 1950s to the 1990s. In his work as a lawyer, Richards was involved in cases covering voters' rights, school finance reform, and a myriad of civil liberties and free speech cases. In telling these stories, he vividly evokes the "glory days" of Austin liberalism, when a

## Read Book Once Upon A Time In Korea An Elementary Reader English

who's who of Texas activists plotted strategy at watering holes such as Scholz Garden and the Armadillo World Headquarters. Likewise, he offers vivid portraits of liberal politicians from Ralph Yarborough to Ann Richards (his former wife), progressive journalists such as Molly Ivins and the Texas Observer staff, and the hippies, hellraisers, and musicians who all challenged Texas's conservative status quo.

"Once Upon a Time in the West was the movie that made me consider filmmaking."-Quentin Tarantino Sergio Leone's film Once Upon a Time in the West set out to be the ultimate Western--a celebration of the power of classic Hollywood cinema, a meditation on the making of America and a lament for the decline of one of the most cherished film genres in the form of a "dance of death." With this film, Leone said a fond farewell to the noisy and flamboyant world of the Italian Western, which he had created with A Fistful of Dollars and sequels, and aimed for something much more ambitious--an exploration of the relationship between myth ("Once Upon a Time..."), history ("...in the West") and his own autobiography as an avid film-goer. This would be a horse opera in which the arias aren't sung, they are stared. Once Upon a Time has since inspired several generations of filmmakers worldwide. Its combination of "film about film" with an angry historical epic, told with great style, has resonated for half a century, and its reputation has steadily grown. This book, by the world-renowned authority on Sergio Leone, Christopher Frayling, includes revealing personal interviews with all the key players involved in the movie (in front of the camera and behind it) a wealth of never-before-published documents, designs and photographs, and the latest research into the making of a masterpiece, shot by shot. It is introduced with a foreword by Quentin Tarantino. This year is the 50th anniversary of Once Upon a Time in the West and this richly illustrated book is a suitably spectacular birthday tribute.

Children make up stories.

Written by the Grammy-nominated Howard Paar, Once Upon a Time in LA is a dark, thrilling ride deep into the lives of a megalomaniac record label chairman, mob-related radio promotion men, and a young band that gets sucked into the vortex. Once Upon a Time in LA has been released by Over the Edge Books with the book's soundtrack available at <http://bit.ly/oncesnd>. The unique 70-song soundtrack for this book includes songs by The Clash, Isaac Hayes, The Rolling Stones, David Bowie, Kraftwerk, The New York Dolls, Patsy Cline, Primal Scream, George Jones, and many more. Fine art photographer Mona Kuhn shot the cover and is creating a companion series of iconic images from the story. This rock 'n roll noir novel follows music exec James Dual as he battles ghosts of his past in watering holes from Hollywood to Nashville to Mexico. James finds himself quickly drawn into a web of blackmail, violence, and murder after he receives a cassette tape from a neo-noir femme fatale implicating him in a tragedy from 20 years ago. The story pulses with mythic songs and stories from when music defined reality and meant everything to those who gave their lives over to it. Howard Paar's work with a diverse range of artists and filmmakers including Larry Clark, Quentin Tarantino, Patty Jenkins, and Gregg Araki have earned Paar a reputation for independent vision and authenticity to character, time, and place and that voice comes through in his first novel, Once Upon a Time in LA. Advance Praise for Once Upon a Time in LA "My favorite mysteries don't just solve a murder, they introduce me to a new world. In Once Upon a Time in LA, veteran LA music insider and expat Brit Howard Paar takes us on a joyride through the vanished world of 1970s to 90s LA rock 'n roll. Authentic, fierce, gritty, and moving, with loads of local color and scenes along the Sunset Strip, Malibu, and Hollywood record offices and nightclubs, this is a welcome addition to LA's mystery literature and Paar is an author to watch." -- Denise Hamilton, LA crime writer and editor of the short story anthology Los Angeles Noir "Infused with an outsider's affection for LA, Howard Paar's lively noir is distinguished by the author's irrepressible love of music and an insider's savvy take on all the dark twisted corners of the record biz." -- Steve Erickson, author of Days Between Stations, Tours of The Black Clock, Zeroville, and These Dreams of You

## Read Book Once Upon A Time In Korea An Elementary Reader English

Inspired by the Robert De Niro film, this story spans three generations of a family of Jewish immigrants to the United States. A gang of friends discover - through trust, hard work and brutality - the true meaning of the American Dream.

AVAILABLE TO PRE-ORDER NOW THE DELUXE EDITION FEATURING NEW PHOTOS AND BONUS MATERIAL Quentin Tarantino's long-awaited first work of fiction - at once hilarious, delicious, and brutal - is the always surprising, sometimes shocking new novel based on his Academy Award-winning film. The sunlit studio back lots and the dark watering holes of Hollywood are the setting for this audacious, hilarious, disturbing novel about life in the movie colony, circa 1969. Once Upon a Time in Hollywood tells the story of washed-up actor Rick Dalton. Once Rick had his own television series, a famous western called "Bounty Law." But "it ain't been that time in a long time" and now Rick's only regular parts are as the heavy, ready to be bested by whichever young "swingin' dick" the networks want to make a new star out of come pilot season. When a talent agent approaches Rick about starring in Italian Westerns ("Eye-talian Westerns"?), it only ignites a new crisis of confidence for the perpetually insecure actor. And then there's Rick's stunt double, Cliff Booth, a war hero who killed more Japanese soldiers during the Second World War than any other American, and who never thought he'd make it back home. If Rick's career has stalled, Cliff's has flamed out. Already living under a cloud of suspicion after the strange death of his wife at sea, Cliff makes the mistake of picking the wrong fight on set, and is soon reduced to the status of Rick's full-time gofer. Right next door to Rick's still glamorous Benedict Canyon home ("the house that Bounty Law built") some Hollywood dreams are coming true, and these dreams belong to Sharon Tate. Not only is she Mrs. Roman Polanski - married to the only true rock star director - but Sharon is fast becoming a star in her own right, living life on the upswing in a tough town. Only a few miles away, in the desert around Chatsworth, lives a different kind of dreamer. Charles Manson is an ex-con who has spellbound a group of hippie misfits living with him in squalor on an old "movie ranch." Little do his young followers know to what degree Charlie himself is an industry striver, more desperate for Columbia Records and Tapes's attentions than for the revolution he preaches. These indelible characters - and many more: an acting child prodigy beaming with hope; a booze-drenched former A-lister who's lost it all - occupy a vanished world from not so long ago that is brought to brilliant life in these pages. Here is 1969, the music, the cars, the movies and TV shows. And here is Hollywood, both the fairy tale and the real thing, as given to us by a master storyteller who knows it like the back of his hand. FEATURING NEW PHOTOS AND BONUS MATERIAL: - Two color inserts featuring never-before-seen photos from the set and posters and other memorabilia from Rick Dalton's career - An original, exclusive script for a Bounty Law episode by Quentin Tarantino titled "Incident at Inez" - A Mad Magazine parody of Bounty Law titled "Lousy Law: Loser's Last Ride"

Based on a true story, Once Upon a Time in France follows the life of Joseph Joanovici, a Romanian Jew who immigrated to France in the 1920s and became one of the richest men in Europe as a scrap-metal magnate. For some, he was a villain. For others, a hero. As Germany occupies France, Mr. Joseph thinks his influence can keep his family safe, but he soon finds that the only way to stay one step ahead of the Nazis is to keep his friends close and his enemies closer. Though he plays both sides of the fence as a Nazi collaborator and French resistant, a tangled web of interests forms around him that proves it will take a lot more than money to pay for the survival of his family. An international bestseller with over 1 million copies sold, the French series Once Upon a Time in France, collected here in one omnibus edition, has won the BDGest'Arts Best Scenario Award, BDGest'Arts Album of the Year, and Angoulême International Comics Festival Best Series Award, among many others.

In Storybrooke, Maine, Emma Swan and Mary Margaret Blanchard are friends and roommates. They're united in their mission to make life better for Henry, Emma's young son, who has been raised by Storybrooke's vicious mayor, Regina Mills. Henry is convinced that Mary

## Read Book Once Upon A Time In Korea An Elementary Reader English

Margaret and Emma are more than just roommates, however. He believes they're family-mother and daughter fairy-tale characters exiled from their enchanted forest by an evil curse. And he's right: Mary Margaret is Snow White, and Emma is her daughter. In this companion book to the hit ABC television show *Once Upon A Time*, Emma and Snow tell their own stories, in their own words, for the first time. With Emma relating her time in Storybrooke and Snow narrating the events of fairytale land, present and future fans of the show will get a whole new look at their favorite characters and stories. Show description from ABC: "From the inventive minds of Lost executive producers Adam Horowitz and Edward Kitsis, the show is a bold new imagining of the world where fairy tales and the modern world collide: 28-year-old Emma Swan is shocked when Henry, the son she gave up, shows up on her doorstep after 10 years in desperate need of her help. He believes she actually comes from an alternate world and is Snow White and Prince Charming's missing daughter. According to his book of fairytales, they sent Emma away to protect her from the Evil Queen's curse, which trapped the fairy tale world frozen in time and brought them into our modern world. Emma is skeptical, but when she brings Henry back to his hometown of Storybrook, she is drawn to this boy and his strange story, soon suspecting that the town is more than it seems. It's a place where magic has been forgotten, but is still powerfully close; where fairytale characters are alive, even though they don't remember who they once were. The epic battle for the future of all worlds is beginning, but for good to win, Emma will have to accept her destiny and join the fight."

Tours of six magical lands offer a map and directions for Peter Pan's Neverland, Dorothy's Land of Oz, the Giant's kingdom, Alice's Wonderland, Aladdin's Kingdom, and Snow White's Enchanted Forest, with hidden treasures to find in each one.

Provides a basic introduction to maps, their history, the different kinds, and how to use them.

Red is 16 and lives with Granny in a cottage in the village, where boarding up the house and hiding during wolftime is a means of survival. Red help's Granny with Granny's baked good business, catering as well as door-to-door (in a basket) sales. Red has a constant internal battle between her wild side and her strict, overprotective upbringing, and the issue of "control" as she discovers she has a hot temper when the "mean girls" push her too far. ("When we learn to control it, we needn't fear it," Rumpelstiltskin says in the series.) She has flashbacks to her 13th year when she recieved her cloak and the nickname "Red." She is plagued by nightmares that she doesn't understand, but the *Once Upon a Time* fans will recognize them as her wolf side coming. Also, the forest creatures that used to accompany her on her deliveries are suddenly afraid of her once she turns 13. She'll be taller and faster than the others at her school, and witty and strong on the outside, though she has a soft side as well. Red balances the difficult times with Granny at home and the girls at school with an emerging and satisfying romance with Peter.

From the most original and beloved screenwriter of his generation, the complete Oscar-nominated screenplay of Quentin Tarantino's World War II epic *Inglorious Basterds*. From the brilliant writer/director behind the iconic films *Pulp Fiction*, *Kill Bill*, and *Once Upon a Time in Hollywood*, comes Tarantino's most ambitious movie: a World War II epic starring Brad Pitt and filmed on location in Germany and France. The action tale follows the parallel story of a guerrilla-like squad of American soldiers called "The Basterds" and the French Jewish teenage girl Shosanna who find themselves behind

enemy Nazi lines during the German occupation. When the Inglourious Basterds encounter Shosanna at a propaganda screening at the movie house she runs, they conspire to launch an unexpected plot to end the war. Pitt plays Lieutenant Aldo Raine -- the leader of the Basterds. Raine is an illiterate hillbilly from the mountains of Tennessee who puts together a team of eight Jewish-American soldiers to hunt down the Nazis. Filled with Tarantino's trademark electric dialogue and thrilling action sequences, Inglourious Basterds is one of the most celebrated films of the twenty-first century.

In this choose-your-own adventure novelty book, each double spread has six different cutouts to choose from, so that children can create their own story over and over again.

Henry and Violet finally have a chance to be alone. Granted, it's on a school field trip, but with some clever planning and strategic maneuvering, they can orchestrate their own adventure in New York City, a fairytale land in its own right. While they search for a treasured item that once belonged to Violet's father, they are met with obstacles they could never have predicted. What they thought would be a romantic getaway ends up being a true test of their relationship. The question remains: Are they destined for a happily ever after?

Return to the immersive world of ABC's hit television series ONCE UPON A TIME with an all-new sequel to the original graphic novel, ONCE UPON A TIME: The Shadow of the Queen. Welcome to the Enchanted Forest, where the characters from classic fairy tales have come to life and are locked in an epic struggle between good and evil! Plotted by series writer and co-executive producer, Kalinda Vazquez, and co-written by returning author Corinna Bechko, the release will tie into official show continuity and dive in to four never-before-told stories of fan favorite characters!
