From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

This comprehensive book charts their remarkable lives from humble childhood beginnings to super stardom. It takes an in-depth look at their early lives, their relationships with their families, schooldays, first public performances, romances, the life-changing X-Factor, their relationship with each other, the fun and the frustration of working so closely together, their wild fans and world-wide acclaim with over five million Facebook fans and three million followers on Twitter. In this first full, no-holds-barred account of their lives, the book examines each of their backgrounds to discover how each one of these seemingly ordinary boys developed into such extraordinary international stars.

Five boys, five months, one incredible dream.

The most famous names in music, sport and show business have got together for a game of consequences to raise money for the BBC Children in Need appeal. Each participating celebrity has written a section armed only with the information of the main character - a half-girl, half-dinosaur called Fi-Rex - and the final line of the previous part. This has resulted in a hilarious tale which twists and turns like no other. The contributors are Jamie and Jools Oliver, Amanda Holden, Ronan Keating, Bear Grylls, Rod Stewart and Penny Lancaster, Coleen and Wayne Rooney, Denise Van Outen, Andy Murray, Keith Lemon, Tom Daley, Sir Paul McCartney, One Direction, Take That, Kate Moss, Annabelle Neilson, Nick Grimshaw and Kylie Minogue.

To the very raucous 5SOSfam—wanna find out what the band's been up to over the last year? Jam-packed with their own photos, anecdotes of life on and off the road, and much more, the only official 5 Seconds of Summer book out this year means now you can . . . Luke, Michael, Calum, and Ash are having a mad year: a world tour, writing their new album, signing up their first band on their own record label, breaking the internet—it's been eventful to say the least. The good news is they want to share it all with you! This book is a special thanks for (officially) being the best fan army around!

From the coauthor of Dork Diaries comes a witty and engaging picture book about a prankster who wants to pull off the best prank of all—pranking the Tooth Fairy! Kaylee loves pulling pranks: from dropping water balloons on passers by to even tricking Santa Claus, she's a prize-winning prankster! But is she the Princess of Pranks? No! That title is held by none other than the Tooth Fairy. But when Kaylee loses a tooth and the Tooth Fairy goes about her usual tooth-taking business, Kaylee pranks her with a fake frog. As Kaylee and the Tooth Fairy try to out-prank one another, things get way out of hand, until the two finally see eye and eye and decide to share the crown!

The Sunday Times Top Ten Bestseller. The Kray twins were Britain's most notorious gangsters. Ruling London's underworld for more than a decade, as gang lords they were among the most powerful and feared men in the city. Photographed by David Bailey and even interviewed for television, they became celebrities in their own right and are infamous to this day. Ronnie and Reg's reign of terror ended on 8 March 1969 when they were sentenced to life with the recommendation that they serve at least thirty years. Ronnie ended his days in Broadmoor – his raging insanity only controlled by massive doses of drugs. Reg served almost three decades in some of Britain's toughest jails before being released on compassionate grounds in August 2000. He died of cancer eight months later. Compiled from a series of interviews with Fred Dinenage from behind prison walls, Our Story is the classic account that explodes the myths surrounding the Kray twins. In it, the twins set the record straight. In their own words they tell the full story of their brutal career of crime and their years behind bars. With an introduction from Fred Dinenage, this compelling, disturbing and highly readable book is the definitive story of two legendary criminals.

From their start on The X-Factor UK to their experiences around their hugely successful #1 debut album Up All Night and their new celebrity lives, and this is the untold story that follows Niall, Liam, Zayn, Harry, and Louis all the way from obscurity to international stardom. The One Direction Story: An Unauthorised Biography is the definitive book for all One Direction fans.

An exploration of why people all over the world love to engage in pain on purpose--from dominatrices, religious ascetics, and ultramarathoners to ballerinas, icy ocean bathers, and sideshow performers Masochism is sexy, human, reviled, worshipped, and can be delightfully bizarre. Deliberate and consensual pain has been with us for millennia, encompassing everyone from Black Plague flagellants to ballerinas dancing on broken bones to competitive eaters choking down hot peppers while they cry. Masochism is a part of us. It lives inside workaholics, tattoo enthusiasts, and all manner of garden variety pain-seekers. At its core, masochism is about feeling bad, then better—a phenomenon that is long overdue for a heartfelt and hilarious investigation. And Leigh Cowart would know: they are not just a researcher and science writer—they're an inveterate, high-sensation seeking masochist. And they have a few questions: Why do people engage in masochism? What are the benefits and the costs? And what does masochism have to say about the human experience? By participating in many of these activities themselves, and through conversations with psychologists, fellow scientists, and people who seek pain for pleasure, Cowart unveils how our minds and bodies find meaning and relief in pain—a quirk in our programming that drives discipline and innovation even as it threatens to swallow us whole.

Every company is moving. But most are moving in a hundred different directions. In contrast, fast-lane companies apply intense management discipline to drive their organizations in One Direction. Dave Ramos, the CEO of SHIFTPPOINTS, studied over 300 companies, interviewed over 100 Chief Executive Officers, and he came to One Conclusion: Alignment is the Ultimate Competitive Advantage™!

Harvard Business School professors Robert S. Kaplan and David P. Norton confirm this idea, "Alignment, much like the synchronism achieved by a high-performance rowing crew, produces dramatic benefits." This book contains over fifty case studies about fast-lane companies including Amazon, Tesla, Netflix, and more. It presents a comprehensive methodology that will help your company unleash the accelerating power of alignment. So, is everyone in your organization driving in One Direction?
