

One Life To Ride

The year is 4518 BCE. Halim, a Shakti warrior initiate, lives with his family in Harappa, a fortified city in the Indus River Valley. His father is injured, so the task falls to Halim to find a cure for his mother, who has fallen prey to a mysterious, debilitating disease. Sanjit, a seasoned Shakti, agrees to accompany Halim to the Kurlun Mountains in search of a sacred medicine from an ancient monastery. Halim's impulsive sister, Taja, insists on joining them too. When the three travellers confront the Ignogai, a barbaric tribe with a bloodthirsty shaman, they must flee across hazardous and unfamiliar terrain to avoid being captured and persecuted for their Shakti Prana. With a little bit of magic, determination, and some help from a few extraordinary people, the trio must fight for their lives to make it back home in time to save Halim's mother from certain demise.

"In 1954, Annie Wilkins, a sixty-three-year-old farmer from Maine, embarked on an impossible journey. She had no relatives left, she'd lost her family farm to back taxes, and her doctor had just given her two years to live--but only if she 'lived restfully.' ... Instead, she decided she wanted to see the Pacific Ocean just once before she died. She bought a cast-off brown gelding named Tarzan, donned men's dungarees, loaded up her horse, and headed out from Maine in mid-November, hoping to beat the snow. She had no map, no GPS, no phone. But she had her ex-racehorse, her faithful mutt, and her own unfailing belief that Americans would treat a stranger with kindness"--

Love Unfinished Revised Edition (Nov 2012) Soul mates from the past leave their love unfinished when a tragic car accident ends their lives on their wedding day. Yet they are destined to meet again to fulfill that love in new incarnations, leading vastly different lives. Emma thought she chose the right path in life, but too late does she realize her mistake when her husband reveals the monster behind the smile. Their happily ever after - is a lie. Trapped in a broken marriage to a powerful, abusive man, Emma knows this is not the life she was meant to live. As her hope for real love withers, she meets James, her love from a lifetime ago. Emma cannot deny the connection pulling them together, but her courage to abandon her marriage wavers, and unknowingly puts her life at risk. Are Emma and James fated to fulfill their love, or will they once again, leave love unfinished?

Discover the heartwarming true story of a life-changing friendship between a man and his rescue cat, Nala, as they adventure together on a bike journey around the world -- from the Instagram phenomenon @1bike1world. When 30-year-old Dean Nicholson set off from Scotland to cycle around the world, his aim was to learn as much as he could about our troubled planet. But he hadn't bargained on the lessons he'd learn from his unlikely companion. Three months after leaving home, on a remote road in the mountains between Montenegro and Bosnia, he came across an abandoned kitten. Something about the piercing eyes and plaintive meowing of the bedraggled little cat proved irresistible. He couldn't leave her to her fate, so he put her on his bike and then, with the help of local vets, nursed her back to health. Soon on his travels with the cat he named Nala, they forged an unbreakable bond -- both curious, independent, resilient and adventurous. The video of how they met has had 20 million views and their Instagram has grown to almost 750k followers -- and still counting! Experiencing the kindness of strangers, visiting refugee camps, rescuing animals through Europe and Asia, Dean and Nala have already learned that the unexpected can be pretty amazing. Together with Garry Jenkins, writer with James Bowen of the bestselling *A Street Cat Named Bob*, Dean shares the extraordinary tale of his and Nala's inspiring and heart-warming adventure together.

At just twenty-two years of age, Briana Mils finds herself at a desperate crossroads. Once a promising student at the University of Oregon, she now finds herself alone on the streets of Portland with only the clothes on her back, memories of a happier time, and the stray dog that's adopted her. And she's got the drug that helps her forget. Briana's mistakes haunt her, lashing her with severe consequence, forcing her to make a decision few would ever make. Still, in a final attempt to make her young life count for something, Briana begins writing it all down—everything—so that others walking the crumbling precipice of rebellion might leap to safety before it's too late. She writes about her present struggles and the past. She writes about Michael, the boy she loved and left behind when she went off to college. She writes about the violent activism and drug that derailed her life. She writes about the demands placed on her by a socially conscious mother, and the adoration shown by a proud father. And Briana talks about Brody—the young activist leader who captured her heart, took it to the altar, and then crushed it. What develops is an engrossing record of a young and troubled life, one both beautiful and ugly, innocent and corrupt, lost and then found. And wrapped in its literary sinew is a cast of characters as diverse and engaging as the stars, and an impassioned love story sure to transcend time. What readers are saying: "Timeless...provocative." "Characters so real you'd swear this was a true account." "A brilliant read!" *Alone Among People* is D. M. Anthony's first novel. He lives in California where he's at work on his next book. This review is from: *Alone Among People* (Paperback) A Compelling and Heart Warming Story, September 25, 2012 "Alone Among People is at once an engaging, moving story and a provocative statement about the thin line between thriving and sinking into an abyss as inescapable as quicksand. Its timeless and uplifting messages of hope conquering despair, healing borne of love and care, and peace at discovering one's identity are an inspiration. The author's empathy for the characters and their plight betrays knowledge of what he writes, and offers the reader a unique glimpse into a vulnerable and intimate place... his heart. I recommend this book to anyone who has traveled through the anguish of darkness and longed for the light; it may just guide your way."

The trials and tribulations of a Los Angeles Uber Driver as he navigates not only the streets, but also a fledgling acting career, taking care of his ailing mom, and life in general.

Have you hit a crossroads in your career or life? Do you feel stuck and know you have more to offer the world than what you are doing right now? If you are yearning to make a change in life, *Ride Of Your Life* will be your inspiration and guide. Back in 2010, research scientist and entrepreneur Ran Zilca set out from his home in New York on a motorcycle, bound for California in search of the next chapter in his life. Along this soul-searching journey, he spent hundreds of hours in contemplation on the road, met with fellow travelers from all walks of life, and interviewed leading experts in research labs, spiritual centers, and temples all across the country. Six-thousand miles later, he returned home, sold his company, and moved to a different continent. *Ride of Your Life* chronicles this transformative journey, sharing the collective wisdom Ran learned from one-on-one discussions with spiritual leaders and researchers, including Deepak Chopra, Phil Zimbardo, and Sonja Lyubomirsky. This groundbreaking book in the field of positive psychology is part travel memoir, part spiritual compass, and a practical handbook for personal transformation. *Ride of Your Life* will help you awaken your dreams and answer your own calling for a happier and more meaningful life.

Life Is One Hell of a Ride

Upton Sinclair, one of America's foremost and most prolific authors, addresses the cultivation of the mind and the body in this 1922 volume. Sinclair's goal was to attempt to tell the reader how to live, how to find health, happiness and success, and how to develop fully both the mind

and the body. Part One: The Book of the Mind covers such subjects as faith, reason, morality, and the subconscious. Part Two: The Book of the Body develops such subjects as errors in diet, the fasting cure, food and poisons, work and play, and diseases and their cures . Have You Lost Your Way? We always have the best intentions for whatever endeavors we undertake. Whether it's a relationship, a career, a weight loss program, a business, or just life in general, we always hope for the best. Unfortunately, things often transpire differently than what we intended. Blinded by the problems we face, no matter the magnitude, it's difficult to envision the way forward. A coach can mean the difference between catastrophe and comeback. Here, America's top coaches reveal the benefits of coaching, the different coaching specialties, and how just one phone call can change the trajectory of your life. If you're lost and don't know where to turn, this resource will prove valuable in demystifying the world of coaching. Armed with knowledge, you can take the first step in changing your life for the better. #1 NEW YORK TIMES BESTSELLER • A memoir of leadership and success: The executive chairman of Disney, Time's 2019 businessperson of the year, shares the ideas and values he embraced during his fifteen years as CEO while reinventing one of the world's most beloved companies and inspiring the people who bring the magic to life. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR Robert Iger became CEO of The Walt Disney Company in 2005, during a difficult time. Competition was more intense than ever and technology was changing faster than at any time in the company's history. His vision came down to three clear ideas: Recommit to the concept that quality matters, embrace technology instead of fighting it, and think bigger—think global—and turn Disney into a stronger brand in international markets. Today, Disney is the largest, most admired media company in the world, counting Pixar, Marvel, Lucasfilm, and 21st Century Fox among its properties. Its value is nearly five times what it was when Iger took over, and he is recognized as one of the most innovative and successful CEOs of our era. In *The Ride of a Lifetime*, Robert Iger shares the lessons he learned while running Disney and leading its 220,000-plus employees, and he explores the principles that are necessary for true leadership, including: • Optimism. Even in the face of difficulty, an optimistic leader will find the path toward the best possible outcome and focus on that, rather than give in to pessimism and blaming. • Courage. Leaders have to be willing to take risks and place big bets. Fear of failure destroys creativity. • Decisiveness. All decisions, no matter how difficult, can be made on a timely basis. Indecisiveness is both wasteful and destructive to morale. • Fairness. Treat people decently, with empathy, and be accessible to them. This book is about the relentless curiosity that has driven Iger for forty-five years, since the day he started as the lowliest studio grunt at ABC. It's also about thoughtfulness and respect, and a decency-over-dollars approach that has become the bedrock of every project and partnership Iger pursues, from a deep friendship with Steve Jobs in his final years to an abiding love of the Star Wars mythology. "The ideas in this book strike me as universal" Iger writes. "Not just to the aspiring CEOs of the world, but to anyone wanting to feel less fearful, more confidently themselves, as they navigate their professional and even personal lives." Drawn from intimate interviews with 14 modern-day "steel rail nomads," *One More Train to Ride* provides a revealing picture of today's American hobo. Interspersed with their stories are original poems and songs echoing the ancient lyricism and loneliness of life on the road. Their connections with the past make the experiences of these hoboes even more striking, as they ride freight trains and jungle up in hobo camps, light years away from the 21st-century cyberworld -- yet touching the very core of American freedom and individualism. Cliff Williams skillfully elicits details of family background, motives, and clear insights into the daily life and philosophy of the modern hobo. With its evocative link to the past, *One More Train to Ride* continues a long tradition of books on hobo oral history, including Nels Anderson's *The Hobo* (1923) and Thomas Minehan's *Boy and Girl Tramps of America* (1934).

Ben is so close to his dream, but he has no one to share it with. He sees his Officers finding strong women who build and solidify their purpose—and his dream of a clean Brotherhood. Everyone is working and living peacefully within their drug free neighborhoods and community. They raise their kids to take care of each other and treat their women with respect. Kate runs the Women's Center within the MC's backyard. Ben admires Kate's strength, ability, and compassion running the Center and adopting kids from the shelters that would have gone into the system. Danny, Kate's husband, is Ben's Building Supervisor and number two High Security enforcer when he's needed. He's proven himself and earned respect from his Brothers and Ben. When Ben's old lady leaves he moves a few houses away from Kate and her family. He finds himself drawn to them and starts to wonder if he'll ever find a woman like Kate to share his life with. This is the story of Ben, Kate, and Danny. **Content Warning: includes graphic language and sex, including m/f/m. Intended for mature audiences 18+**

Each moment in your life comes with a purpose. Although the purpose at times is taken for granted, these moments, when they arise, bring forth a significant meaning for one's destiny and destination in life. For example, imagine how every person in this world has passed through a moment, full of promises and opportunities, but when that moment passes, he or she has no way of knowing if it will ever rise again. Apparently, whatever the moment may be, our lives are defined by the energy, faith, belief, and action into bringing each moment to life so that it can transcend toward greater moments, dreams, and endeavors. Each moment, by all means, is vital, and the mark that one has left in this world will be measured by what he or she has achieved in the time allowed. Thus, what you do with your life today will define your dreams and destiny as each significant moment rises and the time that is given to it is taken away. This book will help you • Develop a greater sense of why each moment in life matters; • Believe in yourself to accomplish any impossible dream or goal; • Generate positive attitudes, faith, and unstoppable principles of action.

Shayla had no idea her life would turn out like it did. She had two kids, independent, a college degree, owns a Top Business Consulting firm in Buckhead, Atlanta and a Non-profit organization for the community, but in the midst of it all she was Trapped. Trapped in love, hate, lust and PAIN!! She had a natural body that these women would die for, her personality made her beautiful, her presence was unreal and she had a smile that would lighten up your darkest days. Shayla wasn't your average chick she was street and book smart, but had one problem men was her weakness. She picked the men she had the weakness for. Shayla was living a triple life and the walls were starting to close in on her fast.. Shayla was focused on her businesses, but on the flip side enjoyed herself, She never meant to hurt anyone feelings, so she tried to be as upfront as possible when they would ask, which was never so, she never offered the information. She is about to go for the ride of her life, she's a street girl by nature, maybe she can get herself out it. Her best friend Kisha is by her side to support her until Shayla finds out her secret. Shayla is into deep.....

HEAVEN RIDE is a suspense-filled techno-thriller about two loyal friends who unlock secrets of the human soul and discover a way to eject the soul and long-term memory on its path to heaven and then bring it back. As they build Heaven Ride into the most lucrative empire the world has ever known, ruthless rivals embark on a campaign of deceit, treachery and betrayal to wrest Heaven Ride from its owners for their own insidious plan. * * * David Brownington, a brilliant entrepreneurial mastermind with a leading business incubator, comes in contact with a mysterious technology. His close friend, JW Gomez, a third-year Ph.D. candidate, supercedes the boundaries of his doctoral studies using a bio-pod that creates out-of-body experiences. Driven by memories of his little brother who perished in a gruesome accident as a child, JW's extra-curricular studies of sudden traumatic death lead to the astonishing discovery of the human soul. When David and JW merge these devices, they stumble upon the highway to heaven. Each of them falls in love as their miracle is launched to the world. Millions take the trip. As Heaven Ride prospers, its repercussions ripple throughout society. Protests, bombs and kidnappings threaten to shut it down, posing risks to David, JW, their friends and families. With HEAVEN RIDE, John Eccleston and Kerry Gleason have woven an intense tale of ambition,

success, friendship, betrayal, greed and corruption. It's an intricate and interesting tale of mankind's most startling invention, and technology gone awry.

An insidious parasite is working its way through the suburbs of Washington, D.C. NITS follows the trail of a virulent outbreak of head lice as it wreaks havoc on the lives of a social climbing mother of a scholarship student, a buff young Latin teacher and a controlling do-gooder who is so consumed with exterminating the pest, people start calling her the "Lice Nazi." A social satire with bite, NITS explores the themes of class, ambition, and the unavoidable interconnectedness of modern life.

Grief put her down. Can love pick her up? Newlyweds Renny and Adam Carter have been married for six wonderful months. One evening their peaceful ride down a misty two-lane road in Whisper, North Carolina is tragically interrupted. They're hit by a truck carrying tree logs. Renny's husband is instantly killed. She escapes with a broken life, a broken heart, and a fractured mind. Merek Spencer's mother was kidnapped fifteen years ago. The event shocked the small and idyllic town of Whisper. But soon the spectacular crime lost its luster, and things returned to normal for everyone except Merek and his father, James, who blames himself for the crime. For this reason, Merek has had to play role reversal with his father. And despite Merek's model good looks, he is a loner by choice, working late hours as an architect. At age 36, he has had plenty of opportunities to open himself up to love, but for some reason he cannot. All of that changes when he meets Renny Carter on the worst night of her life. He pulls her out of a wrecked car and his long dormant feelings awaken from their deep sleep. Reluctantly and ashamedly, Renny also feels the connection. Merek and Renny part ways never expecting to see one another again. Fate has another plan. How soon should love arise after a devastating loss? Can such a love be legitimate? What about the guilt? Can such a love be of God?

"Dear baby girl, I have something to tell you. You're not...what others would classify as normal. Your father and I, we're not human, neither are you." Crimson always knew she wasn't normal. She just didn't know why. When Crimson receives a letter from her birth mom she finds out things about herself she never knew. Join Crimson on her journey in finding love, sorrow, and family. She always knew that life was one hell of a ride.

Daniel Nash struggles to reconcile his feelings of betrayal with his desire to understand his life. His hopes of uncovering the secrets revealed in his father's journals are quickly dashed, and he works with a private investigator to discover the truth. Worry about his wife, Sarah, combines with his efforts to cope with his childhood trauma, an unexpected death, and the recent revelations. His obsession with the past threatens to destroy his stable life. Meanwhile, Sarah and her father, Tristan, continue to combat the lingering discord that developed between them years before but refuse to take their main focus from Daniel. As he reviews his biological father's efforts to be a good man, Daniel searches for a way to comprehend shocking disclosures. He questions his own goodness as he fights not to emotionally withdraw from those around him, especially the two people he knows will always love him, Sarah and Tristan.

Through humor, whimsical story-telling and spiritual insight Joseph Fehlen shares his journey of becoming a motorcyclist at the age of 34. A man with a family, career, and perfectly normal life gets permission from his mom and wife, trades in his car for a motorcycle and begins an adventure that teaches him lessons about life, faith and what really matters most. Ride On is filled with a whole cast of endearing characters complemented by the intricacies of the motorcycle culture. In a garage logic sort of way, Joseph interweaves the lessons he learned with those Jesus modeled, creating a tapestry of learning opportunities for the reader. With uncanny clarity these real life situations will assist even those who have never ridden a motorcycle, or even plan to experience one of life's greatest joys. Come and join him as you ride on!

Keywords: Zen and the art of motorcycle maintenance, Motorcycle club, Motorcycle adventure, motorcycle man, motorcycle diaries, motorcycle travel, motorcycle books, motorcycle Jesus,

Little Boys have secrets, Most secrets don't hurt, Men in high places want this secret - They will Kill for it - The First Book of the Jeremy Ruhl saga! Rated YA 10 and up, some mild violence.

Two people driven to win. Only one can claim the prize. She's a sprint car racer driven by secrets. He's the man who must uncover them on national TV. Slide Job: A dirty move in which a race driver skids his/her car sideways in front of another car to steal a position. Sprint car driver Morgan Blade is willing to do anything to help save her critically ill father, even become a contestant on a new TV racing reality show. But once the cameras start rolling, she realizes the cost of the prize money. If the show's sexy producer has his way, her most heartbreaking secrets will be revealed to a worldwide audience. Secrets are Tyler Dalton's business. Forced to produce one more reality show to fulfill his contract, he can't wait to get it over with and move on with his life. However, part of who he is means giving it his best. In reality TV, controversy drives ratings. So despite a combustible attraction to his star, Tyler must unveil the secrets beneath Morgan's fiery facade. But when she becomes more than just another contestant ... will he go for the slide job, even if it means losing her?

When Zane and Megan crack the Secret, they stumble across Project Net Rider. The awesome Cyber Warfare program immerses the user in virtual reality, and has a netbike to infiltrate any computer in the new global network. But the software is dangerous and in the wrong hands, capable of unlimited destruction. So when the Underground's most notorious hacker steals a copy, the entire world is threatened. And the two friends have to risk everything to stop him.

?In October 2016, 59-year-old Chris Joseph was stunned when he learned he had third-stage pancreatic cancer. In the midst of the panic and tremendous fear that immediately ensued, Joseph followed the doctor's orders without hesitation and underwent chemotherapy—a choice that was almost a fatal mistake. Months of chemotherapy poisoned his body and nearly destroyed his spirit. With no immediate plan in mind, Joseph fired his oncologist and embarked on an alternative path of recovery, including both natural and Western medicine immunotherapy—one that, against all odds, opened his eyes and healed him, both physically and spiritually. Life is a Ride documents Joseph's journey from terror and doubt to independence, redemption, love and hope. Whether he's launching a "borrow and pay back" company for all manner of musicians in New Orleans, making his journey to Germany for cancer treatment and watching his friends put together a GoFundMe campaign to make the trip possible, or finding opportunities to bond with family and friends, Joseph's spirit, determination and courage will inspire anyone who's struggled with illness or any other seemingly hopeless situation. By changing the narrative and choosing to write his own story, Joseph found new levels of determination and courage, as well as joy, wisdom and gratitude. Life is a Ride is the tale of a man that turned a death sentence into a life embrace.

Ryan has a normal life until a stranger comes into his life and takes him onto a mysterious journey where his mission is to find pieces to build a machine and a weapon. But the only way to get these items is to time travel. His friends who accompany him on his journey are Diego, Ashley, and Richard. That's when they find out that there is something evil lurking around them.

This book will guide you to a life of meaning, contribution, vision and purpose.

"A Long Ride Coming" is a deeply personal memoir filled with poignancy and tinged with wry humor. The book takes the reader on a 1,900 mile bicycle ride from the Golden Gate Bridge to the Mexican border and then from Canada through Washington, Oregon, and California. The journey meets steep, challenging terrain and memorable, once-in-a-lifetime characters. But the book is much more than a story about a bicycle trip. "A Long Ride Coming" unveils a tribute to a father who died when the author was just 18 years old. When told by a doctor to keep the news of his father's terminal illness a secret, the deception led to nearly 50 years of regret and despair. Testing his stamina and age, the bike ride begins at the Golden Gate Bridge on September 11, 2014 and ends nearly exactly one year later on the Golden Gate. In between, the author finds solace and a fitting tribute to a father who died too soon. From the book: The doctor left the room and left my mother, my brother, and myself to fend for ourselves. Fend off such assaults as when just a few days later, the surgeon summoned us to his office. My father was still in the hospital, still reeling from his surgery, when the doctor in all of his professorial genius opined that we were not to tell my father of his terminal disease. "Keep it to yourselves," he said in whispered, conspiratorial, haunting tones. "The patient shouldn't know. If he did, his last few months would be even more uncomfortable." So when my father returned home and for a brief time felt good and hopeful, even going back to work for several days, his wife and two sons had the insufferable burden of lying to him. "I'm so damn glad the worst part is over," he'd say during his short reprieve. "I told you I'm going to beat this thing..." But we were committed to obeying doctor's orders, committed to the code of silence.

It is easy to be happy, but there is a prerequisite. We first must understand how happiness works. Like anything else in life, things become a lot easier once we understand them. Doing math, for example, is only difficult as long as we don't understand it. Happiness works on the same principle. Rather than teaching us how happiness works, society presents us with stepping-stones on the road to happiness, such as: if you study this, you will get that job, and then you will be happy. If you own this, you will impress your friends, and then you will be happy. If you eat healthy and exercise regularly, you will lose those pounds, and then you will be happy. Lucky Go Happy is not a stepping-stone and will ? demonstrate how we lose out on more than 70 percent of potential happy time by living for weekends; ? explain how contentment can yield the same amount of happiness as ecstasy; ? provide concrete proof that money can never make us happy; ? highlight why it is absolutely essential to be unhappy at times; ? illustrate how a midlife crisis happens; ? offer the simple formula to calculate the amount of happiness, or unhappiness, you experience; ? show that happiness is not around the next corner; it is here and now; and ? help you understand how happiness works. Written for teenagers and adults, this easy-to-read book will equip you with the knowledge to make you happier and happy more often. Rather than waiting for it, you can make happiness happen for yourself and for those around you. ?Money makes the world go round; however, happiness greases the axle. Without this lubricant, life will seize.?

Jess has been in love with her best friend, Kate, for seven years, but her feelings have never been returned. One night they sleep together, and Jess finds out how much it is possible to be hurt by someone close. Jess and Kate struggle to redefine their friendship. They spend a week at Jess's family holiday house in a small seaside town, Awatangi, intending to make the time to talk things through, but the conversations never happen. Kate makes vague promises, but begins to have second thoughts. Jess wants Kate, and nothing else, and is heartbroken that isn't enough. Jess decides – while everything is changing in her life – that she doesn't want to go on living in the city, that she wants to return to Awatangi. Part of her hopes some physical distance between them may help things with Kate, and part of her – frustrated and upset – simply wants to leave Kate behind. In Awatangi, Jess meets Keri, a local lawyer who has also recently returned home. Like Jess, Keri surfs, and like Jess, she seems to feel some attachment to her family roots in Awatangi. Jess is drawn to Keri, but forces herself not to let anything happen. Despite everything, Kate is still Jess's closest friend, and she has loved Kate all her life. She feels she has to give the situation with Kate as long as she can to work itself out. Awatangi is about coping with feelings for a close friend that are not returned, set in a small holiday township on the West Coast of the South Island of New Zealand. It is an exploration of getting what you've always wanted and it not being enough, of being in love with one person and wanting another, and of finding out that life doesn't always turn out as expected.

IN A PLACE OF PEACE DURING A TIME OF WAR THE UNFORGIVEN WILL NOT GO FORGOTTEN. Edenville, 1940. In a rural hamlet where the majority of men are overseas to fight Hitler's Nazi war machine, someone is killing veterans of the first world war. Wartime Special Constable 'Lame' Eddie Sommers, a crippled rich boy and the butt of derision, is doing his best to fill a uniform he believes in, yet wears too large. Inexperienced and out of his depth, he turns to a former detective and veteran of the western front for assistance. Involving Marshall Geary might be his biggest mistake. Marshall wears a copper mask, as much to hide behind as to conceal his disfigurements. He struggles against howling flashbacks and the lingering stench of his own concealed crimes. In a town meant for sanctuary, repressed horrors awaken like worms in a collapsing coffin. The closer they get to the truth, the nearer everyone is dragged to their limits, their failings and their buried pasts.

Walter "Dake" Dockery and Billy Bates sense a unique chemistry on the day they first meet in the lobby of Global Sports Network's headquarters. Pivotal career crossroads bring them to GSN's door, ready to challenge the likes of ESPN by unconventional means-creating a talk show playing directly to sports fans in the 55-and-older audience segment. However, Barrett Simpson, the hotshot program manager assigned to oversee the fledgling Dake and Bates Show, finds little value in the neophyte co-hosts' approach. Barrett firmly believes the only fans who matter are those who follow the latest trends and social media influencers. He throws blame directly on Dake and Billy when their initial shows go disastrously off the rails. Back in the control booth, veteran technician Wes Johnson sees through the clutter. His hand-crafted audience-engagement app shows that Dake and Billy have indeed connected with their target demographic. Wes makes his case to GSN executive Davis Gladstone, who eventually agrees to give the anchors control of their own content for a make-or-break series of broadcasts. With key contributions from whip-smart Wendy Weir, Davis's recently

promoted assistant, and two gifted and dedicated young interns, the Dake and Bates team sets off in its own direction. Not long after, the show begins to build a buzz based on throwback connections and startling proficiency at sports wagering. Dake and Billy can only shake their heads in amazement as they rub elbows with legendary sports heroes from yesteryear. Remote broadcasts at the NBA All-Star Game in Chicago and the MGM Grand in Las Vegas boost their credibility and bring all the action to a head in what could only be described as ONE WILD RIDE.

A single moment in time can change everything... The sudden death of her mother turned Taylor's life upside down. Walking away from her independence and beloved career as a photojournalist, she sacrificed her dreams to salvage her mother's life work. Endless days of tiring routines leaves her desiring more. Sharing an unexpected conversation with a mysterious stranger, Taylor finds her heart reawakening to possibilities she long ago put to rest. Embarking on a romantic journey, Taylor fights to forget her painful past. Surrendering to the current of change, she finds herself once again struggling to keep her heart from being crushed, yet still allowing the man of her dreams the chance to tear down the walls of defense.

MITE (Book One) is the first of this gripping, thought provoking, Young Adult story of how a seemingly positive, beneficial breakthrough in medical technology with many wonderful applications can be corrupted for unscrupulous use by powerful companies and their corporate leaders and top scientists. MITE is a cautionary tale loaded with drama, corporate conspiracy, exciting adventures and a little teenage romance. Readers of author M.S. Antonucci's novel will be drawn to the charismatic characters and their thrilling conflict. The very real possibilities of MITE's fantasy technology and this absorbing story of its ominous effects on its innocent subjects will inspire readers of all ages to ask, "What if?" A father walking towards the lifeless body of his daughter, Kailey, a fate brought on by his own doing. He never thought that by enrolling her in a program meant for protection it would become her biggest source of danger. MITE tells a story of a young couple driven into the scientific community by their inability to naturally conceive. Once given a chance by a doctor with interests in a new form of surveillance, their fears of the world around them leads the young parents to enroll in his program; a decision that will change their lives and the life of their daughter. Spinning out of control, Allen begins a drunken overprotective surveillance over the course of his daughter's adolescence. As tragic events unfold, he is driven into an alcohol-induced madness which sends his daughter seeking freedom from his parental control. Soon, an overlooked stipulation in the contract between him and the doctor shifts Kailey from a patient to prey as the misguided program seeks to tie up loose ends. Now Kailey finds herself part of a hidden resistance of like-fated former patients coping with a life of lies and the reality of being hunted and their only option; to fight back.

An instant New York Times bestseller! "Rapinoe's 'signature pose' from the 2019 FIFA Women's World Cup is synonymous to the feeling we got when finishing this book: heart full, arms wide and ready to take up space in this world."—USA Today Megan Rapinoe, Olympic gold medalist and two-time Women's World Cup champion, reveals for the first time her life both on and off the field. Guided by her personal journey into social justice, brimming with humor, humanity, and joy, she urges all of us to ask ourselves, What will you do with your one life? Only four years old when she kicked her first soccer ball, Megan Rapinoe developed a love – and clear talent – for the game at a young age. But it was her parents who taught her that winning was much less important than how she lived her life. From childhood on, Rapinoe always did what she could to stand up for what was right—even if it meant going up against people who disagreed. In *One Life*, Megan Rapinoe invites readers on a remarkable journey, looking back on both her victories and her failures, and pulls back the curtain on events we know only from the headlines. After the 2011 World Cup, discouraged by how few athletes were open about their sexuality, Rapinoe decided to come out publicly as gay and use her platform to advocate for marriage equality. Recognizing the power she had to bring attention to critical issues, in 2016 she took a knee during the national anthem in solidarity with former NFL player Colin Kaepernick to protest racial injustice and police brutality—the first high-profile white athlete to do so. The backlash was immediate, but it couldn't compare to the overwhelming support. Rapinoe became a force of change. Here for the first time, Rapinoe reflects upon some of the most pivotal moments in her life and career – from her realization in college that she was gay, through the disputes with soccer coaches and officials over her decision to kneel, to the first time she met her now-fiancé WNBA champion Sue Bird, and up through suing the US Soccer Federation over gender discrimination and equal pay. Throughout, Rapinoe makes clear the obligation we all have to speak up, and the impact each of us can have on our communities. Deeply personal and inspiring, *One Life* reveals that real, concrete change lies within all of us, and asks: If we all have the same resource—this one precious life, made up of the decisions we make every day—what are you going to do? "One Life makes it clear that Rapinoe's greatest accomplishments may ultimately come away from the soccer pitch. She's a new kind of American hero."—San Francisco Chronicle

Everything you need to know to look after yourself to bring about and maintain perfect health, prosperity, wealth, happiness, quality of life and longevity. It reveals that we are, without realising, not doing enough or the right things to protect our health and prosperity which is equally extremely damaging to nature, wildlife, oceans, sea-life, fresh springs, waterways and air, and us.
