A smart and slyly funny tale of love, temptation, confusion, and commitment; a triumphant and beautifully executed recasting of Edith Wharton's *The Age of Innocence*. Newly engaged and unthinkingly self-satisfied, twenty-eight-year-old Adam Newman is the prize catch of Temple Fortune, a small, tight-knit Jewish suburb of London. He has been dating Rachel Gilbert since they were both sixteen and now, to the relief and happiness of the entire Gilbert family, they are finally to marry. To Adam, Rachel embodies the highest values of Temple Fortune; she is innocent, conventional, and entirely secure in her community--a place in which everyone still knows the whereabouts of their nursery school classmates. Marrying Rachel will cement Adam's role in a warm, inclusive family he loves. But as the vast machinery

of the wedding gathers momentum, Adam feels the first faint touches of claustrophobia, and when Rachel's younger cousin Ellie Schneider moves home from New York, she unsettles Adam more than he'd care to admit. Ellie--beautiful, vulnerable, and fiercely independent--offers a liberation that he hadn't known existed: a freedom from the loving interference and frustrating parochialism of North West London. Adam finds himself questioning everything, suddenly torn between security and exhilaration, tradition and independence. What might he be missing by staying close to home?

Love—only a four letter word, yet it's so powerful that it can conquer anything in this world! We've all experienced the first flush of love and remember the lingering fragrance of it. For ages Love has remained one of the most cherished experiences that everyone wishes to live through at least once. Humanity, time and again, has coined many definitions to describe this beautiful emotion, but this small word is a feeling that can't simply be defined. It has to be narrated . . . in the form of stories—love stories. Love Stories That Touched My Heart is a collection of such stories from readers who have a tale to tell, shortlisted from over 2000 entries that were submitted in a competition conducted by Penguin India. Selected and edited by Ravinder Singh, this anthology—made up of the stories that touched Ravin's heart the most—will make you believe that someone, somewhere, is made for you.

Heart is a precocious girl whose adorably energetic presence attracts everyone around her. She loves dressing up, playing with her Karlie and Ben dolls, and dreaming of the day she can finally get her ears pierced. Her best friend, Kat, shares her pal's hopes and dreams-and believes she'll someday marry Leonardo DiCaprio. Heart's mom, an overworked and underappreciated single mother, showers her girl with love, but resolutely resists Heart's attempts to find her a man. Mrs. Angelini rounds out the cast as the matriarch who takes care of Heart while Mom's at work. This first Heart of the City book collects strips from the cartoon's first successful year, a debut that attracted legions of loyal fans. Created by Mark Tatulli, Heart of the City has a gentle presence, exemplifying the

sweet and sassy realities of modern, urban child-rearing. In a grand tour of comic theater over the centuries, Erich Segal traces the evolution of the classical form from its early origins in a misogynistic quip by the sixth-century B.C. Susarion, through countless weddings and happy endings, to the exasperated monosyllables of Samuel Beckett. With fitting wit, profound erudition lightly worn, and instructive examples from the mildly amusing to the uproarious, his book fully illustrates comedy's glorious life cycle from its first breath to its death in the Theater of the Absurd.

A tender affair and the redemptive power of art are at the core of this compelling novel from National Book Award finalist Allegra Goodman, “a romantic realist who dazzles with wit [and] compassion” (The Wall Street Journal). Collin James is young, creative, and unhappy. A college dropout, he waits tables and spends his free time beautifying the streets of Cambridge, Massachusetts, with his medium of choice: chalk. Collin’s art captivates passersby with its vibrant colors and intricate lines—until the moment he wipes it all away. Nothing in Collin’s life is meant to last. Then he meets Nina. . . . The daughter of a tech mogul who is revolutionizing virtual reality, Nina Lazare is trying to give back as a high school teacher—but her students won’t listen to her. When Collin enters her world, he inspires her to think bigger. Nina wants to return the favor—even if it means losing him. Against this poignant backdrop, Allegra Goodman paints a tableau of students, neighbors, and colleagues: Diana, a teenage girl trying to make herself invisible; her twin brother, Aidan, who’s addicted to the games produced by Nina’s father; and Daphne, a viral-marketing trickster who unites them all, for better or worse. Wise, warm, and enchanting, *The Chalk Artist* is both a finely rendered portrait of modern love and a celebration of all the realms we inhabit: real and imagined, visual and virtual, seemingly independent yet hopelessly tangled.
