The Beauty Industry Survival Guide Tina Alberino,2015-01-01 My name is Tina Alberino, and I wrote this book to save you. This is not another lame book full of generic beauty business advice. This book serves as the literary equivalent of a kick in the ass and a punch to the throat. You hold in your hands compendium of harsh lessons and a raw depiction of the true nature of this industry. The vast majority of these lessons aren't taught in schools and don't appear in textbooks; they're learned through experience--often in a way that is less-than-gentle. This book will help you navigate this tumultuous industry. The waters run deep, the currents are swift, and the tides shift quickly. The journey can certainly be treacherous. Don't learn these lessons the hard way.Learn how to avoid scoundrel salon owners and crackpot contracts, build a loyal following of glamorous gals and gallant gents, and land your first big break before graduation day!

Strong Towns Charles L. Marohn, Jr.,2019-10-01 A new way forward for sustainable quality of life in cities of all sizes Strong Towns: A Bottom-Up Revolution to Build American Prosperity is a book of forward-thinking ideas that breaks with modern wisdom to present a new vision of urban development in the United States. Presenting the foundational ideas of the Strong Towns movement he co-founded, Charles Marohn explains why cities of all sizes continue to struggle to meet their basic needs, and reveals the new paradigm that can solve this longstanding problem. Inside, you'll learn why inducing growth and development has been the conventional response to urban financial struggles—and why it just doesn't work. New development and high-risk investing don't generate enough wealth to support itself, and cities continue to struggle. Read this book to find out how cities large and small can focus on bottom-up investments to minimize risk and maximize their ability to strengthen the community financially and improve citizens' quality of life. Develop in-depth knowledge of the underlying logic behind the "traditional" search for never-ending urban growth Learn practical solutions for ameliorating financial struggles through low-risk investment and a grassroots focus Gain insights and tools that can stop the vicious cycle of budget shortfalls and unexpected downturns Become a part of the Strong Towns revolution by shifting the focus away from top-down growth toward rebuilding American prosperity Strong Towns acknowledges that there is a problem with the American approach to growth and shows community leaders a new way forward. The Strong Towns response is a revolution in how we assemble the places we live.

Work Smarter: Live Better Cyril Peupion,2018-09-01 Most people have never been taught how to work. We are committed to our job and want to be good at what we do. We are neither lazy nor unwilling. But we do not always work effectively - we work hard but not always smart. To increase performance many people believe they need to do more. We spend less time with our loved ones, neglect our health and put our passions and hobbies on the back burner. And we end up

frustrated, out of control and stressed. *Work Smarter: Live Better* will transform your life - learn simple and practical tools to be in control at work, learn how to gain an extra two hours per day, and learn how to make room for what is important to you! This journey will challenge your way of thinking about work. You will learn how to work smarter and more importantly, live better.

Jab, Jab, Jab, Right Hook Gary Vaynerchuk, 2013-11-26 New York Times bestselling author and social media expert Gary Vaynerchuk shares hard-won advice on how to connect with customers and beat the competition. A mash-up of the best elements of *Crush It!* and *The Thank You Economy* with a fresh spin, *Jab, Jab, Jab, Right Hook* is a blueprint to social media marketing strategies that really works. When managers and marketers outline their social media strategies, they plan for the “right hook”—their next sale or campaign that’s going to knock out the competition. Even companies committed to jabbing—patiently engaging with customers to build the relationships crucial to successful social media campaigns—want to land the punch that will take down their opponent or their customer’s resistance in one blow. Right hooks convert traffic to sales and easily show results. Except when they don’t. Thanks to massive change and proliferation in social media platforms, the winning combination of jabs and right hooks is different now. Vaynerchuk shows that while communication is still key, context matters more than ever. It’s not just about developing high-quality content, but developing high-quality content perfectly adapted to specific social media platforms and mobile devices—content tailor-made for Facebook, Instagram, Pinterest, Twitter, and Tumblr.

Young House Love Sherry Petersik, John Petersik, 2015-07-14 This New York Times bestselling book is filled with hundreds of fun, deceptively simple, budget-friendly ideas for sprucing up your home. With two home renovations under their (tool) belts and millions of hits per month on their blog *YoungHouseLove.com*, Sherry and John Petersik are home-improvement enthusiasts primed to pass on a slew of projects, tricks, and techniques to do-it-yourselfers of all levels. Packed with 243 tips and ideas—both classic and unexpected—and more than 400 photographs and illustrations, this is a book that readers will return to again and again for the creative projects and easy-to-follow instructions in the relatable voice the Petersiks are known for. Learn to trick out a thrift-store mirror, spice up plain old roller shades, hack your Ikea table to create three distinct looks, and so much more.

Seeing Like a State James C. Scott, 2020-03-17 “One of the most profound and illuminating studies of this century to have been published in recent decades.”—John Gray, *New York Times Book Review* Hailed as “a magisterial critique of top-down social planning” by the *New York Times*, this essential work analyzes disasters from Russia to Tanzania to uncover why states so often fail—sometimes catastrophically—in grand efforts to engineer their society or their environment, and uncovers the conditions common to all such planning disasters. “Beautifully written, this book calls into sharp relief the

nature of the world we now inhabit.”—New Yorker “A tour de force.”— Charles Tilly, Columbia University
