Human Resources Procedures for Employee Management can help you easily create the Human Resources (HR) policies and procedures manual you need to ensure the fair treatment of employees as required by Federal law. Thoroughly researched and reviewed by experts in the field, this important organizational resource provides more than 800 pages of content based on best practices, and it addresses important issues such as COBRA, HIPAA, ADA, FMLA, and other major Federal employment regulations. This quality hardback edition also covers important employer/employee topics such as job descriptions, hiring and termination, compensation and benefits, training and development, as well as general HR administration. It also includes a sample Employee Handbook and an HR Managers Manual. Designed for busy professionals such as HR Executives, Office Managers, and Business Owners, Human Resources Procedures for Employee Management is an important tool in managing the most important resource in your business - your employees. This new edition also includes updated and complete job descriptions for every job referenced in the text.

Given the broad range of topics that fall under the HR rubric, creating a system of policies and procedures can be a daunting task. Fortunately, with Human Resources Policies and Procedures Manual there is no need to start from scratch - it's already been done for you!

This manual helps medium and large law firms increase productivity by providing a model manual for law office policies and procedures. The book, an updated and expanded version of the previous (fourth) edition, is divided into seventeen sections, covering such topics as law office organization, management, and administration, support personnel, office policies, personnel policies and benefits, office security and emergency procedures, financial management, file systems, technology, and communications systems. The book contains numerous sample forms and documents, as well as extensive bibliographies. A CD containing the entire text of the manual is included, allowing customization of the manual for particular user needs.

Business failures, fraudulent financial reporting, and questionable operating practices have caused the increasing attention on corporate internal controls. This manual focuses on the initial steps for providing a reliable system of internal control, which is to establish policies and procedures, and then monitor their compliance. A great number of users of the Policies and Procedures Manual for Accounting and Financial Control will be with organizations that have a long-established set of company policies and procedures. Their purpose in using this book will be to check out their existing systems and upgrading them where required.
