"A big-hearted story that's as sweet as it is awesome." —R.J. Palacio, author of Wonder "An honest, emotionally rich take on disability, family, and growing up." —Kirkus Reviews (starred review) In the tradition of Wonder and Out of My Mind, this big-hearted middle grade debut tells the story of an irrepressible girl with cerebral palsy whose life takes an unexpected turn when she moves to a new town. Ellie's a girl who tells it like it is. That surprises some people, who see a kid in a wheelchair and think she's going to be all sunshine and cuddles. The thing is, Ellie has big dreams: She might be eating Stouffer's for dinner, but one day she's going to be a professional baker. If she's not writing fan letters to her favorite celebrity chefs, she's practicing recipes on her well-meaning, if overworked, mother. But when Ellie and her mom move so they can help take care of her ailing grandpa, Ellie has to start all over again in a new town at a new school. Except she's not just the new kid—she's the new kid in the wheelchair who lives in the trailer park on the wrong side of town. It all feels like one challenge too many, until Ellie starts to make her first-ever friends. Now she just has to convince her mom that this town might just be the best thing that ever happened to them!

A rediscovered treasure for a new generation: the first and only story for children ever written by Alan Watts. Alan Watts, beloved for bringing a childlike wonder to the spiritual journey, once wrote a story for children. The Fish Who Found the Sea brings this delightful and wise parable to life for a new generation. Presented with new art from award-winning illustrator Khoa Le, here is a story as timely as it is entertaining—sharing a key message about getting into harmony with the flow of life. In this tale of a tail, we meet a fish with a curiously familiar problem—he's gotten himself so mixed up that he spends all his time chasing himself in circles! Only the Great Sea knows how to help our poor fish get out of the mess he's created with his own runaway thoughts. Here is a parable that perfectly captures the wit and wisdom that have made Alan Watts a timeless teacher we will never outgrow.

A massive collection of tasty, low-fat recipes for vegetarians and vegans, from appetizers to desserts. This edition of 1,001 Low-Fat Vegetarian Recipes is completely revised to reflect current food trends and styles of cooking. Catering to the needs of today's busy cooks, from committed vegetarians to "flexitarians" to those simply looking for inventive ideas for peak-of-season produce, the recipes are easier and faster to prepare, with fewer ingredients and more concise cooking methods. The recipes, which all adhere to American Heart Association guidelines, emphasize "super foods" —foods that boast high nutritional, antioxidant, and phytochemical qualities—including blueberries, pomegranate juice, edamame, leafy dark greens, beans and legumes, nuts, seeds, whole grains, and soy. Included are recipes from every category, from appetizers through desserts, with more than 500 entrees, offering a superb assortment of satisfying meals that are low in fat and rich in flavor. Each recipe is labeled with an identifying icon for vegan, lacto-vegetarian, ovo-vegetarian, and lacto-ovo-vegetarian. Nutritional data and diabetic exchanges are provided for each recipe.

Gilbert has almost everything his fishy heart could desire: a castle, a chest filled with treasure, and food that falls from the sky. But there's one BIG thing missing from his life: a pet. And so begins Gilbert's harrowing search for the perfect fishbowl companion - a search filled with loud barking, quiet buzzing, and one giant whiskered surprise! With snappy, rhythmic text and the most irresistible goldfish in picture book history, this tale of fish woe and triumph will make readers long for a pet as lovable as Gilbert. Watch a Video

"Kathi guides you to all the joys of an aromatic garden with wonderful tips, fascinating facts, and sumptuous photos." —Mandy Aftel, acclaimed natural perfumer and author of Essence and Alchemy and Fragrant The Aromatherapy Garden explains how fragrant plants can be as therapeutic as they are intoxicating, and how easy it is to add this captivating element to gardens large and small. It reveals the scents, secrets, and science behind fragrant plants, and how to optimize the full benefits of fragrance. Hone your powers of concentration with lemon verbena. Beat the blues with wintersweet. And use rose geranium to relieve anxiety and stress. Revealed here are the scents, secrets, and science behind plant aromatherapy, and how to optimize its full benefits. Detailed plant profiles will help you create a beautiful source of restorative aromas, oils, sachets, teas, and more. The nose knows—and with Keville's expertise, now you too can create your own sanctuary of health and happiness

Does your child eat too many sweets and you find it hard to change? Such is the problem of our hero, Sweet Pete, a happy little bunny who only likes to eat sweets. Lots and lots of sweets. But one day something magical and very strange happens and Pete realizes that sweets are not so sweet after all! \*\*\* A Best Seller in children's Rabbit Books\*\*\* "Books like this are pretty darn useful for helping the little ones realize that eating only sweets is not a good idea, and the younger they are when we start talking to them about it, the better. This is a nicely done kid's book with lovely illustrations and a good message. Pick it up." 5 STAR review By Oleg Medvedkov ( top 500 reviewer). "It's a good lesson for kids to learn early in life. With soaring rates of childhood obesity and juvenile diabetes, kids need to be aware of the consequences of a diet loaded with sugar, and stories like "Sweet Pete and the Magical Cookie Jar" may help to deliver that message in a way that kids can understand." By 5 STAR review by J. Chambers (hall of fame reviewer, top 10 reviewer). This entertaining book for preschool age and beginner readers illustrates the problem of over-indulging in sweets and offers the alternatives of healthy eating and delayed gratification in a way that young children can understand and internalize. Maria

Alony's goal is to create high-quality, illustrated children's books that are not only fun and entertaining, but also contain an educational message and important values. As a mom herself, Maria reads picture books every night so that bedtime stories become part of her child's routine. She believes that reading children's books every day is essential for developing language, fostering imagination, and promoting self-expression. When it comes to children, Maria knows that books are crucial. "Sweet Pete and the magical cookie jar" is a fun and entertaining bedtime story for children and parents alike. Scroll back up and grab your copy now! Amazon Prime Members and Kindle Unlimited subscribers can borrow this book for FREE. This fully-illustrated picture book is a great read aloud for 4-8 year old children and is also highly recommended as a self-read book for beginner readers.

Princess Alice has lost her very precious blankie, and she must find it before bedtime! But her brother doesn't have it, and neither do the giant or the witch. Finally Alice discovers her special snuggly in the arms of a sleepy dragon. But he looks so sad when she takes it back that she knows she must find something just as cozy, soft, and warm for him to cuddle. But what could that be?

When Tom's big brother decides to become an Evil Scientist, his first experiment involves dunking Frankie the goldfish into toxic green gunk. Tom knows that there is only one thing to do: Zap the fish with a battery and bring him back to life! But there's something weird about the new Frankie. He's now a BIG FAT ZOMBIE GOLDFISH with hypnotic powers . . . and he's out for revenge!

Lisa Thompson's debut novel is a page-turning mystery with an emotionally-driven, complex character study at its core -- like Rear Window meets The Curious Incident of the Dog in the Night-Time. Matthew Corbin suffers from severe obsessive-compulsive disorder. He hasn't been to school in weeks. His hands are cracked and bleeding from cleaning. He refuses to leave his bedroom. To pass the time, he observes his neighbors from his bedroom window, making mundane notes about their habits as they bustle about the cul-de-sac. When a toddler staying next door goes missing, it becomes apparent that Matthew was the last person to see him alive. Suddenly, Matthew finds himself at the center of a high-stakes mystery, and every one of his neighbors is a suspect. Matthew is the key to figuring out what happened and potentially saving a child's life... but is he able to do so if it means exposing his own secrets, and stepping out from the safety of his home?

This is a warm, rhyming lyrical text about a little girl who loves bears more than anything else in the world.

Satirically explores Barbie dolls in different guises and professions, including Grunge Barbie, PMS Barbie, Virginia Slims Barbie, Barbie Antoinette, and Anita Hill Barbie

Swimming with Sharks is the scintillating new novel by acclaimed author Anna Legat, and the first in the DI Gillian Marsh series. When fortysomething Nicola Eagles goes on the holiday of a lifetime to the Maldives, she never dreams she'll fall in love – she's too shy, too set in her ways. But then she meets someone who changes her life for ever... Just when things seem to be going right for Nicola, though, she disappears without a trace. Was it a voluntary disappearance, or was she abducted – or murdered? When her absence is noted back in the UK, DI Gillian Marsh is sent to investigate. Gillian is a good detective but her life is dysfunctional to say the least – and as she delves deeper into the case, she realises that she may be out of her depth professionally too. For Nicola's disappearance is just the start...

A man leaves his wife and everything he knows in Oslo for a fresh start in Stockholm. There he strikes up a deep and competitive friendship with Geir and pursues Linda, a beautiful poet who captivated him years ago.

Considered by many to be mentally retarded, a brilliant, impatient fifth-grader with cerebral palsy discovers a technological device that will allow her to speak for the first time.

Nikki Maxwell's worst nightmare comes true! Sassy spoiled wannabe MacKenzie Hollister has gotten her hands on Nikki's diary and has decided to share some thoughts of her own!

"Introduces pre-readers to simple concepts about orange animals using short sentences and repetition of words"--Provided by publisher.

My name is Tess Turner--at least, that's what I've always been told. I have a voice but it isn't mine. It used to say things so I'd fit in, to please my parents, to please my teachers. It used to tell the universe I was something I wasn't. It lied. It never occurred to me that everyone else was lying too. Fifteen-year-old Tess doesn't mean to become mute. At first, she's just too shocked to speak. And who wouldn't be? Discovering your whole life has been a lie because your dad isn't your real father is a pretty big deal. Terrified of the truth, Tess retreats into silence. Reeling from her family's betrayal, Tess sets out to discover the identity of her real father. He could be anyone--even the familiar-looking teacher at her school. Tess continues to investigate, uncovering a secret that could ruin multiple lives. It all may be too much for Tess to handle, but how can she ask for help when she's forgotten how to use her voice? In a brilliant study of identity, betrayal, and complex family dynamics, award-winning author Annabel Pitcher explores the importance of communication, even when we're faced with unspeakable truths.

This is the fifth book in the Orangey the Goldfish book series. As a puppy becomes the new family pet, Billy and Orangey must learn to accept the puppy as a new part of the family. Read the entire series, which is available in e-book versions and also in paperback editions.

This is the book that started it all! The basis for the smash hit Tony Award-winning Broadway musical, Gregory Maguire's breathtaking New York Times bestseller Wicked views the land of Oz, its inhabitants, its Wizard, and the Emerald City, through a darker and greener (not rosier) lens. Brilliantly inventive, Wicked offers us a radical new evaluation of one of the most feared and hated characters in all of literature: the much maligned Wicked Witch of the West who, as Maguire tells us, wasn't nearly as Wicked as we imagined.

PM also contains non-fiction titles which are clearly illustrated with specially commissioned photographs and realistic artwork. Each book features controlled vocabulary, contents, headings, index and a self correcting comprehension programme.

This is the first side story book for the popular Orangey the Goldfish series. This particular book is the side story for Orangey the Goldfish (Book 2). If you enjoyed Book 2, you'll enjoy this quick and fun book for kids!

Orangey the Gold: Side Story 1Fiction Entertainment

Everything you never knew about sushi—its surprising origins, the colorful lives of its chefs, the bizarre behavior of the creatures that compose it—is revealed in this entertaining documentary account by the author of the highly acclaimed *The Secret Life of Lobsters*. When a twenty-year-old woman arrives at America's first sushi-chef training academy in Los Angeles, she is unprepared for the challenges ahead: knives like swords, instructors like samurai, prejudice against female chefs, demanding Hollywood customers—and that's just the first two weeks. In this richly reported story, journalist Trevor Corson shadows several American sushi novices and a master Japanese chef, taking the reader behind the scenes as the students strive to master the elusive art of cooking without cooking. With the same eye for drama and humor that Corson brings to the exploits of the chefs, he delves into the biology and natural history of the creatures of the sea. He illuminates sushi's beginnings as an Indo-Chinese meal akin to cheese, describes its reinvention in bustling nineteenth-century Tokyo as a cheap fast food, and tells the story of the pioneers who brought it to America. He shows how this unlikely meal is now exploding into the American heartland just as the long-term future of sushi may be unraveling. *The Zen of Fish* is a compelling tale of human determination as well as a delectable smorgasbord of surprising food science, intrepid reporting, and provocative cultural history.

"Based on the screenplay by Amy Wolfram."

'Fresh and funny' - Sunday Times Children's Book of the Week The hilarious and moving new book from funny fiction superstar Sam Copeland, author of the bestselling *Charlie Changes Into a Chicken*. Uma Gnuersonn has a head full of questions: How can I save my home from being sold? Will my dad ever start talking again? And how do alpacas get drunk? But since her mum died, Uma's life has been short on answers. Then she finds a genius artificial intelligence called Athena who knows everything. Suddenly Uma has the answer to any question she can imagine - from the capital of Mozambique to the colour of her headteacher's underpants - and she's going to use them to save her home and her father. Along the way, Uma will have to confront the sinister inventor who will stop at nothing to get Athena back - and face up to the fact that not all questions have answers . . . 'Utterly brilliant' - Eoin Colfer, author of *Artemis Fowl* 'This fast paced adventure is full of warmth and wit' - Sunday Express 'Slapstick, satire, silliness . . . truly cheering entertainment' - Sunday Times Best Books for Children 2021 'Hilarious and full of heart' - Jasbinder Bilan, author of Costa-award-winning *Asha and the Spirit Bird* 'Original, hilarious and delightfully madcap' - Katie Tsang, author of *Dragon Mountain* 'Funnier than an alpaca with a well-honed stand-up routine' - David Solomons, author of *My Brother is a Superhero* 'Fast, funny and full of heart' - Amy Sparkes, author of *The House at the Edge of Magic* 'A brilliantly funny story . . . I loved it!' - Cat Doyle, author of *The Storm-Keeper's Island* 'Comedy gold' - Sibeal Pounder, author of *Witch Wars*

Winner of the Elizabeth Mrazik-Cleaver Award Stella and her little brother, Sam, are spending the day playing in the snow. The forest, snowballs, snow angels and the mysterious white stuff itself provide fuel for Sam's questions and Stella's answers as they discover the world of winter together. Exquisite, evocative watercolors bring a snowy day alive and make this a wonderful winter story. Gently humorous, the book also captures the relationship between an older sister and her little brother -- a fun yet sometimes trying responsibility. Stella and Sam explore the wonders of snow with the same magic that they bring to all their adventures.

Zero Division is the debut poetry collection from writer Joseph M. Gant. The poems here make no apologies and take no prisoners. With focus on the short form, Zero Division delivers poetry

that ranges from introspectively spiritual to unabashedly outraged. This is a book of examinations and exclamations, truth disguised as fiction, and fiction disguised as truth. Joseph M. Gant leaves a pound of flesh between the covers of *Zero Division*; The poems beg the reader not merely to consume, but to digest what is offered here.

Sylvia Plath began keeping a diary as a young child. By the time she was at Smith College, when this book begins, she had settled into a nearly daily routine with her journal, which was also a sourcebook for her writing. Plath once called her journal her “Sargasso,” her repository of imagination, “a litany of dreams, directives, and imperatives,” and in fact these pages contain the germs of most of her work.

Plath’s ambitions as a writer were urgent and ultimately all-consuming, requiring of her a heat, a fantastic chaos, even a violence that burned straight through her. The intensity of this struggle is rendered in her journal with an unsparing clarity, revealing both the frequent desperation of her situation and the bravery with which she faced down her demons. Written in electrifying prose, *The Journals of Sylvia Plath* provide unique insight, and are essential reading for all those who have been moved and fascinated by Plath’s life and work.

This is the fourth book in the Orangey the Goldfish book series. This particular story follows Billy as he takes Orangey to school for his show and tell. As you can imagine it becomes an adventurous day.

Read the entire Orangey the Goldfish books series, which is available in e-book versions and also in paperback editions.

*Cerebral* is a work of fiction about a private detective, Keith Travis. Keith Travis works exclusively with high-end clientele and has solved every case he has been hired for. He finds himself in the middle of a tremendous war between two family patriarchs. Something that would be a routine case for him had him struggling with dedication and duty. He is compelled to solve the case but struggles with personal issues. Donovan Bradley is a young millionaire who is struggling to choose which one to follow—his faith or his feelings—toward choosing the love of his life, a young billionaire, Gretchen Davidson. The two struggle with both their hearts and intelligence for guidance.

Family can be the best ally—or the worst enemy. The saga continues in the third book in Bridget E. Baker’s *Birthright Series*, where trust is the ultimate political weapon. Accept the world as it is... Days before her eighteenth birthday, Chancery Alamecha has more to worry about than the flowers at her celebration. She’s no closer to learning who killed her mother. Her twin sister is missing, fate unknown. And she’s the new ruler of an empire with abilities she has yet to harness. Or do something to change it... When her first act as a merciful queen is met with resistance, Chancery realizes her mission to improve the world will be harder than expected. She’s attacked on multiple fronts, distrust simmers within her ranks, and her list of allies grows shorter by the day. But to unite the evian families and gain control of five powerful rings, the most direct path to peace may be through war... keywords: fantasy, ya fantasy, sword and sorcery, ya love triangle, urban fantasy, paranormal romance, urban paranormal romance, contemporary fantasy, ya love story, love triangle, villain origin story, science fiction, ya science fiction, christian science fiction, christian fantasy, clean fantasy, clean fiction, magical realism, teen fantasy, superhuman, powers, genetic engineering, academy, unique fiction, unique fantasy, strong female fiction, strong female mc, woman warrior, royal fantasy, royal fiction, throne of glass, throne at risk, crown, throne, sibling rivalry, twins, end of the world, dystopian, female dystopian, clean teen fantasy.

This book is for vegetable gardeners and nature-lovers everywhere. It is a 'grow your own' manual, a recipe book, and a store of fascinating observations about natural history in the garden. The author writes a deeply personal account of the changing year based on his first-hand experience and a real affection for his subjects and locality. Journeying week-by-week through the vegetable and fruit growing calendar, this mix of practical advice, humour and information on and around the plot satisfies armchair gardeners and full-on nature enthusiasts alike. Thought provoking, inspiring - occasionally challenging - this is a book that can be taken to bed as an end-of-day muse; or get dogeared and dirty as an essential aid to cultivating and cooking home-grown food. Contents: Part 1: Gardening With Dirty Nails; February; Week 1: Frogs & bonfires; Cats; On disturbing a Queen wasp; Week 2: Pond Action; Cabbages for mid-summer; Week 3: Sowing strawberries; Tending broads; Week 4: Boosting winter purslane; In praise of Sycamores; March; Week 1: Preparing for potatoes; Preparing for kale; Week 2: Carrots; Spring onions; Week 3: First early potatoes; Peppers & tomatoes; Week 4: Spring cleaning; Second Early Spuds; Week 5: Tending globe artichokes; Planting figs; April; Week 1: Cabbages; Week 2: Maincrop potatoes; Ridge cucumbers; Week 3: Tending...
