

Orchids On Your Budget Or Live Smartly On What You Have Virago Modern Classics Book 632

The Natural Speaker is a friendly step-by-step guide to public speaking that explores the fundamental skills necessary to present a natural and rewarding speech to any audience. By providing an overview of speech construction, practice, and delivery, this book is designed to enhance and improve upon students' natural strengths. Featuring a warm and humorous writing style, The Natural Speaker illustrates the concepts and skills required for enjoyable public speaking, and Randy Fujishin invites readers to view speaking as a life-long journey. This tenth edition features a new chapter on speaking in online contexts, including leading or participating in online meetings, using digital presentation tools, and guidelines for effective online PowerPoint presentations, as well as additional focus on intercultural considerations and new Internet student activities at the end of each chapter. This book serves as an accessible core textbook for Public Speaking and Introduction to Communication courses and also provides guidance for individual readers and public speaking workshops. Online resources include an instructor's manual with sample test questions and exercises.

Make the most of your time with The Rough Guide to Central America on a Budget.

Why doesn't self-help help? Cultural critic Micki McGee puts forward this paradoxical question as she looks at a world where the market for self-improvement products--books, audiotapes, and extreme makeovers--is exploding, and there seems to be no end in sight. Rather than seeing narcissism at the root of the self-help craze, as others have contended, McGee shows a nation relying on self-help culture for advice on how to cope in an

Bookmark File PDF Orchids On Your Budget Or Live Smartly On What You Have Virago Modern Classics Book 632

Increasingly volatile and competitive work world. Self-Help, Inc. reveals how makeover culture traps Americans in endless cycles of self-invention and overwork as they struggle to stay ahead of a rapidly restructuring economic order. A lucid and fascinating treatment of the modern obsession with work and self-improvement, this lively book will strike a chord with its acute diagnosis of the self-help trap and its sharp suggestions for how we can address the alienating conditions of modern work and family life. Flamboyant and fantastic, orchids are the world's most highly prized plants—yet home growers think they're difficult to grow. Orchids don't have to be a challenge: the secret is to find plants that share similar growing conditions. With more than 100 breathtaking color photographs and easy-to-follow diagrams, this book is the perfect choice for Southern gardeners who want to add glamour to their home or garden.

The full-colour *The Rough Guide to South America on a Budget* is the ultimate guidebook for travelling the continent, from Colombia's Caribbean beaches to the ice-fields of Patagonia. watching in Argentina celebrating Carnival in Rio and much more besides. Make the most of your trip of a lifetime with *The Rough Guide to South America on a Budget*.

Welcome to the Fascinating World of Orchids
Growing orchids has never been more popular. Here is everything you always wanted to know about growing and caring for orchids, packed into one fascinating, easy-to-use volume. *Orchids Handbook* provides the beginner with commonsense advice on getting started with orchids, understanding the basics of orchid biology, caring for orchids in variety of settings (for example in the house, under a shade cloth or in the greenhouse) and mastering techniques for repotting, dividing and growing from seed. The second part of the book offers a comprehensive and well-illustrated plant directory of 40 popular varieties, covering all the major orchid families and their characteristics, with advice on choosing the plant that is right for your climate conditions. This useful handbook also covers pests and diseases and everything you need to know to enter your orchids in competition. *Inside Orchids Handbook* Practical guide to growing and caring for orchids. Well-illustrated plant directory of 40 orchid species and types. Covers all of the major orchid families. Comprehensive advice on care and cultivation, from getting started to repotting, dividing, growing from seed, and dealing with pests and

diseases. How to choose the right orchid for any climate condition and establish a collection.

Everything you need to know to enter your orchids in competition.

The Emotional Life of the Great Depression documents how Americans responded emotionally to the crisis of the Great Depression. Unlike most books about the 1930s, which focus almost exclusively on the despair of the American people during the decade, this volume explores the 1930s through other, equally essential emotions: righteousness, panic, fear, awe, love, and hope. In expanding the canon of Great Depression emotions, the book draws on an eclectic archive of sources, including the ravings of a would-be presidential assassin, stock market investment handbooks, a Cleveland serial murder case, Jesse Owens's record-setting long jump at the 1936 Berlin Olympics, King Edward VIII's abdication from his throne to marry a twice-divorced American woman, and the founding of Alcoholics Anonymous. In concert with these, it offers new readings of the imaginative literature of the period, from obscure Christian apocalyptic novels and H.P. Lovecraft short stories to classics like John Steinbeck's *The Grapes of Wrath* and Richard Wright's *Native Son*. The result is a new take on the Great Depression, one that emphasizes its major events (the stock market crash, unemployment, the passage of the Social Security

A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

From the flapper to The Feminine Mystique, a cultural history of single women in the city through the reclaimed life of glamorous guru Marjorie Hillis. You've met the extra woman: she's sophisticated, she lives comfortably alone, she pursues her passions unabashedly, and—contrary to society's suspicions—she really is happy. Despite multiple waves of feminist revolution, today's single woman is still mired in judgment or, worse, pity. But for a brief, exclamatory period in the late 1930s, she was all the rage. A delicious cocktail of

Bookmark File PDF Orchids On Your Budget Or Live Smartly On What You Have Virago Modern Classics Book 632

cultural history and literary biography, *The Extra Woman* transports us to the turbulent and transformative years between suffrage and the sixties, when, thanks to the glamorous grit of one Marjorie Hillis, single women boldly claimed and enjoyed their independence. Marjorie Hillis, pragmatic daughter of a Brooklyn preacher, was poised for reinvention when she moved to the big city to start a life of her own. Gone were the days of the flirty flapper; ladies of Depression-era New York embraced a new icon: the independent working woman. Hillis was already a success at *Vogue* when she published a radical self-help book in 1936: *Live Alone and Like It: A Guide for the Extra Woman*. With Dorothy Parker–esque wit, she urged spinsters, divorcées, and “old maids” to shed derogatory labels and take control of their lives, and her philosophy became a phenomenon. From the importance of a peignoir to the joy of breakfast in bed (alone), Hillis’s tips made single life desirable and chic. In a style as irresistible as Hillis’s own, Joanna Scutts, a leading cultural critic, explores the revolutionary years following the Live-Alone movement, when the status of these “brazen ladies” peaked and then collapsed. Other innovative lifestyle gurus set similar trends that celebrated guiltless female independence and pleasure: Dorothy Draper’s interior design smash, *Decorating Is Fun!* transformed apartments; Irma Rombauer’s warm and welcoming recipe book, *The Joy of Cooking*, reassured the nervous home chef that she, too, was capable of decadent culinary feats. By painting the wider picture, Scutts reveals just how influential Hillis’s career was, spanning decades and numerous best sellers. As

Bookmark File PDF Orchids On Your Budget Or Live Smartly On What You Have Virago Modern Classics Book 632

she refashioned her message with every life experience, Hillis proved that guts, grace, and perseverance would always be in vogue. With this vibrant examination of a remarkable life and profound feminist philosophy, Joanna Scutts at last reclaims Marjorie Hillis as the original queen of a maligned sisterhood. Channeling Hillis's charm, *The Extra Woman* is both a brilliant exposé of women who forged their independent paths before the domestic backlash of the 1950s trapped them behind picket fences, and an illuminating excursion into the joys of fashion, mixology, decorating, and other manifestations of shameless self-love.

NEW YORK TIMES BESTSELLER • A NEW YORK TIMES NOTABLE BOOK A modern classic of personal journalism, *The Orchid Thief* is Susan Orlean's wickedly funny, elegant, and captivating tale of an amazing obsession. Determined to clone an endangered flower—the rare ghost orchid *Polyrrhiza lindenii*—a deeply eccentric and oddly attractive man named John Laroche leads Orlean on an unforgettable tour of America's strange flower-selling subculture, through Florida's swamps and beyond, along with the Seminoles who help him and the forces of justice who fight him. In the end, Orlean—and the reader—will have more respect for underdog determination and a powerful new definition of passion. In this new edition, coming fifteen years after its initial publication and twenty years after she first met the “orchid thief,” Orlean revisits this unforgettable world, and the route by which it was brought to the screen in the film *Adaptation*, in a new retrospective essay. lamentable souls who ignored - Marjorie's wise words. 'It's not difficult to have fun out of economizing (up to a point), both because of the sense of achievement it gives you and because everyone else is doing it, too ... A slight financial pressure sharpens the wits, though it needn't sharpen the disposition. But it takes an interesting person to have an attractive ménage on a shoe-string and to run it with gaiety and charm ... Maybe you would rather play polo than ping-pong, but if you've got an old ping-pong set and no ponies, you'll get a lot more fun out of life from being a ping-pong champion than from taking a dispirited whack with a polo mallet every now and then.

Tired of hearing you'll never be wealthy unless you sacrifice all the things that make you feel wealthy? Ever notice how managing money always seems to mean cutting back on small daily pleasures like lattes and lunches? Alexandria Blaelock explains that true wealth involves more than money - you can enjoy things that make you happy while creating a prosperous future tomorrow. Borrowing techniques from business, Alexandria reveals how:

- A meaningful vision of your future is the missing link.
- Planning and managing spending brings your dreams to life.
- Sharing what you have can make the world a better place. Plus, you'll discover:
- How to connect with your past and future selves.
- The comforts of risk management.
- What to look for in a

long-term romantic partner. Stop worrying about how to pay for your life – relax and enjoy it.

Examines the response of American leftist writers from the 1930s to the rise of mass culture, and to the continued propagation of the values of consumerism during the Depression. It traces in the work of Kenneth Fearing and Nathaniel West certain theoretical positions associated with the Frankfurt school (especially Walter Benjamin) and with contemporary theorists of postmodernism.

"Whether you view your one-woman ménage as Doom or Adventure, you need a plan, if you are going to make the best of it." Thus begins Marjorie Hillis' archly funny, gently prescriptive manifesto for single women. Though it was 1936 when the Vogue editor first shared her wisdom with her fellow singletons, the tome has been passed lovingly through the generations, and is even more apt today than when it was first published. Hillis, a true bon vivant, was sick and tired of hearing single women carping about their living arrangements and lonely lives; this book is her invaluable wake-up call for single women to take control and enjoy their circumstances. Hillis takes readers through the fundamentals of living alone, including the importance of creating a hospitable environment at home, cultivating hobbies that keep her there ("for no woman can accept an invitation every night without coming to grief"), the question of whether single

have the confidence you need so you can relax and enjoy your night too.

The book aims to familiarize you with different aspects of the orchid plant before getting started. The aim of this endeavor is to help beginners realize that growing orchids is like having a pet. If you pay attention to them they will repay you with lovely blooms. If you wish to grow this spectacular plant in your garden, but thought that it was too difficult, then this book will help you to get started. Even if you have failed to bloom orchids in the past, there are several tips and techniques to help you keep your orchids blooming, no matter your environment or experience, budget and location. The book demystifies the growing process and reveals professional secrets for blooming, repotting and pests. Perfect for beginners as well as orchid experts looking for new tricks, you will discover which orchids are the easiest to grow, and then learn the steps you need to take to keep your orchid alive, healthy and blooming. The Rough Guide to Central America on a Budget is the definitive guide to making the most of this exotic region without breaking the bank. First published in 2012. Routledge is an imprint of Taylor & Francis, an informa company.

Bubbly on Your Budget is an effervescent guide to living on a budget without sacrificing style. First published in 1937, these tips stand the test of time. Author Marjorie Hillis proves that it isn't how much we have, but how we act, that matters. With a charming can-do attitude she offers hundreds of creative solutions, including creating the perfect capsule wardrobe, dining out for brunch rather than dinner, and setting aside a budget for miscellaneous (this is where the bubbly fits in!) each month. Brimming with vintage line illustrations, this delightful book shows that being smart about money and living life to the fullest never goes out of style.

As featured on Oprah's podcast, *SuperSoul Conversations* "When money is plentiful, this is a man's world. When money is scarce, it is a woman's world." Unearthed in a 1932 *Ladies Home Journal*, this quote is the call to arms that begins *PEACE AND PLENTY*, Sarah Ban Breathnach's answer to the world's-- and her own personal-- financial crisis. As only Ban Breathnach can, she culls together this compendium of advice, deeply personal anecdotes, and excerpts from magazines, books, and newspapers-- particularly those of the Great Depression-- to inspire readers who are

Bookmark File PDF Orchids On Your Budget Or Live Smartly On What You Have Virago Modern Classics Book 632

mired in today's financial difficulties. Focusing on her own personal path, Sarah Ban Breathnach will relate never-before revealed details about how she fell from the financial top to the bottom. Readers will immediately see how deeply she understands the plight of those trying to maintain a happy and comfortable home, while at the same time not even knowing if they will be able to make the mortgage to keep that home. Sarah has proved to be the voice of comfort for years to women who are spiritually bankrupt, and now she will reach to those who are financially strapped, showing them how to pull themselves out of their psychic and fiscal crises while providing deep comfort and reassurance throughout.
