In New York Times bestselling author Jennifer L. Armentrout's gripping new novel, a young woman comes home to reclaim her life—even as a murderer plots to end it. . . It's been ten years since Sasha Keaton left her West Virginia hometown . . . since she escaped the twisted serial killer known as the Groom. Returning to help run her family inn means being whole again, except for one missing piece. The piece that falls into place when Sasha's threatened—and FBI agent Cole Landis vows to protect her the way he couldn't a decade ago. First one woman disappears; then another, and all the while, disturbing calling cards are left for the sole survivor of the Groom's reign of terror. Cole's never forgiven himself for not being there when Sasha was taken, but he intends to make up for it now . . . because under the quirky sexiness Cole first fell for is a steely strength that only makes him love Sasha more. But someone is watching. Waiting. And Sasha's first mistake could be her last.

Multidisciplinary study of literary criticism in Britain and Europe between 1660 and 1800.

"This book blew me away, completely. Gripping from page one, I—quite literally—couldn't put it down."—Christina Lauren, New York Times bestselling author of *The Unhoneymooners* Growing up, Mallory Dodge learned that the best way to survive was to say nothing. And even though it's been four years since her nightmare ended, she's beginning to worry that the fear that holds her back will last a lifetime. Now, after years of homeschooling, Mallory must face a new milestone—spending her senior year at a public high school. But she never imagined she'd run into Rider Stark, the friend and protector she hasn't seen since childhood, on her very first day. It doesn't take long for Mallory to realize that the connection she shared with Rider never really faded. Yet soon it becomes apparent that she's not the only one grappling with lingering scars from the past. And as she watches Rider's life spiral out of control, Mallory must make a choice between staying silent and speaking out—for the people she loves, the life she wants and the truths that need to be heard. Praise for *The Problem with Forever*: "We're left breathless and a little haunted and wanting more."—Danielle Paige, New York Times bestselling author of *Dorothy Must Die* "Heartbreakingly real...a remarkable novel about the power of first love and the courage it takes to face your fears."—Kami Garcia, #1 New York Times bestselling author Also from #1 bestselling author Jennifer L. Armentrout: *If There's No Tomorrow* *The Harbinger Series* *The Dark Elements Series* #1 New York Times, USA Today, and internationally bestselling author Jennifer L. Armentrout returns to the world of the Lux with *The Burning Shadow*, the steamy, shocking second installment of the Origin series that will leave readers reeling. When Evelyn Dasher crossed paths with Luc, she was thrown headfirst into the world of the Lux—only to discover that she was already far more involved in their world than she ever suspected. Because the Luxen aren't the only ones with a hidden past. There's a gap in Evie's memory, lost months of her life and a lingering sense that something happened, something she can't remember and nobody is willing to tell her. She needs to find out the truth about who she is—and who she was. But every answer she finds only brings up more questions. Her search for the truth brings her ever closer to Luc, the Origin at the center of it all. He's powerful, arrogant, inhumanly beautiful, extremely dangerous...and possibly in love with her. But even as Evie falls for him, she can't help but wonder if his attraction is to her, or to the memory of a girl who no longer exists. And all the while, a new threat looms: reports of a flu-like, fatal virus that the government insists is being spread by Luxen. A horrifying illness that changes whoever it touches, spreading panic across a country already at its breaking point. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

In the world of the Lux, secrets thrive, lies shatter, and love is undeniable. #1 New York Times, USA Today, and internationally bestselling author Jennifer L. Armentrout brings her trademark drama and intrigue to a new romantic YA science fiction series with *The Darkest Star*. A girl pulled into in a world she doesn't understand finds herself confronted by long buried secrets, a betrayal that could tear her life apart...and Armentrout's most swoonworthy book boyfriend yet. Seventeen-year-old Evie Dasher knows firsthand the devastating consequences of humanity's war with the aliens. When she's caught up in a raid at a notorious club known as one of the few places where humans and the surviving Luxen can mingle freely, she meets Luc, an unnaturally beautiful guy she initially assumes is a Luxen...but he is in fact something much more powerful. Her growing attraction for Luc will lead her deeper and deeper into a world she'd only heard about, a world where everything she thought she knew will be turned on its head...

Book Four of the bestselling Lux series Daemon will do anything to get Katy back. After the successful but disastrous raid on Mount Weather, he's facing the impossible. Katy is gone. Taken. Everything becomes about finding her. Taking out anyone who stands in his way? Done. Burning down the whole world to save her? Gladly. Exposing his alien race to the world? With pleasure. All Katy can do is survive.

Surrounded by enemies, the only way she can come out of this is to adapt. After all, there are sides of Daedalus that don't seem entirely crazy, but the group's goals are frightening and the truths they speak even more disturbing. Who are the real bad guys? Daedalus? Mankind? Or the Luxen? Together, they can face anything. But the most dangerous foe has been there all along, and when the truths are exposed and the lies come crumbling down, which side will Daemon and Katy be standing on? And will they even be together? Book Two of the bestselling Lux series Being connected to Daemon Black sucks... Thanks to his alien mojo, Daemon's determined to prove what he feels for me is more than a product of our bizarre connection. So I've sworn him off, even though he's running more hot than cold these days. But we've got bigger problems. Something worse than the Arum has come to town... The Department of Defense is here. If they ever find out what Daemon can do and that we're linked, I'm a goner. So is he. And there's this new boy in school who's got a secret of his own. He knows what's happened to me and he can help, but to do so, I have to lie to Daemon and stay away from him. Like that's possible. Against all common sense, I'm falling for Daemon. Hard. But then everything changes... I've seen someone who shouldn't be alive. And I have to tell Daemon, even though I know he's never going to stop searching until he gets the truth. What happened to his brother? Who betrayed him? And what does the DOD want from them—from me? No one is who they seem. And not everyone will survive the lies... From Jennifer L. Armentrout, author of the Covenant series, comes the stunning, hotly-anticipated climax to the New York Times bestselling Lux series. Also includes Shadows, the prequel novella to the series. Katy knows the world changed the night the Luxen came. She can't believe Daemon welcomed his race or stood by as his kind threatened to obliterate every last human and hybrid on Earth. But the lines between good and bad have blurred. Daemon will do anything to save those he loves, even if it means betrayal. But when it quickly becomes impossible to tell friend from foe, and the world is crumbling around them, they may lose everything to ensure the survival of their friends...and mankind. War has come to Earth. And no matter the outcome, the future will never be the same for those left standing.

From the # 1 New York Times bestselling author of Wait for You and Be With Me, comes a richly moving story about heartbreak and guilt, second chances and, most of all, hope... Six years ago, Jillian Lima's whole world was destroyed. The same night her childhood love Brock Mitchell broke her heart, her life was irrevocably altered by a stranger with a gun. After years spent slowly rebuilding the shattered pieces of her life, Jillian is finally ready to stop existing in a past full of pain and regret and is determined to start living. The one thing she never expected was the impossibly handsome Brock walking back into her life... Brock can't believe that the breathtaking woman standing before him now is the little girl who used to be his shadow growing up. Unable to stay away from each other, their tentative friendship soon sparks into something more and the red-hot chemistry sizzling between them can no longer be denied. But falling for Brock again risks more than just Jillian's heart. When the past resurfaces, and a web of lies threatens to rip them apart, the fallout could lay waste to everything they've ever cared about...

Captivating and action-packed, From Blood and Ash is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. Reviews for From Blood and Ash: "Dreamy, twisty, steamy escapism. Take me back!" -New York Times bestseller Wendy Higgins "Jennifer Armentrout has the power to control my emotions with every word she writes. The Southern Caucasus is a region of great historical, cultural and strategic importance, which means that it has become an indispensable research field for most of the social sciences, particularly archaeology. However, despite its rich potential, research in the areas of modern-day Georgia, Armenia, Azerbaijan, Nakhichevan, North-western Iran and North-eastern Turkey has been inadequate when compared with other important culture basins such as Mesopotamia and the Mediterranean. In October 2012, Atatürk University in Erzurum, North-eastern Anatolia, Turkey, with the patronage of the Eurasian Silk Road Universities Consortium (ESRUC), hosted a Symposium of academics from more than 120 science and education institutions around the world to discuss opinions and share information about cultures in this region from its earliest times to the Middle Ages, within the scope of Ancient History, Archaeology, Art History, and Ethno-archaeology. This two volume publication is a compilation of 75 articles, which were evaluated and selected by an Academic Committee, from contributors who presented their academic papers at the Symposium.

A comprehensive study of recent African history, examining the political, social, and economic effects of colonialism.

The detailed and wide-ranging Penn Commentary on "Piers Plowman" places the allegorical dream-vision of the poem within the

literary, historical, social, and intellectual contexts of late medieval England, and within the long history of critical interpretation of the work, assessing past scholarship while offering original materials and insights throughout. The authors' line-by-line, section by section, and passus by passus commentary on all three versions of the poem and on the stages of its multiple revisions reveals new aspects of the poem's meaning while assessing and summarizing a complex and often divisive scholarly tradition. The volumes offer an up-to-date, original, and open-ended guide to a poem whose engagement with its social world is unrivaled in English literature, and whose literary, religious, and intellectual accomplishments are uniquely powerful. The Penn Commentary is designed to be equally useful to readers of the A, B, or C texts of the poem. It is geared to readers eager to have detailed experience of *Piers Plowman* and other medieval literature, possessing some basic knowledge of Middle English language and literature, and interested in pondering further the particularly difficult relationships to both that this poem possesses. Others, with interest in poetry of all periods, will find the extended and detailed commentary useful precisely because it does not seek to avoid the poem's challenges but seeks instead to provoke thought about its intricacy and poetic achievements. Covering passus C.15-19 and B.13-17, Volume 4 of the Penn Commentary on "*Piers Plowman*" creates a complete vade mecum for readers, identifying and translating all Latin quotations, uncovering allusions, providing full cross-reference to other parts of the poem, drawing in relevant scholarship, and unraveling difficult passages. Like the other commentaries in the series, this volume contains an extensive overview and analysis of each passus, and the subdivisions within, large and small, and discusses all differences between the two versions. It pays careful attention to the poem at the literal level as well as to Latin texts that are analogues or even possible sources of Langland's thought and it emphasizes the comedy of the poem, of which these passus offer a number of examples.

"An unmissable series!" –Samantha Young, New York Times bestselling author of *On Dublin Street* "This is the stuff swoons are made of." Wendy Higgins, New York Times bestselling author of *Sweet Evil* In this special eBook version, experience **OBSIDIAN**, **ONYX**, and **OPAL** as told by Daemon Black... This book is enhanced with exclusive content—two original songs inspired by the novel—resulting in a large file that may take longer to download than expected. I knew the moment Katy Swartz moved in next door, there was going to be trouble. Lots of it. And trouble's the last thing I need, since I'm not exactly from around here. My people arrived on Earth from Lux, a planet thirteen billion light years away. Plus, if there's one thing I know, it's that humans can't be trusted. We scare them. We can do things they only dream about, and honestly, we make them look weak as hell. 'Cuz they are. But Kat is getting to me in ways no one else has, and I can't stop myself from wanting her—or wanting to use my powers to protect her. She makes me weak, and I'm the strongest of our kind, tasked with protecting us all. So this one simple girl...she can mean the end for us. Because the Luxen have an even bigger enemy—the Arum, and I need to stay on my game. Falling for Katy—a human—won't just place her in danger. It could get us all killed, and that's one thing I'll never let happen...

The peroxisome is an organelle with essential roles in lipid metabolism, maintenance of reactive oxygen species homeostasis, and anaplerotic replenishment of tricarboxylic acid cycle intermediates destined for mitochondria. Peroxisomes constitute a dynamic endomembrane system. The homeostatic state of this system is upheld via two pathways for assembling and maintaining the diverse peroxisomal compartments constituting it; the relative contribution of each pathway to preserving such system may vary in different organisms and under various physiological conditions. One pathway begins with the targeting of certain peroxisomal membrane proteins to an endoplasmic reticulum template and their exit from the template via pre-peroxisomal carriers; these carriers mature into metabolically active peroxisomes containing the entire complement of membrane and matrix proteins. Another pathway operates via growth and maturation of pre-existing peroxisomal precursors that do not originate from the endoplasmic reticulum; mature peroxisomes proliferate by undergoing fission. Recent studies have uncovered new roles for the peroxisomal endomembrane system in orchestrating important developmental decisions and defining organismal longevity. This *Frontiers* Special Topic Issue is focused on the advances in our understanding of how evolutionarily distant organisms coordinate the formation, maturation, proliferation, maintenance, inheritance and quality control of the peroxisomal endomembrane system and how peroxisomal endomembranes communicate with other cellular compartments to orchestrate complex biological processes and various developmental programs from inside the cell.

#1 New York Times, USA Today, and internationally bestselling author Jennifer L. Armentrout returns to the world of the Lux with this steamy, shocking third installment of the Origin series that will leave readers reeling. The hardcover edition of *The Brightest Night* includes a bonus short story, and the first printing will be signed by the author. He is the darkest star. She is the burning shadow. And together, they will bring about the brightest night. Less than a year ago, Evelyn Dasher was a normal girl, living a safe, rather unremarkable life—a life that was a total lie. Now she's learned the truth about who she was and what she is. Hidden within Zone 3, she knows that if she loses control of her dangerous abilities again, she not only puts everyone in the secret community at risk, but also the beautiful, deadly inhuman Luc. He will do anything to keep her safe. Lie. Barter. Beg. Kill. But there are truths that not even Luc can prepare for, and as Evie's abilities evolve, the consequences of everything he's done turn devastating. Luc is stepping into the darkness. But Evie might already be lost to the shadows. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Book Three of the bestselling Lux series No one is like Daemon Black. When he set out to prove his feelings for me, he wasn't fooling around. Doubting him isn't something I'll do again, and now that we've made it through the rough patches, well... There's a lot of spontaneous combustion going on. But even he can't protect his family from the danger of trying to free those they love. After everything, I'm no longer the same Katy. I'm different... And I'm not sure what that will mean in the end. When each step we take in discovering the truth puts us in the path of the secret organization responsible for torturing and testing hybrids, the more I realize there is no end to what I'm capable of. The death of someone close still lingers, help comes from the most unlikely source, and friends will become the deadliest of enemies, but we won't turn back. Even if the outcome will shatter our worlds forever. Together we're stronger...and they know it. Bow Before Your Queen Or Bleed Before Her... From #1 New York Times bestselling author Jennifer L. Armentrout comes book three in her *Blood and Ash* series. She's been the victim and the survivor... Poppy never dreamed she would

find the love she's found with Prince Casteel. She wants to revel in her happiness but first they must free his brother and find hers. It's a dangerous mission and one with far-reaching consequences neither dreamed of. Because Poppy is the Chosen, the Blessed. The true ruler of Atlantia. She carries the blood of the King of Gods within her. By right the crown and the kingdom are hers. The enemy and the warrior... Poppy has only ever wanted to control her own life, not the lives of others, but now she must choose to either forsake her birthright or seize the gilded crown and become the Queen of Flesh and Fire. But as the kingdoms' dark sins and blood-drenched secrets finally unravel, a long-forgotten power rises to pose a genuine threat. And they will stop at nothing to ensure that the crown never sits upon Poppy's head. A lover and heartmate... But the greatest threat to them and to Atlantia is what awaits in the far west, where the Queen of Blood and Ash has her own plans, ones she has waited hundreds of years to carry out. Poppy and Casteel must consider the impossible—travel to the Lands of the Gods and wake the King himself. And as shocking secrets and the harshest betrayals come to light, and enemies emerge to threaten everything Poppy and Casteel have fought for, they will discover just how far they are willing to go for their people—and each other. And now she will become Queen...

From #1 New York Times bestselling author Jennifer L. Armentrout comes book four in her Blood and Ash series. War is only the beginning...

Hunter is a ruthless killer. And the Department of Defense has him firmly in their grasp, which usually doesn't chafe too badly because he gets to kill bad guys. Most of the time he enjoys his job. That is, until he's saddled with something he's never had to do before: protect a human from his mortal enemy. Serena Cross didn't believe her best friend when she claimed to have seen the son of a powerful senator turn into something...unnatural. Who would? But then she witnesses her friend's murder at the hands of what can only be an alien, thrusting her into a world that will kill to protect their secret. Hunter stirs Serena's temper and her lust despite their differences. Soon he's doing the unthinkable breaking the rules he's lived by, going against the government to keep Serena safe. But are the aliens and the government the biggest threats to Serena's life...or is it Hunter?

From #1 New York Times bestselling author Jennifer L. Armentrout comes a new novel in her Blood and Ash series... Is Love Stronger Than Vengeance? A Betrayal... Everything Poppy has ever believed in is a lie, including the man she was falling in love with. Thrust among those who see her as a symbol of a monstrous kingdom, she barely knows who she is without the veil of the Maiden. But what she does know is that nothing is as dangerous to her as him. The Dark One. The Prince of Atlantia. He wants her to fight him, and that's one order she's more than happy to obey. He may have taken her, but he will never have her. A Choice.... Casteel Da'Neer is known by many names and many faces. His lies are as seductive as his touch. His truths as sensual as his bite. Poppy knows better than to trust him. He needs her alive, healthy, and whole to achieve his goals. But he's the only way for her to get what she wants—to find her brother Ian and see for herself if he has become a soulless Ascended. Working with Casteel instead of against him presents its own risks. He still tempts her with every breath, offering up all she's ever wanted. Casteel has plans for her. Ones that could expose her to unimaginable pleasure and unfathomable pain. Plans that will force her to look beyond everything she thought she knew about herself—about him. Plans that could bind their lives together in unexpected ways that neither kingdom is prepared for. And she's far too reckless, too hungry, to resist the temptation. A Secret... But unrest has grown in Atlantia as they await the return of their Prince. Whispers of war have become stronger, and Poppy is at the very heart of it all. The King wants to use her to send a message. The Descenters want her dead. The wolverns are growing more unpredictable. And as her abilities to feel pain and emotion begin to grow and strengthen, the Atlantians start to fear her. Dark secrets are at play, ones steeped in the blood-drenched sins of two kingdoms that would do anything to keep the truth hidden. But when the earth begins to shake, and the skies start to bleed, it may already be too late.

Don't miss Shadows, Dawson Black's story in Jennifer L. Armentrout's bestselling Lux series, now available as a standalone in print for the first time! "An unmissable series!" –Samantha Young, New York Times bestselling author of On Dublin Street "This is the stuff swoons are made of." —Wendy Higgins, New York Times bestselling author of Sweet Evil The last thing Dawson Black expected was Bethany Williams. As a Luxen, an alien life-form on Earth, human girls are...well, fun. But since the Luxen have to keep their true identities a secret, falling for one would be insane. Dangerous. Tempting. Undeniable. Bethany can't deny the immediate connection between her and Dawson. And even though boys aren't a complication she wants, she can't stay away from him. Still, whenever they lock eyes, she's drawn in. Captivated. Lured. Loved. Dawson is keeping a secret that will change her existence...and put her life in jeopardy. But even he can't stop risking everything for one human girl. Or from a fate that is as unavoidable as love itself. Want to read the LUX series on your ereader? This final volume of Bollingen Series L covers the material Coleridge wrote in his notebooks between January 1827 and his death in 1834. In these years, Coleridge made use of the notebooks for his most sustained and far-reaching inquiries, very little of which resulted in publication in any form during his lifetime.

Kristen Simmons' fast-paced, gripping YA dystopian series continues in Breaking Point. After faking their deaths to escape from prison in Article 5, Ember Miller and Chase Jennings have only one goal: to lay low until the Federal Bureau of Reformation forgets they ever existed. Near-celebrities now for the increasingly sensationalized tales of their struggles with the government, Ember and Chase are recognized and taken in by the Resistance—an underground organization working to systematically take down the government. At headquarters, all eyes are on the sniper, an anonymous assassin taking out FBR soldiers one by one. Rumors are flying about the sniper's true identity, and Ember and Chase welcome the diversion.... Until the government posts its most-wanted list, and their number one suspect is Ember herself. Orders are shoot to kill, and soldiers are cleared to fire on suspicion alone. Suddenly Ember can't even step onto the street without fear of being recognized, and "laying low" is a joke. Even members of the Resistance are starting to look at her sideways. With Chase urging her to run, Ember must decide: Go into hiding...or fight back?
