She's got it all mapped out. No one is going to stand in her way. Not even her roommate, Cordelia Scott. Cordelia Scott has her own plans: Get through her freshman year without too many panic attacks, figure out what the hell she wants to major in, and meet a guy who finally makes her heart flutter. Fate has other plans for the two when they end up as roommates and neither of them can stop thinking about the other. They're both absolutely sure that they like boys and not girls. But their sparks can't be extinguished and they realize there is a lot more to their connection with each other than either of them thought. How will they navigate a path that neither of them planned on taking?

A gothic thriller romance, set against a creepy summer backdrop. Nothing much exciting rolls through Violet White's sleepy, seaside town . . . until River comes along. River rents the guesthouse behind Violet's crumbling estate, and as eerie, grim things start to happen, Violet begins to wonder about the boy living in her backyard. Is River just a crooked-smiling liar with pretty eyes and a mysterious past? Or could he be something more? Violet's grandmother always warned her about the Devil, but she never said he could be a dark-haired boy who takes naps in the sun, who likes coffee, who kisses you in a cemetery . . . who makes you want to kiss back. Violet's already so knee-deep in love, she can't see straight. And that's just how River likes it. With shades of Stephen King and F. Scott Fitzgerald, this is a must-read for fans of Beautiful Creatures, The Unbecoming of Mara Dyer, and Anna Dressed in Blood. “Looking for dark and eerie read...? On the northeast side of town, there is a house. The house was once magical, filled with love and joy and plans for the future. Inside its walls are many things that belong to me - my books, the china from my mother on my wedding day, the beautiful cage once home to two birds, now empty, just like me. And a man. A man who also belongs to me. A man I no longer wish to keep. A man who, no doubt, has not slept, though the sun is rising. Because the house where he waits is where I laid my head to rest every night for eight years. Until last night. No one who knows me would believe Charlie Pierce, the quiet, bookish girl who never made waves is pulling out of the driveway of a man who isn't her husband. But they don't know me at all. I don't even know me.

Not anymore. They say there are two sides to every story, and I suppose in most cases, that's true. But the one I live inside of? It has three. On the northeast side of town, there is a house. But there is no longer a home.

The only kinds of luck I knew were bad and worse...until my life hung in the balance. I finally caught a break in the form of a second chance. I vowed not to let it go to waste. To make a difference. But I didn't start really living until I met him. Dillon Montgomery. My complete opposite—except for our matching tortured souls. I couldn't resist him for long. How could I when his smallest touch made my heart race? When it felt like we were destined to be together? But sometimes luck and sorrow are intertwined... Fortuity is the first part of Faith and Dillon's story, which is completed in Serenity.

They say heavy is the head that wears the crown ... Andino Marcello's world is turned upside down when he becomes the next heir apparent to the Marcello empire. He was comfortable in his place as a Capo, but comfort is for the weak in the world of mafioso. The boss's seat is waiting. It takes meeting a tattooed beauty who has no idea who Andino is or the criminal legacy he now carries beneath his three-piece suits, and charming smile for him to finally bend the rules set out for him. That doesn't mean he can keep her. They say things that never challenge you won't change you ... Haven Murphy is doing her own thing, and she does it well. The owner of a successful Brooklyn strip club, she makes it her only goal to never fail. She's just trying to live her life when a morning jog puts her face to face with a man that will change the direction of her life with a single conversation. She knows there's a dark side to him beyond his good looks, and three-piece suits, but it's hard for her to care when she wants him. That doesn't mean he can be hers. He's going to break her heart; she's going to keep his. Because duty waits on no one. Duty is part one of a two-part Duet following the same couple.

Leona is only seventeen, and the whole world is waiting for her. In her senior year of high school, the girl can not imagine that her life is about to turn upside down. A portal opens and sends her to the world of Amantia. Everything she always believed collapses right before her eyes and it will take more than courage to survive this journey and return home. Accompanied by a black elf, she will try to reach the Tower of Clouds, but not before facing the most frightening mythological creatures.

When I was fifteen, a single bullet changed my life. I spent the next decade trying to outrun the devastation of my past, building an empire that would shield me from whatever life could throw at me. But all the money in the world couldn't help me when I found a screaming newborn abandoned on my doorstep. I'd never wanted to be a father. Passing the sludge that ran through my veins down to an innocent child seemed like a tragedy. But there she was—pink cheeks, red hair, and mine. Somehow, against all logic, that little girl became the best thing that ever happened to me. It was impossible to stay lost in the past when I was the only one who could protect her future. Which is exactly why, when her mother came back four years later, I was ready for battle. If only I could stop myself from falling in love with her during the war.

THE EPIC FINALE IN THE WHAT HE DOESN'T KNOW DUET Left or right. It's that simple, and it isn't simple at all. If I turn left, the road will lead me back to the man I promised my life to, the one I'd imagined building a family with, the one who's done everything in his power to get me back. If I turn right, the road will take me to the man I loved first, the man who brought me back

to life, the man who would do anything to keep me. I knew the fork in the road was inevitable; it was the decision I never wanted to make between choices I didn't know I had. And I love them both. My heart is destined to exist in two equal halves - one with each man. But one half beats stronger, the vein running deepest, and holds my choice in silence long before I know it for myself. The realization of what I have to do, of the heart I have to break, just might break mine too. Left or right. All I have to do is take a breath and turn.

An Instant New York Times Bestseller! Winner of the Coretta Scott King - John Steptoe for New Talent Author Award Filled with mystery and an intriguingly rich magic system, Tracy Deonn's YA contemporary fantasy *Legendborn* offers the dark allure of *City of Bones* with a modern-day twist on a classic legend and a lot of Southern Black Girl Magic. After her mother dies in an accident, sixteen-year-old Bree Matthews wants nothing to do with her family memories or childhood home. A residential program for bright high schoolers at UNC—Chapel Hill seems like the perfect escape—until Bree witnesses a magical attack her very first night on campus. A flying demon feeding on human energies. A secret society of so called "Legendborn" students that hunt the creatures down. And a mysterious teenage mage who calls himself a "Merlin" and who attempts—and fails—to wipe Bree's memory of everything she saw. The mage's failure unlocks Bree's own unique magic and a buried memory with a hidden connection: the

night her mother died, another Merlin was at the hospital. Now that Bree knows there's more to her mother's death than what's on the police report, she'll do whatever it takes to find out the truth, even if that means infiltrating the Legendborn as one of their initiates. She recruits Nick, a self-exiled Legendborn with his own grudge against the group, and their reluctant partnership pulls them deeper into the society's secrets—and closer to each other. But when the Legendborn reveal themselves as the descendants of King Arthur's knights and explain that a magical war is coming, Bree has to decide how far she'll go for the truth and whether she should use her magic to take the society down—or join the fight.

Every little girl dreams of the fairytale. The one where the white knight rushes in to save her from the clutches of evil. They fall in love, have babies, and live happily ever after. By that definition, my life should have been a fairytale too. When I was eight years old, Caven Hunt saved me from the worst kind of evil to walk the Earth. It didn't matter that I was a kid. I fell in love with him all the same. But that was where my fairytale ended. Years later, a one-night stand during the darkest time imaginable gave us a little girl. It was nothing compared to the pitch black that consumed me when I was forced to leave her with Caven for good. At the end of every fairytale, the happily-ever-after is the one thing that remains consistent. It wasn't going to be mine, but there hadn't been a night that passed where I hadn't prayed that it would be hers. I owed Caven my life. However, I owed that innocent child more. And that included ripping the heart from my chest and facing her father again.

In the second book of the Carve the Mark duology, globally bestselling Divergent author Veronica Roth reveals how Cyra and Akos fulfill their fates. *The Fates Divide* is a richly imagined tale of hope and resilience told in four stunning perspectives. The lives of Cyra Noavek and Akos Kereseth are ruled by their fates, spoken by the oracles at their births. The fates, once determined, are inescapable. Akos is in love with Cyra, in spite of his fate: He will die in service to Cyra's family. And when Cyra's father, Lazmet Noavek—a soulless tyrant, thought to be dead—reclaims the Shotet throne, Akos believes his end is closer than ever. As Lazmet ignites a barbaric war, Cyra and Akos are desperate to stop him at any cost. For Cyra, that could mean taking the life of the man who may—or may not—be her father. For Akos, it could mean giving his own. In a stunning twist, the two will discover how fate defines their lives in ways most unexpected. Praise for *Carve the Mark*: #1 New York Times bestseller \* Wall Street Journal bestseller \* USA Today bestseller \* #1 IndieBound bestseller “Roth skillfully weaves the careful world-building and intricate web of characters that distinguished *Divergent*.” —VOYA (starred review) “Roth offers a richly imagined, often brutal world of political intrigue and adventure, with a slow-burning romance at its core.” —ALA Booklist

Ignazio Vitale n'est pas un homme bon. Je le soupçonne dès notre première rencontre, je sens le danger qui entoure cet homme. Il a une façon d'exiger l'attention, de prendre le contrôle, de savoir ce que je pense avant même que je le sache. C'est à la fois inquiétant et attirant. C'est sombre et redoutable. C'est tout ce que j'ai toujours voulu, et pourtant la dernière chose dont j'ai besoin. Une obsession. Il ne lui faut pas longtemps pour m'attirer dans sa toile, me charmer jusque dans son lit et me prendre au piège de sa vie, une vie dont j'ignore tout avant qu'il soit trop tard. Il a des secrets, des secrets que je ne peux percer et qui m'empêchent de partir, même si je le supplie de me laisser m'en aller. Je l'aperçois parfois dans ses yeux, cette noirceur terrifiante et fascinante à la fois. C'est un monstre dans un emballage somptueux, et ce que je découvre en le démasquant change absolument tout. J'ai envie de le haïr. Parfois même, j'y parviens. Et pourtant, ça ne m'empêche pas de l'aimer.

For fans of Jandy Nelson and Rainbow Rowell comes a gorgeous debut novel about family, friends, and first love. Lucille Bennett is pushed into adulthood after her mom decides to take a break from parenting, from responsibility, from Lucille and her little sister, Wren. Left to cover for her absentee parents, Lucille thinks, Wren and Lucille. Lucille and Wren. I will do whatever I have to. No one will pull us apart. Now is not the time for level-headed Lucille to fall in love. But lovestruck, inconvenient love is what she's about to experience when she falls for Digby Jones, her best friend's brother. With blazing longing that builds to a fever pitch, Estelle Lares' soulful debut will keep readers hooked and hoping until the very last page. "A funny, poetic, big-hearted reminder that life can and will take us all by surprise." Jennifer E. Smith, *The Statistical Probability of Love at First Sight* Lucille may not take down a beast or assassinate any super bads, but she's what heroines look like and love like in real life. *Justine Magazine*

Alone with their authoritarian father on a vast estate where time has stopped, two siblings speak a language and inhabit a surreal universe of their own making, shaped by their reading of philosophy and tales of chivalry. When their father dies and the children set out to bury him, they encounter the inhabitants of the neighboring village, and the pair's cloak of romance and superstition falls away to reveal the appalling truth of their existence. A brilliant, masterful story in which nothing is as it first seems, *The Little Girl Who Was Too Fond of Matches* is a triumph of suspense, linguistic invention, and playfulness that peers into the heart of guilt, cruelty, and violence. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

A bet turned into a disaster. Sebastian Weaver is the star quarterback and the college's heartthrob. Rich. Handsome. Bastard. Everyone's attention flocked toward him and all the girls dreamed to be with him. Not me. At least, not until he made a move on me. See, I thought I was stronger than Sebastian's charms. I thought I could survive being his target. I thought wrong. Little did I know that he will make my most twisted fantasies come true. Fantasies I didn't know existed... Red Thorns is a dark new adult book that contains dubious situations some readers might find offensive and/or triggering. This is part of a duet and is not standalone.

If Zafira was exposed as a girl, all of her achievements would be rejected; if Nasir displayed his compassion, his father would punish him in the most brutal of ways. Both Zafira and Nasir are legends in the kingdom of Arawiya—but neither wants to be. War is brewing, and the Arz sweeps closer with each passing day, engulfing the land in shadow. When Zafira embarks on a quest to uncover a lost artifact that can restore magic to her suffering world and stop the Arz, Nasir is sent by the sultan on a similar mission: retrieve the artifact and kill the Hunter.
